You're Not Listening

2023-12-22

when was the last time you listened to someone or someonereally listened to you an essential book for our times lori gottlieb new york times bestselling author ofmaybe you should talk to someone a captivating and enlightening book that provides readers with a road map on how to listen and why it is so important to how we connect work and life kim scott new york times bestselling author ofradical candor at work we re taught to lead the conversation on social media we shape our personal narratives at parties we talk over one another so do our politicians we re not listening and no one is listening to us despite living in a world where technology allows constant digital communication and opportunities to connect it seems no one is really listening or even knows how and it s making us lonelier more isolated and less tolerant than ever before a listener by trade new york times contributor kate murphy wanted to know how we got here in this always illuminating and often humorous deep dive murphy explains why we re not listening what it s doing to us and how we can reverse the trend she makes accessible the psychology neuroscience and sociology of listening while also introducing us to some of the best listeners out there including a cia agent focus group moderator bartender radio producer and top furniture salesman equal parts cultural observation scientific exploration and rousing call to action that s full of practical advice you re not listening is to listening what susan cain squiet was to introversion it s time to stop talking and start listening

Leading the Listening Organisation

2011-08-31

how organisations listen learn and adapt to their environment drives success and long term sustainability this book focuses on internal stakeholders and how employers can use the voice of their people to improve decision making innovation and performance it is about why listening to employees matters and how to do it well leading the listening organisation reveals not just the practices and processes that underpin effective

listening but also the leadership characteristics and mindsets necessary to create resilient organisations that feel fair to work in where people want to speak up and where new ideas can flourish it is based on extensive international research with leaders across over 500 organisations before during and after the pandemic the authors bring decades of international experience and expertise in communicating with employees across public private and third sector organisations rich in practical tools processes and working frameworks and brought to life with case studies and insights from leaders and communicators this book provides a complete guide to understanding the barriers to and implementation plans for leading a listening organisation this comprehensive guide will resonate with leadership internal communications human resources and organisational development professionals

Speak Lord, I'm Listening

2019-12-18

jesus said my sheep hear my voice but many christians do not know how to hear from god in this practical story rich guidebook international teacher larry kreider shows believers how to develop a listening relationship with the lord speak lord i m listening explores the multiple ways christians can hear the voice of god in today s world it offers real life examples of how god teaches his followers to listen contains tips in each chapter for distinguishing his voice from the noise of satan s interference christians across the denominational spectrum will develop a closer and deeper relationship with god as they learn fifty unique ways to listen to him you will realize that god was speaking to you all along but like the disciples on the road to emmaus you didn t know it was him

You're Not Listening to Me

2022-06-06

most times in sales people will tell you what they want by the different questions they ask and by their body language while you re presenting to them too often salespeople don t look at these signs or really listen to the prospect the problem with most business people especially salespeople is that they are poor listeners and truly do not realize they they are so bad at it you see they ve been told their whole lives that they have the gift of gab when it truly could be their curse great salespeople are excellent listeners they hear what the customer truly wants and then they give it to them poor sales people consistently misread people they think everyone is a buyer because they haven t learned how to listen or ask questions or are too busy talking in order to have a clue about the other person it helps to understand their listener type asking questions will certainly help but understanding what kind of listener you are as well as the other person will help take your communication to a whole other level as you figure out what type of listener you are and what type of listener you are communicating with this book can help you understand them all better keep in mind that you could be a couple of these different listeners you may not be just one hopefully after understanding yourself and the way you listen you will communicate with everyone in a way that they will truly understand your point much better being a better listener will help you become more liked by others they will think you care more and maybe you will when you both understand each other better as you read through this book please think of yourself and what kind of listener you are also think of the people you communicate most with your boss wife kids co workers etc and about how you can change to communicate better i hope you never find yourself saying you re not listening to me instead i hope that you become an excellent listener and by better understanding the person you are communicating with become a better leader husband wife father mother son daughter and manager let the listening begin

Rhetorical Listening in Action

2019-12-03

rhetorical listening in action a concept tactic approach aims to cultivate writers who can listen across differences in preparation for thinking critically communicating and acting across those differences krista ratcliffe and kyle jensen offer a rhetorical education centered on rhetorical listening as it inflects other rhetorical concepts such as agency rhetorical situation identification myth and rhetorical devices rhetorical listening in action spans classical and contemporary rhetoric reading key concepts through rhetorical listening and supported by scholarship in rhetoric and composition feminist studies critical race studies and intersectionality theory the

book expands on how we think about and negotiate difference and the factors that mediate social relations and competing cultural logics along the way ratcliffe and jensen associate creative and heuristic tactics with clearly defined concepts to give all writers methods for listening rhetorically to and understanding alternative viewpoints for writers new to the concepts of rhetorical listening four appendices show how these concepts illuminate rhetoric language discourse argument writing processes research and style

