on guerrilla gardening is an activist s call to arms to all citizens green fingered green thinking or curious to join the revolution of guerrilla gardening transforming public space into oases of colour and life the enemy neglect apathy and the disintegration of community spirit the arsenal daring a packet of seeds and a passionate commitment to social change when richard reynolds first embarked on guerrilla gardening growing flowers by moonlight outside his tower block he had no idea it was part of a growing global movement committed to cultivating the potential in the land regardless of all obstacles charting the battles fought across thirty different countries and the revolutionary history of this subculture on guerrilla gardening is an inspirational take on gardening in the 21st century

Handbook For Volunteers Of The Irish Republican Army

1996-12-01

the wwii era art of guerilla warfare was a short training pamphlet which informed and influenced the guerrilla warfare training programs for british independent companies commandos home guard stay behind auxiliaries auxunits special operations executive

resistance groups in europe australian and new zealand independent companies
australian services reconnaissance department z special unit allied intelligence
bureau s philippines regional section and finally us office of strategic services the
pamphlet details the organisation and conduct of guerrilla warfare in occupied
territories from the establishment of a guerrilla band to intelligence collection and
dissemination it was influenced not only by colin gubbins own experiences in russia
ireland and india but also by his intensive study of guerrilla warfare in general
from the boer commandos in south africa during the boer war to the guerrilla
operations in the spanish civil war and the then ongoing chinese civil war and sino
japanese war where communist leader mao tse tung was using guerrilla tactics to fight
both the chinese nationalists and the invading japanese the art of guerilla warfare
and its companion volumes the partisan leader s handbook and how to use high
explosives are unique in that they represent the first official british military
doctrine on the conduct of guerrilla warfare against an occupying force this they do
in a brief and to the point manner and if one reads closely it becomes clear that
there is still much wisdom contained within which could be of use to insurgent and
counterinsurgent alike in the modern era the pamphlets in this series are the art of
guerilla warfare the partisan leader s handbook how to use high explosives special
operations executive operational stores handbook

Guerrilla Tactics

throughout all the game of war in every age there has been no task so fascinating so
alive with thrills as that of the scout against an enemy army he plays a lone hand as
does the sniper but the scout s job is not to hide and kill his is to press forward
and see but never be seen and he must return ion idriess s australian guerrilla

manual presents a rare insight into one of the most vital functions of small unit combat intelligence scouting despite great technical achievements in modern military science the small unit commander must still rely heavily on the eyes ears and stealth of his scouts details obscure techniques often overlooked in most u s army and marine scouting texts the sixth book of the australian guerrilla series the scout by ion idriess is now available it is packed with knowledge and bush lore and gives to any soldier who studies it most of the data necessary for the job of scouting with the rest of the series it provides a small compact little work that carried in the haversack is a means of learning as you go hobart mercury 1943
