## **Guide to U.S. Government Serials & Periodicals**

1970

before star trek there was space patrol science fiction television has its roots in this live action packed series that captured the imagination of americans from 1950 to 1955 when space travel was just a dream this book explores the freewheeling spirit of live tv where anything could go wrong before millions of viewers and often did it spotlights often in personal interviews the risk taking space patrol cast and crew who laid vital groundwork for television today included are episode logs for both television and radio shows as well as a complete guide to space patrol memorabilia

## **Monthly Catalogue, United States Public Documents**

1926

dialectical behavior therapy has revolutionized cognitive behavioral therapies with constructs such as mindfulness and acceptance now permeating behavioral approaches adolescents differ from adult clients with regard to emotional and cognitive developmental level and context they overwhelmingly attend school and reside with their families and depend on them for daily functioning including for getting to therapy thus we considered developmentally relevant as well as family based targets cognitive processing and capability differences distinct liability issues and interventions with their environments our adapted adolescent skills handouts are being used in multiple research settings many clinical settings around the world employ some version of our materials the publication of this manual makes them more widely available along with group management strategies and skills teaching notes to assist the dbt skills trainer working with adolescents
