Canada and the United States 1993

canada land of hockey terrible weather unfailing politeness and little else as far as many americans are aware for canadians the united states is seen as a land of unparalleled opportunity and unparalleled failure a country of heights and abysses the straitlaced country in the north could hardly have much to tell about its powerhouse of a neighbor to the south eh not so according to historian robert bothwell in this witty and accessible book bothwell argues that the shared history of the united states and canada reveals more about each country than most would suspect your country my country takes readers back to the seventeenth century when a shared british colonial heritage set the two lands on paths that would remain intertwined to the present day tracing canadian american relations shared values and differences through the centuries bothwell suggests that americans are neither unique nor exceptional in terms of both their good characteristics and their bad ones he brings this contention down to the present day by examining canadian and american differences over such questions as universal health care in domestic policy and the iraq war in foreign policy what happens in canada often reflects what has happened in the united states but by the same token what happens in canada signals what could happen in its american neighbor from whatever direction this innovative volume contends canada s story illuminates america s and vice versa

Report to the Senate on the Meeting [of The] Canada-United States Interparliamentary Group 1965

excerpt from a visit to the united states and canada in 1833 with the view of settling in america including a voyage to and from new york i had long cherished the desire with the view of bettering my condition of emigrating to america and was ultimately induced to carry my wishes into effect from the flattering accounts given by mr stuart and other recent writers on the subject it was my fortune to travel for a considerable way in the wake of the writer above named how far my experience agrees with his statements the succeeding pages will show about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

CANADA & THE CANADIAN QUES W/M 2016-08-24
