International Mining and Metallurgical Manual 1942

International Mining and Metallurgical Manual 1942
This manual provides a comprehensive overview of the mining and metallurgical industries in 1942. It covers various aspects of the industry, including the extraction and processing of minerals, the role of different countries, and the challenges faced by the industry at the time. The manual is a valuable resource for anyone interested in the history of mining and metallurgy.

Moody's Manual of Investments: American and Foreign 1939

America's elite counterterrorist organization Delta Force is a handpicked group of the U.S. Army's finest soldiers. The group specializes in hostage rescues and other difficult procedures to protect the lives of Americans throughout the world. Delta uses some of the most sophisticated weapons in the field today, and all are detailed in this book: pistols, sniper rifles, special mission aircraft, fast attack vehicles, scuba and paratrooper gear, and more. Presented in this fully illustrated account are our country's heroes and their tools of the trade.

Moody's Manual of Investments 1971

Covers the franchisor-franchisee relationship. Includes a sample franchise contract.

Electronic Circuits Manual 1981

Electronic Circuits Manual 1981
This manual provides a comprehensive overview of electronic circuits in 1981. It covers various aspects of the industry, including the design and construction of circuits, the role of different components, and the challenges faced by the industry at the time. The manual is a valuable resource for anyone interested in the history of electronic circuits.

Manual of Clinical Pharmacology 1987

The biology of Stylosanthes and its importance in West Africa and Latin America. The screening and evaluation of Stylosanthes germplasm. The dynamics, nutrient requirements, pests, and diseases of Stylosanthes. Species of Stylosanthes based pastures for livestock production. The integration of Stylosanthes into cropping systems. Seed production of Stylosanthes.

CMJ Manual on Government Regulation 1901

Containing papers from the special technical session on earthquake geotechnical engineering. This volume includes coverage of zonation maps, liquefaction, side effects, ground motions, slope instability, seismic behaviour of slopes, dikes and dams, and warning systems.

Poor's Manual of the Railroads of the United States 2008

This is a directory of companies that grant franchises with detailed information for each listed franchise.

Manual de histeroscopia diagnóstica y quirúrgica 2000

Roman identity is one of the most interesting cases of social identity because in the course of time it could mean so many different things. For instance, Greek-speaking subjects of the Byzantine Empire, inhabitants of the city of Rome, autonomous civic or regional groups, Latin speakers under barbarian rule in the West, or increasingly representatives of the Church of Rome. Eventually, the Christian dimension of Roman identity gained ground. The shifting concepts of Romanity represent a methodological challenge for studies of ethnicity because, depending on its uses, Roman identity may be regarded as ethnic in a broad sense, but under most criteria it is not. Romanity is

indeed a test case how an established and prestigious social identity can acquire many different shades of meaning which we would class as civic political imperial ethnic cultural legal religious regional or as status groups this book offers comprehensive overviews of the meaning of romanness in most former roman provinces complemented by a number of comparative and thematic studies a similarly wide ranging overview has not been available so far

Moody's International Manual 1932

labfax volumes are purpose designed data reference books for practicing scientists each book presents the key information for a major subject in one place and so saves hours of searching the authors and editors of each labfax volume have searched the original literature for the accurate data they know the subject specialist needs cellular immunology labfax is a detailed compendium of information on the tissues and cells of the immune system cell lines and hybridomas antigens and receptors the major histocompatibility complex soluble immunoregulatory molecules in vivo procedures important features of species used in immunological research and much more the contents of cellular immunology labfax have been carefully chosen to complement the data presented in immunochemistry labfax it is therefore the companion volume to this text
