

Free epub The sportsmans library grouse shooting .pdf

this vintage book contains the grouse shooting edition of the sportsman s library and includes information on the history of the sport shooting dogs equipment habits and habitats moor management and much more written in clear plain language and full of handy tips and invaluable information this timeless volume would be of considerable value to those with an interest in the sport and it would make for a great addition to collections of hunting literature the chapters of this book include shooting wildfowl the development of grouse shooting habits and feeding manipulating grouse in the butts pointers and setters shooting dogs moor management distribution and hand reading grouse disease etcetera this antiquarian volume is being republished now in an affordable modern high quality edition complete with a specially commissioned new introduction on hunting wildfowl 100 essential engaging offbeat and occasionally odd fishing and hunting books for the adventurous reader one of 2015 s books of the year in the times and the mail on sunday a hard hitting passionate and well researched book about the conflict between driven grouse shooting and nature conservation in britain with a foreword by chris packham driven grouse shooting where flocks of red grouse are chased by lines of beaters so that they fly over lines of guns that shoot the fast flying birds is a peculiarly british fieldsport it is also peculiarly british in that it is deeply rooted in the british class system this multi million pound business dominates the hills of the north of england the pennines the north yorkshire moors the cheviots and throughout scotland grouse shooting is big business very big business and backed by powerful wealthy lobbying groups its tendrils run throughout british society inglorious makes the case for banning driven grouse shooting the facts and arguments are presented fairly but the author mark avery states from the start why he has after many years of soul searching come down in favour of an outright ban there is too much illegal killing of wildlife such as buzzards golden eagles and most egregiously of all hen harriers and as a land use it wrecks the ecology of the hills however grouse shooting is economically important and it is a great british tradition all of these and other points of view are given fair and detailed treatment and analysis and the author talks to a range of people on different sides of the debate the book also sets out avery s campaign with chris packham to gain support for the proposal to ban grouse shooting culminating in hen harrier day timed to coincide with the glorious 12th this new paperback edition includes new material on what went on in 2015 including the devastating floods of that winter bringing the story right up to date mark avery continues to stir up a debate about fieldsports the countryside and big business in a book that all british conservationists will want to read in this book the author looks back at 56 years of personal experiences with his own pointers and setters and those of members of the research team that he came later to lead they studied the population biology territorial behaviour habitats and environment of red grouse and ptarmigan in scotland the joint achievements of men and dogs elicited a fresh understanding of populations and behaviour of animals in general drawing international attention and recognition to the human workers it is time to sing for recognition of the dogs because the human achievements would have been immeasurably less had the faithful

dogs not joined them to form a crucial inspirational partnership the author tells of that partnership its development and fruition the book is mainly the author s personal account describing how the human workers gradually gained insight and experience that made the partnership ever more effective because the author s dogs lived with him and his family and the others in the team who had dogs usually kept them at home part of the book tells of these relationships personal anecdotes and humorous events enliven the text the author knew some other workers who used dogs to aid their research on wild animals and visited them in canada usa and norway also he was in close touch with other colleagues who used dogs for wildlife research in france and northern italy a valuable international aspect to the book has been contributed by a few of these colleagues numerous photographs illustrate the text showing dogs and men in fieldwork together and apart as well as portraits of both hunters shooters researchers and dog enthusiasts in general will enjoy and appreciate this book this is edward breck s 1908 outdoor sports handbook the way of the woods originally intended for sportsmen in north eastern unites states and canada it has chapters on hunting cougars grizzly bears and other fauna native to that part of the world it also deals with many other aspects of hunting from photography to trapping making it ideal for anyone with an interest in the sport contents include cookery cooking kits making camp woodcraft nature protection fishing sporting firearms deer hunting caribou hunting the game of the north west elk antelope mountain sheep mountain goat grizzle bear cougar game birds trapping photography etc many vintage books such as this are becoming increasingly scarce and expensive we are republishing this volume now in an affordable high quality modern edition complete with the original text and images the modern shooter containing practical instructions and directions for every description of inland and coast shooting in 1859 the western united states was still huge wild and open englishman grantley berkeley decided to have a hunt there and so embarked on an adventure very few of his countrymen would ever even contemplate enlisting the services of americans this plucky old countryman got to live out his fantasy of adventure on the high plains camping in the open hunting enormous herds of buffalo shooting other game and living the life and he manages to tell the tale with great humor humour and keen observation of american social life habits and scenery amazon com field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations includes its report 1896 19

