Black's Law Dictionary 1991

provides definitions of basic legal terms and phrases used in various branches of law throughout english and american history

The Law-dictionary 1797

the essential law dictionary is an essential up to date legal reference containing over 3 000 entries explaining legal language that can often be hard to understand even for lawyers this book focuses on defining the terms that people today are most likely to encounter when dealing with the law the definitions are clear concise and easy to understand whether you are a lawyer a law student or a layperson this handy reference will help you understand the precise meaning of any legal term

The Essential Law Dictionary

2008-06-01

jacob giles a new law dictionary containing the interpretation and definition of words and terms used in the law and also the whole law and the practice thereof under all the heads and titles of the same together with such informations relating thereto as explain the history and antiquity of the law and our manners customs and original government collected and abstracted from all dictionaries abridgments institutes reports year books charters registers chronicles and histories published to this time and fitted for the use of barristers students and practitioners of the law members of parliament and other gentlemen justices of peace clergymen c the fifth edition with great additions and improvements and the law proceedings done into english to which is annexed a table of references to all the arguments and resolutions of the lord chief justice holt in the several volumes of the reports london printed by henry lintot 1744 unpaginated 828 pp printed in

double columns folio 9 x 12 reprinted 2004 by the lawbook exchange ltd isbn 1 58477 376 6 cloth 295 reprint of the fifth edition which was the last published during the author s lifetime as cowley pointed out the new law dictionary first edition 1729 was both jacob s masterpiece and an entirely new departure in legal literature that provided a model for several subsequent efforts in contrast to earlier works each entry summarizes all of the laws relating to the subject and offers extensive interpretive commentary jacob 1686 1744 was also careful to omit obsolete terms it was recognized almost immediately that jacob had created a highly useful legal encyclopedia that was both more detailed and concise than any other abridgment of the period an extremely popular work that went through twelve editions by 1800 it offers unparalleled insights into anglo american law during the eighteenth century cowley a bibliography of abridgements digests dictionaries and indexes to the year 1800 xc xci 244

A New Law-dictionary 2004

burrill alexander m a new law dictionary and glossary containing full definitions of the principal terms of the common and civil law together with translations and explanations of the various technical phrases in different languages occurring in the ancient and modern reports and standard treatises embracing also all the principal common and civil law maxims compiled on the basis of spelman s glossary and adapted to the jurisprudence of the united states with copious illustrations critical and historical new york john s voorhies 1850 1851 two volumes xviii 1099 pp reprinted 1998 by the lawbook exchange ltd lccn 97 38481 isbn 1 886363 32 3 cloth 195 reprint of the first edition a scarce important original american dictionary by a student of james kent burrill 1807 1869 was admitted to the new york bar in 1828 burrill was highly regarded for his legal scholarship dictionary of american biography describes this as a work of very high standard which at once took its place

as perhaps the best book of its kind so far produced all his books were distinguished for their graceful style and a scholarly precision and finish which earned the unstinted commendation of the judiciary in addition their accuracy of statement and definition was fully recognized at the time by the profession at large ii 326

A New Law Dictionary and Glossary

1998

black henry campbell a law dictionary containing definitions of the terms and phrases of american and english jurisprudence ancient and modern and including the principal terms of international constitutional ecclesiastical and commercial law and medical jurisprudence with a collection of legal maxims numerous select titles from the roman modern civil scotch french spanish and mexican law and other foreign systems and a table of abbreviations st paul minn west publishing 1910 1314 pp reprinted 1995 by the lawbook exchange ltd

lccn 97 10320 isbn 1 886363 10 2 cloth 195 the second edition of black s classic dictionary incorporates many new definitions and additional citations to decided cases besides being a thorough revision of previous entries also included are many latin and french terms overlooked in the first edition medical jurisprudence in particular is enriched with new definitions for insanity and pathological and criminal insanity the second edition 1910 is an essential complement to the first edition 1891 as it provides the scholar and student of law important insights into the rapid development of law at the turn of the century the second edition is also notable for its revamped system of arrangement with all compound and descriptive terms subsumed under their related main entries libraries students historians and practitioners will all benefit from this historically significant research tool

A New Law Dictionary 1847

written in plain english webster s new world law dictionary is much easier to understand than typical legal documents clear

concise and accurate definitions of more than 4 000 legal terms coverage of terms from all areas of law including criminal law contracts evidence constitutional law property law and torts common abbreviations foreign words and phrases and a full copy of the united states constitution including the bill of rights and all subsequent amendments in addition to those in the legal field this desk reference is invaluable to journalists researchers lay people dealing with legal issues and even those who simply want to use legal terms correctly in order to make their points more convincingly

