thank you for the opportunity to read your book i found it refreshing here is my review word of expressions on a page is a true love story seen through the eyes of one woman here these are expressed in the form of poetry and short stories i was thoroughly surprised at how completely ms thompson covered the subjects she chose to address love marriage and life ironically as a poet i often find the views of others on these particular topics more than interesting the style of writing in this volume is brisk there is very little flowery wordplay ms thompson is quick and to the point with her word imagery contained within more than 150 pages to enchant you this is refreshing to me two of my favorite poems are i and a mixture i have many others i certainly recommend this book to anyone who wants a fresh perspective on relationships both the good and the bad it doesn't get any clearer than this lj thomas asoral publishing p s i love the candid picture of you sprinkled throughout the volume nice touch photo by vanessa vanney thompson

what is the meaning of our existence from a human perspective life may seem chaotic and full of contradictions however these contradictions are not at odds with each other but rather they complement one another life doesn't recognize individuals it recognizes our souls and our presence in the world the days turn into nights and the nights turn into days and in an instant light and darkness become one our purpose as three dimensional beings is to be awake and aware but we often get lost in our own world and forget the essence of life

to gain more insight and understanding it s better to start from the surface we must accept where we are and delve into the subtlety that the surface holds by exploring the depths of the surface you will find peace within yourself from your body to your actions in these letters i hope to awaken humanity to the realization that without contradictions there can be no peace by accepting our contradictions we can find relaxation in our bodies and behaviours and ultimately find reconciliation with our inner selves remember you are a god