Radically Listening to Transgender Children

2014-05-08

this book is for early childhood educators committed to learning about gender in justice as a foundation for creating gender affirming early learning environments for all children including those who are transgender and gender expansive tge the authors engage in progressive and contemporary thinking about gender acknowledging its complexity intersectionality diversity and dynamism they draw on miranda fricker s 2007 concepts of testimonial injustice to discuss how young tge children are considered too young to have gender identities or to truly know themselves and hermeneutical injustice to represent the challenges tge children face in educational environments that do not provide them with linguistic or interpretive tools to help them fully understand and communicate about their gender woven throughout the book are the lived experiences and counter stories of tge children and adults that privilege their voices and highlight their right to contribute equally to societal understandings of gender and to access all the tools a given society has available at the time to help them name and understand their own experiences the authors provide discourse conceptual frameworks and concrete strategies educators can use to inspire resistant social imaginations medina 2013 and actions that improve gender justice for our youngest children

Singing on Stage

2015

singing on stage can be a daunting prospect for actors particularly for those who have not sung before yet singing should be an essential part of every actor s toolkit singing on stage an actor s guide gives an insight for the first time into the vocal techniques and practical approaches that have been developed over generations as an integral part of the training at the royal academy of dramatic art jane streeton and philip raymond are highly experienced performers and teachers their book encourages each actor to explore their own authentic voice as opposed to offering a one size fits all or quick fix approach written in an accessible friendly and enabling style singing on stage an actor s guide is packed with exercises to develop the actor s skills and gives an overview of elements of technique how to work on a song the process of singing theatrically how to choose the best songs for you featuring inspirational listening suggestions and the observations of successful performers and practitioners singing on stage an actor s guide is the must have companion for complete beginners as well as for experienced actors who wish to develop their understanding of singing on stage

A Listening Community

2010-06-01

this new book by sister aquinata böckmann discusses the prologue and chapters 1 2 and 3 of the rule of st benedict in a lectio regulae she plumbs the depths of benedict s vision listen the first word of the prologue is a keyword that describes the main stance of the individual monastic the superior and the entire community listening to the scriptures and in them to christ guides individuals and the community on how to run on the way of god s commandments toward the goal of communal life in and with christ the first three chapters of the rule concretize the principles of this communal spirituality of listening the importance of a rule and a pastor for maintaining the community s attentiveness to life the superior s responsibility to listen to individuals within the community and the mutual listening between leader and community members regardless of their age as in her earlier books sister aquinata proves to be a true guide into the spirit of benedict s rule which provides sound principles for listening in common in a community of life

Listening to Salsa

2003-06-15

winner of the mla s katherine singer kovacs prize for an outstanding book published in english in the field of latin american and spanish literatures and culture 1999 for anglos the pulsing beats of salsa merengue and bolero are a compelling expression of latino a culture but few outsiders comprehend the music s implications in larger social terms frances r aparicio places this music in context by combining the approaches of musicology and sociology with literary cultural latino and women s studies she offers a detailed genealogy of afro caribbean music in puerto rico comparing it to selected puerto rican literary texts then looks both at how latinos as in the us have used salsa to reaffirm their cultural identities and how anglos have eroticized and depoliticized it in their adaptations aparicio s detailed examination of lyrics shows how these songs articulate issues of gender desire and conflict and her interviews with latinas os reveal how they listen to salsa and the meanings they find in it what results is a comprehensive view that deploys both musical and literary texts as equally significant cultural voices in exploring larger questions about the power of discourse gender relations intercultural desire race ethnicity and class

The Wisdom of Listening

2015-12-03

in this book the author communicates that there are ways to effectively listen in all circumstances

<u>Listening to God</u>

2010-01-21

does god hear us does god speak how can we connect with god when all seems to be lost what is our role in listening through exploring both biblical characters and teaching the ten studies in this lifeguide bible study helps us understand how to seek and find an ever deeper dialogue with god

Teaching Children to Listen

2014-06-05

increasing numbers of children find it a challenge to stay focused on a task and follow even simple instructions in the classroom teaching children to listen outlines a whole school approach to improving listening skills it begins by looking at why listening skills are important and how to overcome barriers to achieving them before pinpointing the behaviours that children need to learn in order to be a good listener the book includes the listening skills rating scale a quick assessment which will able you to rate children on each of the four rules of good listening advice on using these findings to inform individual education plans that focus on a specific area of difficulty 40 activities including games to target whole class listening and exercises particularly suitable for the early years each activity sets out what equipment you need tips for facilitating and ideas for differentiation perfect for children aged 3 11 all the games and ideas have been tried and tested and have proved successful with children with a range of abilities including those with special needs