**A Law Dictionary Containing Definitions
of the Terms and Phrases of American
and English Jurisprudence, Ancient and
Modern ... 1995**

for nearly 130 years black s law dictionary has been the gold standard for the language of the law the greatly expanded

11th edition with new material on every page is at once the most practical comprehensive scholarly and authoritative law dictionary ever published with clarity and rigor it defines more than 55 000 law related words and phrases recording their historical and present day nuances this edition introduces 3 500 new terms including accountability anticipatory self defense cyber force islamic law jewish law legal moralism legal reasoning moral equality peacekeeping remotely piloted warfare right to rebel and umbrella clause more than 900 latin maxims have been added newly translated and carefully indexed for this edition making black s law dictionary the most thorough and reliable source for these essential and often elusive items headwords are given their dates of earliest known use in english language sources giving dictionary users a greater sense of historical context black s law dictionary is the only legal dictionary to provide such data the extensive bibliography lists the more than 1 000 classics of legal literature that are briefly quoted throughout the dictionary to amplify the user s understanding of legal

terminology each of the more than 6 000 quotations locates a critical and otherwise hard to find explanation of the terms under discussion

Black's Law Dictionary 2019

excerpt from law dictionary use of students and the legal profession the need of an abridged law dictionary which should contain the substance of the unabridged dictionaries is conceded on all sides mr brown s english law dictionary seemed to supply this want in great britain but some changes were required to adapt it to american law and some additions were found desirable to render it complete the american editor has therefore made occasional changes in the text and while in some instances considerable matter has been stricken out as being without usefulness or interest to the american law student yet many new titles have been added and several definitions have been entirely rewritten the new titles are indicated by an asterisk other modifications it has been found impracticable to indicate it has not been the

design to entirely americanize the work but only to conform it to the common law as existing in this country the statutory law of the different states and of the united states could not be embraced within the limits of this work even if that were appropriate in a law dictionary it is believed that the law student will find every thing of value in this little work which can be found in either bouvier s or burrill s large dictionaries and there are some features which are of unusual interest such as the accounts of the english courts and legal institutions which mr brown has furnished in a way unparalleled in any other dictionary the tables of law reports and their abbreviations and the list of legal maxims which are appended to the work by the american editor will be found of great service although the work remains substantially an english law dictionary the american editor is confident that it will be entirely satisfactory to the profession in this country besides possessing the superior merit of illustrating the principle of multum in parvo about the publisher forgotten books publishes hundreds of thousands of rare and classic

books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Law Dictionary *1810*

this early work on law is both expensive and hard to find in its first edition it contains details on the meanings of legal terms and their uses this is a fascinating work and thoroughly recommended for law students many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce we are republishing these classic works in affordable high quality modern editions using the

original text and artwork

***A Law Dictionary, Adapted to the
Constitution and Laws of the United
States of America, and of the Several
States of the American Union 1839***

blount thomas 1618 1679 nomo lexikon a law dictionary interpreting such difficult and obscure words and terms as are found either in our common or statute ancient or modern laws

with references to the several statutes records registers law books charters ancient deeds and manuscripts wherein the words are used and etymologies where they properly occur london printed by thos newcomb for john martin and henry herringman 1670 unpaginated text printed in double columns folio 8 x 12 reprinted 2004 by the lawbook exchange ltd isbn 1 58477 415 0 cloth 140 reprint of first edition blount was a member of the inner temple prohibited to practice at the bar because he was a catholic blount turned to legal scholarship and lexicography blount aimed to correct the defects he found in cowell s interpreter 1607 and rastell s termes de la ley 1523 in his preface he observed that cowell is sometimes too prolix in the derivation of a word setting down several authors opinions without categorically determining which is the true rastell wrote so long hence that his very language and manner of expression was almost antiquated he hoped that by correcting these flaws he would create a dictionary useful to everyone in the profession from the coif to the puny clerk the nomo lexikon is clearer and more detailed than its

predecessors it is also the first english language dictionary with entries that include word etymologies and citations an immediate success that quickly supplanted its predecessors it was reissued in larger and revised editions throughout the eighteenth century

A New Law Dictionary 1792

excerpt from a compendious law dictionary containing both an explanation of the terms and the law itself intended for the use of the country gentleman the merchant and the professional man a dictionary of the laws of england undertaken with the view of arranging properly with regard to matter and method and at the same time compressing into a narrow compass the substance of the many voluminous works written on the statute and common law cannot it is presumed fail to be acceptable to every one in any manner engaged in a practical department of the law about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this

book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
