best books in sun on sunday this describes the frantic process of taking a vogue like magazine from paper to app when imogen left she was queen when she comes back she s lost her front row fashion week seat to a what what are these fashion bloggers naturally imogen regrows her claws and the book does its share of meowing about the entitled young women who now flood the magazine offices living large because they still live rent free at their parents apartments the new york times jo piazza and lucy sykes compulsively readable corner office drama is summer s juiciest beach read elle com examines how postfeminism and postracialism intersect to perpetuate systemic injustice in the united states historicizing post discourses explores how postfeminism and postracialism intersect in dominant narratives of triumphalism white male crisis neoliberal and colonial feminism and multiculturalism to perpetuate systemic injustice in america by examining various locations within popular culture including television shows such as mad men and the wire books such as the help and lean in as well as hollywood films fan forums political blogs and presidential speeches tanya ann kennedy demonstrates the dominance of postfeminism and postracialism in us culture in addition she shows how post discourses create affective communities through their engineering of the history of both race and gender justice tanya ann kennedy is associate professor of humanities at the university of maine at farmington and the author of keeping up her geography women s writing and geocultural space in twentieth century u s literature and culture cultural anxieties about fatness and the attendant stigmatisation of fat bodies have lent a medical authority and cultural legitimacy to what can be described as fat phobia against the backdrop of the ever growing medicalisation pathologisation and commodification of fatness coupled with the moral panic over an alleged obesity epidemic this volume brings together the latest scholarship from various critical disciplines to challenge existing ideas of fat and fat embodiment shedding light on the ways in which fat embodiment is lived experienced regulated and re produced across a range of cultural sites and contexts queering fat embodiment destabilises established ideas about fat bodies making explicit the intersectionality of fat identities and thereby countering the assertion that fat studies has in recent years reproduced a white ableist heteronormative subjectivity in its analyses a critical queer examination on fatness queering fat embodiment will be of interest to scholars of cultural and queer theory sociology and media studies working on questions of embodiment stigmatisation and gender and sexuality the belly art project is
