the dutch courtesan is a riotous tragicomedy that explores the delights and perils afforded by jacobean london while freevill an educated young englishman and the play s nominal hero frolics in the city s streets taverns and brothels franceschina his cast off mistress and the dutch courtesan of the play s title laments his betrayal and plots revenge juxtaposing franceschina s vulnerable financial position against the unappealing marital prospects available to gentry women the play undermines the language of romance revealing it to be rooted in the commerce and commodification marston s commentary on financial insecurity and the hypocritical repudiation of foreignness makes the dutch courtesan truly a document for our time

American Aberdeen-Angus Herd Book 1898

the arden research handbook of shakespeare and textual studies is a wide ranging authoritative guide to research on shakespeare and textual studies by an international team of leading scholars it contains chapters on all the major areas of current research notably the shakespeare manuscripts the printed text and paratext in shakespeare s early playbooks and poetry books shakespeare s place in the early modern book trade shakespeare s early readers users and collectors the constitution and evolution of the shakespeare canon from the sixteenth to the twenty first century shakespeare s editors from the eighteenth to the twenty first century and the modern editorial reproduction of shakespeare the handbook also devotes separate chapters to new directions and developments in research in the field specifically in the areas of digital editing and of authorship attribution methodologies in addition the companion contains various sections that provide non specialists with practical help an a z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography the arden research handbook of shakespeare and textual studies is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field an essential companion for all those interested in shakespeare and textual studies

The American Aberdeen-Angus Herd-book 1898

throughout the seventeenth century early modern play readers and playgoers copied dramatic extracts into their commonplace books verse miscellanies diaries and songbooks this is the first book to examine these often overlooked texts which reveal what early modern audiences and readers took literally and figuratively from plays

The Register of the Kentucky Historical Society 1945

this wide ranging and entertaining book explores blank space from incunabula to google books blanks are a paradox simultaneously nothing and something gesturing to what was once there or might be there they are also a creative opportunity for readers as well as writers readers respond to what is not there and writers come to anticipate that response thus blank space develops literary and ludic applications each chapter focuses on one typographical form of what is not there on the page physical gaps chapter one marks of incompleteness such as chapter two and the asterisk as a stand in for things that cannot be said chapter three by looking at the early modern page as a visual unit as well as a verbal unit this volume shows how the relationship between textual layout and textual content is as productive for writers as it is for readers mise en page influences readers in the same way that rhetoric influences readers it is thus possible to speak of the rhetoric of the page

Federal Correctional Institution, Estill 1989

in subjects of advice ivan lupić uncovers the rich interconnectedness of dramatic art and the culture of counsel in the early modern period while counsel was an important form of practical knowledge with concrete political consequences it was also an ingrained cultural habit a feature of obligatory mental moral and political hygiene to be a renaissance subject lupić claims one had to reckon with the advice of others lupić examines this

reckoning in a variety of sixteenth century dramatic contexts the result is an original account of the foundational role that counsel played in the development of renaissance drama lupić begins by considering the figure of thomas more whose influential argument about counsel as a form of performance in utopia set the agenda for the entire century resisting linear narratives and recovering instead the simultaneity of radically different kinds of dramatic experience he shows the vitality of later dramatic engagements with more's legacy through an analysis of the moral interlude staged within sir thomas more a play possibly coauthored by shakespeare more also helps explain the complex use of counsel in senecan drama from the neo latin plays of george buchanan discussed in connection with buchanan's political writings to the historical tragedies of the mid sixteenth century if tyranny and exemplarity are the keywords for early elizabethan drama of counsel for the plays of christopher marlowe it is friendship lupić considers marlowe's interest in friendship and counsel most notably in edward ii alongside earlier dramatic treatments thus exposing the pervasive fantasy of the ideal counselor as another self subjects of advice concludes by placing king lear in relation to its dramatic sources to demonstrate shakespeare's deliberate dispersal of counsel throughout his play counsel's customary link to plain and fearless speech becomes in shakespeare's hands a powerful instrument of poetic and dramatic expression

General Index to the 43 Volumes of The Register of the Kentucky Historical Society, 1903-1945 *1946*

dynamic matter investigates the life histories of renaissance objects eschewing the critical tendency to study how objects relate to human needs and desires this work foregrounds the objects themselves demonstrating their potential to transform their environments as they travel across time and space integrating early modern material theories with recent critical approaches in actor network theory and object oriented ontology this volume extends aristotle's theory of dynamis which conceptualizes matter as potentiality and applies it to objects featured in early modern texts such as edmund spenser's the faerie queene robert hooke's micrographia and william shakespeare's the tempest individual chapters explore the dynamis of matter by examining its manifestations in particular forms combs are inscribed with words and brushed through human hair feathers are incorporated into garments and artwork prince rupert's glasswork drops explode a whale becomes animated by the power of a magical bracelet and books are drowned these case studies highlight the potentiality matter itself possesses and that which it activates in other matter a theorization of objects grounded in renaissance materialist thought dynamic matter examines the richness of things themselves the larger multiple and changing networks in which things circulate and the networks created by these transformative objects in addition to the editor the contributors to this volume include anna riehl bertolet erika mary boeckeler naomi howell emily e f philbrick josie schoel maria shmygol edward mclean test abbie weinberg and sarah f williams

