in the last decades of the 17th century the feast of christmas in lutheran germany underwent a major transformation when theologians and local governments waged an early modern war on christmas discouraging

riotous pageants and carnivalesque rituals in favor of more personal and internalized expressions of piety. Christmas rituals such as the heilig christ plays and the rocking of the child *Kindelwiegen* were abolished and Christian devotion focused increasingly on the metaphor of a birth of Christ in the human heart. John Sebastian Bach's Christmas Oratorio, composed in 1734, both reflects this new piety and conveys the composer's experience living through this tumult during his own childhood and early career. Markus Rathey's book is the first thorough study of this popular masterpiece in English while giving a comprehensive overview of the Christmas Oratorio as a whole. The book focuses on two themes in particular: the cultural and theological understanding of Christmas in Bach's time and the compositional process that led Bach from the earliest concepts to the completed piece. The cultural and religious context of the oratorio provides the backdrop for Rathey's detailed analysis of the composition in which he explores Bach's compositional practices, for example his reuse and parodies of movements that had originally been composed for secular cantatas. The book analyzes Bach's original score and sheds new light on the way Bach wrote the piece, how he shaped musical themes and how he revised his initial ideas into the final composition.

Written by today's leading experts, Kirk's Current Veterinary Therapy, Volume XV, keeps you completely current with the latest in disease management for dogs and cats. It uses a clear and practical approach to medical disorders. The typical chapter includes both a brief guide to diagnosis and a detailed discussion of therapy. You'll gain quick access to information such as critical care, infectious, toxicologic, and dermatologic disorders and diseases of the gastrointestinal, cardiovascular, respiratory, urinary, reproductive, neurologic, and ophthalmologic systems. From editors John Bonagura and David Twedt, plus hundreds of expert contributors, Kirk's Current Veterinary Therapy enhances your skills in evidence-based treatment planning for the practitioner who wants to keep abreast of current therapies for a wide range of topics. CVT is the perfect reference, reviewed by Ryan Ong, Waves Veterinary Hospital, on behalf of Australian Veterinary Hospital, March 2015. Authoritative, easy to read, coverage includes a brief approach to diagnosis with detailed discussions of the latest therapies, an organ system organization, and a convenient index, making it easy to find solutions for specific disorders. Treatment algorithms help you manage patients with difficult medical problems. A handy table of common drugs, updated by Dr. Mark Papich, offers a quick reference to dosage information. 365 illustrations depict the pathophysiologic basis for therapy or show the management of a defined condition. A companion website includes valuable information still relevant from CVT XIV: an index and drug formulary, all fully searchable; a collection of 300 images; references that link to PubMed and clinical references on laboratory test procedures and interpretation; normal reference ranges; conversion tables; and more. Concise chapters are only 2-5 pages in length, saving you time in finding essential information. Expert contributors and editors provide scientific, up-to-date coverage of clinically useful topics, including broad, traditional, and controversial subjects. References indicate related material from earlier volumes of Kirk's Current Veterinary Therapy. New chapters cover the most important emerging information on current diagnostic treatment and preventive challenges in today's veterinary practice. A new section on feline and canine nutrition covers important issues in nutritional health. 50 new chapter authors join hundreds of expert international contributors, all of whom are leading authorities in their fields. New availability as Pageburst eBook allows you digital access to this volume along with your library of other Elsevier references.

Das Nunc Dimittis ist der biblische Gesang des Simeon. Herr, nun lässt du deinen Diener in Frieden fahren. Lk 2, 29-32. Dieser kurze Text wird an verschiedenen Stellen in der Liturgie verwendet: im Nachtgebet bei Bestattungen, beim Abendmahl. Das Buch geht auf Spurensuche zu diesem Lied in Liturgie und Literatur, Musik und Malerei. Über den Text ist gepredigt worden u. a. von Luther, Schleiermacher, Barth, Niemöller, und er findet sich literarisch verarbeitet bei Büchner, T. S. Eliot, Karel Čapek, Ezra Pound. Lieder sind zu ihm gedichtet worden, zahllos sind die musikalischen Vertonungen u. a. Gregorianischer Choral, Schütz, Mendelssohn, Palestrina, Pärt, J. S. Bach, vielfach auch ist die Szene zwischen Simeon und Jesus gemalt worden: byzantinische Ikonen, Giotto, Fra Angelico, Dürer. Der Band berücksichtigt die orthodoxe, römisch-katholische, evangelische und anglikanische Tradition. Nunc Dimittis, the

song of simeon in church art and culture the nunc dimittis is the biblical song of simeon lord now lettest thou thy servant depart in peace luke 2 29 32 this short text is used in various places in the liturgy in the night prayer at funerals at the eucharist it is also the gospelreading on candlemas about the text has been preached i a by luther schleiermacher barth niemöller it has been literarily treated by büchner t s eliot karel Čapek ezra pound songs have been composed countless are the musical settings i a plainsong schütz mendelssohn palestrina pärt j s bach often the scene between simeon and jesus has been painted icons giotto fra angelico dürer the book goes in search of simeon s song in liturgy and literature music and art history it is ecumenical and takes into account orthodox roman catholic protestant and anglican traditions
