## The Story of Deborah 1978

David said to Abigail, "Blessed be your good sense and blessed be you, Samuel 25:32-33." Abigail of Carmel hopes against hope that someday she'll marry and have children, but her family needs her at home for they're in dire straits, so dire in fact that when her brother cannot pay the pitiless man Nabal his gambling debts, Abigail knows she must forgo her dream and to settle the debt convinces her boorish lord to marry her. She has vowed to be a devoted wife, a hard promise to keep when Nabal the fool exiles her to the countryside to herd his sheep, but Abigail begins to love the weathered prairie and its people, particularly David, the warrior son of Jesse who has taken her under his wing. But when David and Nabal come face to face in senseless war, Abigail sees that the tentative peace she's worked for could crumble like the very soil beneath her feet.

1188 sermon suggestions one from every chapter in the bible morgan s expositions sparkle as they enhance bible texts from every chapter in the bible concise and delightfully free of redundancy these selections reveal the master expositor s keen analytical insight into god s word to encourage preachers and bible teachers to develop their own sermon and lesson themes

creatively the author mentions that these are sermon suggestions not sermons or sermon outlines he intentionally left the notes untitled preferring to let the text of scripture be their only caption these penetrating truths firmly anchored in scripture are best described by g campbell morgan himself on every page of the god breathed writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context they are searchlights from the multitude of these i have selected one in each chapter of the bible perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context