<u>Listening to Children</u>

2014-12-11

through a series of exquisite encounters with children and through a lucid opening up of new aspects of poststructuralist theorizing bronwyn davies opens up new ways of thinking about and intra acting with children this book carefully guides the reader through a wave of thought that turns the known into the unknown and then slowly carefully makes new forms of thought comprehensible opening through all the senses a deep understanding of our embeddedness in encounters with each other and with the material world this book takes us into reggio emilia inspired swedish preschools in sweden into the author s own community in australia into poignant memories of childhood and offers the reader insights into new ways of thinking about children and their communities the act of listening as emergent and alive ourselves as mobile and multiple

subjects the importance of remaining open to the not yet known defining research as diffractive and as experimental davies relationship to the teachers and pedagogues she worked with is one of co experimentation her relationship with the children is one in which she explores the ways in which her own new thinking and being might emerge even as old ways of thinking and being assert themselves and interfere with the unfolding of the new she draws us into her ongoing experimentation asking that we think hard all the while delighting our senses with the poetry of her writing and the stories of her encounters with children

Listening to Your Sheep:

2000-03-30

did you see the way that guy acted at that meeting i cant believe someone would act that way in church if you have ever heard or perhaps thought or said something like this listening to your sheep is for you based on more than ten years of research listening to your sheep uses the common biblical image of the people of god as sheep to describe the major types of people who are bound to be in every congregation not only does dr wayne perry describe the sheep and how they are likely to respond in common situations in a congregation he also gives concrete advice the leaders of the congregation can use to work more effectively with these sheep the book begins with some necessary background on listening skills and on the rules by which all human systems from families to congregations to multinational organizations operate with this foundation in place each succeeding chapters describes a particular kind of sheep which will be found in every religious body listening is indeed key to diagnosing each type of sheep as the author points out to diagnose actually means to listen thoroughly dr perry shows how to listen to the words and the actions of the people in the congregation to understand what type of sheep you are working with each chapter also shows what happens when this type of sheep become a shepherd that is when the sheep becomes a leader of the body the results are often fascinating all the more so because the practical suggestions dr perry provides are based on research into and observations

of many different religious groups you are sure to hear someone you know in this book

Listening to Reading

2023-10-11

contends that experimental writing from mallarme stein and cage to contemporary poets of the eighties and nineties can teach us much about how we write and read both poetry and criticism

All Who Will Listen

2016-04-26

in this book you will find stories of overcoming loss and doubt and finding hope and faith you will read about times when god his angels and saints have interacted directly with the contributing authors in critical times of need the reader will find stories from more than thirty writers of various faiths and ages but all with the same goal to share their experiences of struggle and triumph with those who need to find hope joy and direction for their lives these are stories of normal people like those you meet in the grocery store those who cut your hair repair your air conditioner and teach your children these are people who sometimes struggle to pay their bills deal with family difficulties and love to sleep in they are regular people who through god s grace have received guidance cures and answered prayers we must never think that we cannot have such experiences we are all god s children equal in his eyes as you read these pages may god s love and mercy fill you with his grace

Listen Like a Dog

2007

have you ever talked to a dog not just the who s a good boy spike s a good boy stuff but really talked about your struggles your heartaches your joys baring your soul to a canine friend if you have chances are it made you feel free to say whatever you wanted without the burden of justifying your position sounding witty or telling an entertaining story free to take your time without fear of judgment or recrimination even if you can t have a real discussion when compared to conversations with humans you d probably admit that dogs are the better communicators paws down why because even though they don t speak our language they really listen it s time to take a fresh look at listening and we need go no further than the furry best friend at our feet dogs don t interrupt us finish our sentences offer advice try to top our stories or text us instead of talking to us dogs pay extremely close attention to us they study our facial expressions our body language our eye movements and our voice patterns dogs do not just listen with their ears they listen with their entire being true listening can enhance every relationship in one s life and can transform broken associations and inject new life into business and social interactions it is the magic ingredient that forges real connections with others people want good listeners in their inner circle they want do business with them they trust them and will share critical information with them that means the person who masters this skill has enormous advantages both in business and in his or her personal life by listening like a dog readers will find renewed connection and a deeper sense of compassion companionship and understanding with the people in their lives

Why Don't We Listen Better?