The Rhetoric of the Page *2020-11-03*

this rollicking collection personally selected by the author in collaboration with his editor tom marksbury gathers the best of ed mcclanahan s work making it a must have for both long time fans and newcomers alike comprised of fourteen works i just hitched in from the coast is an admixture of fiction and non fiction memoir and imagination it includes such classics as fondelle or the whore with a heart of gold and the wry essay the day the lampshades breathed chronicling mcclanahan s time in the 1960s in the essentials of western civilization mcclanahan imagines the affairs of assistant professor harrison b eastep ma of arbuckle state in oregon and of the gradual erosion of his dedication to academia weaving together vietnam rock and roll a lackluster counterculture past and the great plague of london this is storytelling at its best by a master of the craft the foremost stylist of the yuppie generation mcclanahan writes with bemused affection he parlays his southern sensibilities and california experiences with a mastery of language to tantalize his readers with musings that are absurd whimsical outrageous and in the words of one reviewer wickedly sharp

Subjects of Advice *2019-09-27*

the relationship between a town and its local institutions of higher education is often fraught with turmoil the complicated tensions between the identity of a city and the character of a university can challenge both communities lexington kentucky displays these characteristic conflicts with two historic educational institutions within its city limits transylvania university the first college west of the allegheny mountains and the university of kentucky formerly state college an investigative cultural history of the town that called itself the athens of the west taking the town collegiate and community culture in lexington kentucky 1880 1917 depicts the origins and development of this relationship at the turn of the twentieth century lexington s location in the upper south makes it a rich region for examination despite a history of turmoil and violence lexington s universities serve as catalysts for change until the publication of this book lexington was still characterized by academic interpretations that largely consider southern intellectual life an oxymoron kolan thomas morelock illuminates how intellectual life flourished in lexington from the period following reconstruction to the nation s entry into the first world war drawing from local newspapers and other primary sources from around the region morelock offers a comprehensive look at early town gown dynamics in a city of contradictions he illuminates lexington s identity by investigating the lives of some influential personalities from the era including margaret preston and joseph tanner focusing on literary societies and dramatic clubs the author inspects the impact of social and educational university organizations on the town s popular culture from the gilded age to the progressive era morelock s work is an enlightening analysis of the intersection between student and citizen intellectual life in the bluegrass city during an era of profound change and progress taking the town explores an overlooked aspect of lexington s history during a time in which the city was establishing its cultural and intellectual identity

United States Official Postal Guide *1876*

between 1599 and 1601 no fewer than five anthologies appeared in print with extracts from shakespeare s works some featured whole poems while others chose short passages from his poems and plays gathered alongside lines on similar topics by his rivals and contemporaries appearing midway through his career these anthologies marked a critical moment in shakespeare s life they testify to the reputation he had established as a poet and playwright by the end of the sixteenth century in extracting passages from their contexts though they also read shakespeare in ways that he might have imagined being read after all this was how early modern readers were taught to treat the texts they read selecting choice excerpts and copying them into their notebooks taking its cue from these anthologies anthologizing shakespeare 1593 1603 offers new readings of the formative works of shakespeare s first decade in print from venus and adonis 1593 to hamlet 1603 it illuminates a previously neglected period in shakespeare s career what it calls his anthology period it investigates what these anthologies made of shakespeare and what he made of being anthologized and it shows how from the

early 1590s his works were inflected by the culture of commonplacing and anthologizing in which they were written and in which shakespeare no less than his readers was schooled in this book ted tregear explores how shakespeare appealed to the reading habits of his contemporaries inviting and frustrating them in turn shakespeare he argues used the practice of anthologizing to open up questions at the heart of his poems and plays questions of classical literature and the schoolrooms in which it was taught of english poetry and its literary inheritance of poetry s relationship with drama and of the afterlife he and his works might win at least in parts

Dynamic Matter 2022-05-03

in the mid nineteenth century the wisconsin historical society s first director lyman c draper gathered outstanding materials such as the daniel boone papers which include draper s interviews with boone s son and the papers of revolutionary war hero george rogers clark these two collections alone are of vast significance to frontier history before 1830 but the full collection comprises nearly five hundred volumes of records including military and government records interviews draper s own research notes and rare personal letters for scholars genealogists and local historians the draper papers offer a wealth of information on the social economic and cultural conditions experienced by our frontier forebears the 180 page index lists thousands of names and is an indispensable guide for all who wish to use the collection which is available in libraries across the country on microfilm

The Strange Career of Bilingual Education in Texas, 1836-1981 2007

at the time of its first settlement in the mid 1600s the new river valley was part of the vast unexplored wilderness stretching from the alleghenies westward to the mississippi river this expansive history by david johnston spanning the years 1654 to 1905 focuses on the early settlements along the new river in the area that encompasses present day mercer and monroe counties west virginia and tazewell and giles counties virginia this volume is first and foremost a chronicle of the people of the middle new river settlements the dangers they faced in their first explorations their roles in the french and indian war and american revolution and their history during and after the civil war dispersed throughout are thumbnail sketches of the early residents of the area

Kentucky Marriage Records 1983

multilingual digital humanities explores the impact of monolingualism especially anglocentrism on digital practices in the humanities and social sciences the volume explores a wide range of applied contexts such as digital linguistic injustice critical digital literacy digital learning digital publishing low resourced minoritised or endangered languages in a digital space and multilingual historical intertextuality these discussions are situated within wider work on language technologies language documentation and international in particular european language based infrastructure creation drawing on both primary and secondary research this four part book features 13 diverse case studies of infrastructural projects pedagogical resources computational models interface building and publishing initiatives in a range of languages including arabic french russian portuguese italian german spanish bengali hindi malayalam and tamil all the debates are contextualised within a wider cultural frame thus bridging the gap between the linguistic focus of the multilingual initiatives and wider discussion of cultural criticism in dh multilingual digital humanities recognizes the digital as a culturally situated and organic multilingual entity embedding past present and future worlds which reacts to and impacts on institutional and methodological frameworks for knowledge creation it is essential reading for students scholars and practitioners working in digital humanities and digital studies