The Sportsman's Library – Grouse Shooting 2013-04-18 this vintage book contains the grouse shooting edition of the sportsman's library and includes information on the history of the sport shooting dogs equipment habits and habitats moor management and much more written in clear plain language and full of handy tips and invaluable information this timeless volume would be of considerable value to those with an interest in the sport and it would make for a great addition to collections of hunting literature the chapters of this book include shooting wildfowl the development of grouse shooting habits and feeding manipulating grouse in the butts pointers and setters shooting dogs moor management distribution and hand reading grouse disease etcetera this antiquarian volume is being republished now in an affordable modern high quality edition complete with a specially commissioned new introduction on hunting wildfowl

Sportsman's Library 2013-04-02 100 essential engaging offbeat and occasionally odd fishing and hunting books for the adventurous reader

The Sportsman's Library 1845 one of 2015's books of the year in the times and the mail on sunday a hard hitting passionate and well researched book about the conflict between driven grouse shooting and nature conservation in britain with a foreword by chris packham driven grouse shooting where flocks of red grouse are chased by lines of beaters so that they fly over lines of guns that shoot the fast flying birds is a peculiarly british fieldsport it is also peculiarly british in that it is deeply rooted in the british class system this multi million pound business dominates the hills of the north of england the pennines the north yorkshire moors the cheviots and throughout scotland grouse shooting is big business very big business and backed by powerful wealthy lobbying groups its tendrils run throughout british society inglorious makes the case for banning driven grouse shooting the facts and arguments are presented fairly but the author mark avery states from the start why he has after many years of soul searching come down in favour of an outright ban there is too much illegal killing of wildlife such as buzzards golden eagles and most egregiously of all hen harriers and as a land use it wrecks the ecology of the hills however grouse shooting is economically important and it is a great british tradition all of these and other points of view are given fair and detailed treatment and analysis and the author talks to a range of people on different sides of the debate the book also sets out avery's campaign with chris packham to gain support for the proposal to ban grouse shooting culminating in hen harrier day timed to coincide with the glorious 12th this new paperback edition includes new material on what went on in 2015 including the devastating floods of that winter bringing the story right up to date mark avery continues to stir up a debate about fieldsports the countryside and big business in a book that all british conservationists will want to read

The Sportsman's Library 1845 in this book the author looks back at 56 years of personal experiences with his own pointers and setters and those of members of the research team that he came later to lead they studied the population biology territorial behaviour habitats and environment of red grouse and ptarmigan in scotland the joint achievements of men and dogs elicited a fresh understanding of populations and behaviour of animals in general drawing international attention and recognition to the human workers it is time to sing for recognition of the dogs because the human achievements would have been immeasurably less had the faithful dogs not joined them to

form a crucial inspirational partnership the author tells of that partnership its development and fruition the book is mainly the author s personal account describing how the human workers gradually gained insight and experience that made the partnership ever more effective because the author s dogs lived with him and his family and the others in the team who had dogs usually kept them at home part of the book tells of these relationships personal anecdotes and humorous events enliven the text the author knew some other workers who used dogs to aid their research on wild animals and visited them in canada usa and norway also he was in close touch with other colleagues who used dogs for wildlife research in france and northern italy a valuable international aspect to the book has been contributed by a few of these colleagues numerous photographs illustrate the text showing dogs and men in fieldwork together and apart as well as portraits of both hunters shooters researchers and dog enthusiasts in general will enjoy and appreciate this book

The Sportsman's Library; Or, Hints on the Hunter--hunting--hounds--shooting--game--sporting--dogs--fishing--&c., &c 1846 this is edward breck s 1908 outdoor sports handbook the way of the woods originally intended for sportsmen in north eastern unites states and canada it has chapters on hunting cougars grizzly bears and other fauna native to that part of the world it also deals with many other aspects of hunting from photography to trapping making it ideal for anyone with an interest in the sport contents include cookery cooking kits making camp woodcraft nature protection fishing sporting firearms deer hunting caribou hunting the game of the north west elk antelope mountain sheep mountain goat grizzle bear cougar game birds trapping photography etc many vintage books such as this are becoming increasingly scarce and expensive we are republishing this volume now in an affordable high quality modern edition complete with the original text and images

Inglorious 2015-07-30 the modern shooter containing practical instructions and directions for every description of inland and coast shooting

The Sportsman 1979 in 1859 the western united states was still huge wild and open englishman grantley berkeley decided to have a hunt there and so embarked on an adventure very few of his countrymen would ever even contemplate enlisting the services of americans this plucky old countryman got to live out his fantasy of adventure on the high plains camping in the open hunting enormous herds of buffalo shooting other game and living the life and he manages to tell the tale with great humor humour and keen observation of american social life habits and scenery amazon com