2015-07-25

with a light touch and sensible techniques dr jim petersen distills years of counseling and pastoral ministry into an informal volume loaded with practical tips examples and techniques to practice his book highlights our culture s courtroom like communication that often puts people at odds with each other most people think they listen well but don t and folks walk away unheard misunderstood and disconnected readers will chuckle in recognition at the tongue in cheek but spot on flat brain theory of emotions it shows how and why we get upset and confused in tense situations and what to do about it it lays the practical groundwork to better manage emotionally loaded situations this book shows communication that works and is equally appropriate for professionals such as pastors and therapists and for the general public the ingenious talker listener card gives a taking turn method to end arguing as we know it it works for couples business

relationships church listening programs counselors group discussions and the family dinner table listening game thirty listening techniques will help the reader immediately begin to turn enemies into friends poor relationships into decent ones and good relationships into better ones these accessible skills are being used in pastoral counseling classes counseling offices church staffs professional offices on dates in corporate board rooms and at kitchen tables around the country

Just Beyond Listening

2016-08-12

just beyond listening asks how we might think about encounters with sound that complicate standard accounts of aurality in a series of essays michael c heller considers how sound functions in dialogue with a range of sensory and affective modalities including physical co presence textual interference and spectral haunting the text investigates sound that is experienced in other parts of the body altered by cross wirings of the senses weaponized by the military or mediated and changed by cultural practices and memory building on recent scholarship in sound studies and affect theory heller questions not only how sound propagates acoustically but how sonic presences temper our total experience of the world around us

Tep Vol 29-N4

2015-09-29

twenty year old skyler saw the incident out her window some sort of metallic object hovering over the golden gate bridge just before it collapsed and a mushroom cloud lifted above the city like everyone she ran but she couldn t outrun the radiation with her last thoughts being of her beloved baby brother dorian safe in her distant family home flash forward to a post incident america where the country has been broken up into territories and muslims have been herded onto the old indian reservations in the west even though no one has determined who set off the explosion that destroyed san francisco twelve year old dorian dreams about killing muslims and about his sister even though dorian s parents insist skyler never existed are they still shell shocked trying to put the past behind them or is something more sinister going on meanwhile across the street dorian s neighbor adopts a muslim orphan from the territories it will set off a series of increasingly terrifying incidents that will lead to either tragedy or redemption for dorian as he struggles to prove that his sister existed and was killed by a terrorist attack not on fire but burning is unlike anything you re read before not exactly a thriller not exactly sci fi not exactly speculative fiction but rather a brilliant and absorbing adventure into the dark heart of an america that seems ripped from the headlines but just as powerfully it presents a captivating hero a young boy driven by love to seek the truth even if it means his deepest beliefs are wrong

Not on Fire, but Burning

2000-02

primary text for middle school language arts methods courses presents balanced attention to various teaching strategies processes and content demonstrating how all of these connect to improve students abilities to communicate

Teaching Language Arts in Middle Schools

2015-01-01

use the power of curiosity to transform challenging conversations into productive meaningful relationship building experiences at work home or school as leaders parents or teachers navigating difficult conversations is part of the job how do we keep calm and achieve a productive outcome all while keeping our relationships intact the secret is curiosity curiosity is the innovation driving emotion calming skill that comes so naturally to us as children but gets so easily buried beneath our busy multitasking lifestyles the good news is that we simply have to relearn what we already know in the power of curiosity mother daughter executive coaching team kathy taberner and kirsten taberner siggins walk you through the curiosity skills and introduce a step by step process to use anytime but especially when challenging conversations arise in the power of curiosity you ll learn how to be fully present in every conversation even when distractions abound the five listening choices you always have available at home work or school specific calming strategies to access when negative emotions run high a step by step process to transform potential conflict into relationship building opportunities

The Power of Curiosity

2016-10-14

this book first published in 1974 is the story of bbc audience research a behind the scenes activity that has always been the subject of some curiosity it describes the early tentative experiments designed both to develop ways of applying the techniques of social research to broadcasting and to win the confidence of bbc staff the way world war ii which deprived programme planners of many of their familiar landmarks acted as a fillip to audience research which emerged at the end of the war as an established and accepted adjunct to broadcasting is described in detail

Who's Listening?

2009-03-26

seven ingredients for healthy sermon listening seven ingredients for healthy sermon listening why on earth does anyone need a guide on how to listen to sermons don t we simply need to be there and stay awake yet jesus said consider carefully how you listen the fact is much more is involved in truly listening to bible teaching than just sitting and staring at the preacher christopher ash outlines seven ingredients for healthy listening he then deals with how to respond to bad sermons ones that are dull or inadequate or heretical and finally he challenges us with ideas for helping and encouraging our bible teachers to give sermons that will really help us to grow as christians where does the authority of a bible teacher come from why is bible teaching offensive why is it important to hear bible teaching in church how can we actually enjoy bible teaching more these and more are the questions answered by this practical guide which includes effective hands on suggestions for implementing each idea all with the aim of helping us learn how to listen properly so that through his word god will make us more and more christ like we give listen up to all our new members mark dever senior pastor capitol hill baptist church
