music in minutes is a method book designed to both learn ukulele as well as teach music through song it has been developed with even the most novice musician in mind and is suitable for ages 10 110 our approach to achieving fantastic results is based on many years of experience in composition and performance along with sound pedagogical and psychological principle fast track your musical progress you will be literally playing and singing plinging along in just minutes to the accompanying musical tracks as you work your way through the progressively ordered tunes there are even heaps of songs that exclusively utilise chord shapes finger positions on the fret board requiring just one finger to make things even easier the first 30 songs are based on a simple repeated chord pattern it s just so simple but this by no means compromises any musicality we believe that there is great sophistication in simplicity and where confusion is eliminated both understanding and joy are increased
