is qatar actually a suitable ally or a legitimate partner for the united states under qatari labor law foreign workers are actually owned for all practical purposes by their qatari sponsors in a system akin to slavery this book chronicles the experience of an american executive working in qatar and delves into qatar s feudal work sponsorship system showing that an economic great leap forward is not necessarily accompanied by modernization despite superficial emblems that prosperity and democracy need not go hand in hand and that being a us ally may be totally unrelated to any notion of human rights or personal liberties there are other western expats still trapped in qatar yet american workers students and others blithely interact with qatar as if it were a normal i e westernized nation where one may navigate with confidence it is nothing of the sort in the meantime qatar under the leadership of an emir who overthrew his own father is fostering international unrest across the entire arab world while racing to build a modern looking city from scratch some of the economic environmental and demographic assumptions underlying these plans are worthy of another 1000 tales from arabia american businessman nasser beydoun found out for himself how quickly the qataris are moving when he embarked on an exciting new career path leaving his hometown of dearborn michigan to move to qatar to manage the opening of several chain restaurants as part of the sudden economic boom there it didn t take long for the deal to turn sour but beydoun didn t realize the extent of his problem until he tried to leave the country oco and was stopped at the border in this book he paints a general picture of life in this fantastical realm while relaying his personal struggle to escape a legal runaround worthy of kafka s best novels

2007-11-01

una novela histórica mítica y mágica de la época del mahabarata una de las grandes epopeyas de la india

relevante para un mundo como el actual devastado por la guerra el palacio de las ilusiones nos transporta con una visión en parte histórica en parte mítica y totalmente mágica a la época de la epopeya india del mahabarata a través de su narradora panchaali la esposa de los legendarios cinco hermanos pandavas divakaruni nos ofrece una excepcional interpretación feminista de un relato épico la novela nos narra la vida de panchaali desde su nacimiento mágico del fuego como hija de un rey hasta su actuación enérgica como esposa de sus cinco maridos que han sido expulsados del reino de su padre panchaali se empeña en reclamar los legítimos derechos de sus esposos manteniéndose al lado de estos a lo largo de años de exilio y de una terrible guerra civil mientras tanto asistimos a sus enfrentamientos con su suegra para hacerse con el control de su hogar su complicada amistad con el enigmático krishna y su atracción secreta por un hombre misterioso que resulta ser el enemigo más peligroso de su marido panchaali es una vibrante voz femenina en un mundo de guerreros y dioses y siempre en manos del destino
