## ***Campaign Finance Law***

1907

this book discusses the relations between the united states and egypt from roosevelt to eisenhower to protect the free flow of oil american policymakers looked to egypt to provide the progressive pro western leadership they believed would insure stability to the region america s attempts to balance the needs of its british allies with those of egypt coupled with egypt s quest for regional hegemony proved to be a recipe for trouble in the end america failed in grooming egypt as the pro western leader could not bring peace to the region and could not prevent the soviet union from gaining a foothold yet the oil continued to flow
