My Days of the Week 1998 the concept of the days of the week is taught using predictable text and matching photos

The Eighth Day of the Week 1975-03-24 english edition the cycle of the seven days of the week will help children understand and memorize the days of the week in a logical and visual way using bright colors for each day they ll have a clear concept of sequence and repetition illustrated by different activities through time they ll learn to count up to seven and recognize past present and future time in terms of yesterday today and tomorrow

The New Week's Preparation, etc 1822 studie over tijd speciaal de indeling van de week in religieus politiek en economisch opzicht

Municipal Government and Land Tenure 1886 includes articles on international business opportunities

My Calendar: Days of the Week 2013-03-01 let s learn the days of the week in english and mandarin also helpful for esl and an introduction to time sequencing

The First Day of the Week 1872 time is usually a confusing topic for the youngest learners they know the words but the concept is abstract in this cheerful entertaining narrative however the days of the week become comprehensible to beginning readers just as in real life the text reflects the order of days as well as how events often happen on certain days the inviting volume supported by carefully chosen photographs encourages readers to recognize and practice days of the week vocabulary through simple at level sentences
