enticed these women with offers of a solid relationship and a lucrative job persuading them to move to his hometown once they arrived in kansas the women invariably disappeared after a dramatic trial douglas the legendary fbi criminal profiler 1 new york times bestselling author and inspiration for the netflix show mindhunter comes a chilling journey inside the mind and crimes of larry gene bell one of the most dangerous serial killers douglas confronted and the desperate effort to identify and catch him on may 31 1985 two days before her high school graduation shari smith was abducted from the driveway of her family home in south carolina based on the crime scene and the abductor s repeated and taunting calls to the family law enforcement quickly realized they were dealing with a sophisticated and highly dangerous criminal a letter arrived the next day entitled last will testament in which shari knowing she was to be murdered wrote bravely and achingly of her love for her parents siblings and boyfriend saying that while they would miss her she knew they would persevere through their faith the abduction rocked her quiet town triggering a massive manhunt and bringing in the fbi which enlisted profiler john douglas a few days later a phone call told the family where they could find shari s body then nine year old debra may helmick was kidnapped from her yard confirming the harsh realization that smith s murder was no random act a serial killer was evolving and the only way to stop him would be to use the study of criminal behavior to anticipate his next move before he could kill again douglas devised a risky and emotionally fraught strategy to use shari s lookalike older sister dawn as bait to draw out the unknown subject dawn and her parents
