Diesel Performance Handbook for Pickups and SUVs

2014-09-08

with gas prices rising always alternative fuels look like an answer hybrids sound good but what about the batteries and fuel cells still seem to be pie in the sky which leaves us with good old diesel this book shows how to get the most out of the diesel engine at a time when its fuel efficiency is almost as important as its massive torque although most diesel truck owners probably aren't planning to break any land speed records advances in diesel technology such as ultra low sulfur fuel high pressure common rail fuel injection electronic fuel management and variable geometry turbocharging are bringing diesel engines into the performance arena and this book is the ideal guide for making your diesel engine perform adapting intake and exhaust torque converters engine electronics turbochargers and much more
