Understanding Sociology Study Guide

2000-08-01

Henslin's best-selling brief paperback text shares the excitement of sociology. Its acclaimed down-to-earth approach and personal writing style highlight the sociology of everyday life and its relevance to readers' lives. The author has a unique ability to engage readers with wit, personal reflection, and illuminating examples. Henslin shares with readers a passion for sociology unmatched by any other introductory text.

Study Guide for Sociology

2012-01-18

Sociology in our times introduces students to a brief survey of sociological theories and methods. This cutting-edge book highlights the relevance of sociology by including a diverse collection of theories, research, and lived experiences that accurately mirror the diversity in society itself. Sociology in our times is acclaimed in the field for being the first textbook to integrate race, class, and gender issues and for its thorough presentation of sociological theory, which includes diverse theoretical viewpoints such as feminist and postmodernist theory. Kendall Murray and Linden show students that sociology involves important questions and issues that they confront both personally and vicariously.

Sociology

2020-03-15

this comprehensive introduction to sociology known for its captivating writing cross cultural examples and careful applications of theory has long been a classroom favorite for both students and professors centered on the unifying theme of the u s as an emerging postindustrial society it provides a framework for exploring family life religion sexuality gender roles deviance religion and the economy the sociology of art as a recurring subtheme is woven into the text and emphasized through numerous paintings and photographs specific chapters focus on medicine technology and the environment and war and peace
