Federal Information Collection: A Reexamination of the Portfolio of Major Federal Household Surveys is Needed 1998 basically a specialist on africa ohaegbulam introduces us foreign policy emphasizing how policy making is accomplished in the complex domestic and external settings he surveys the development and characteristic patterns stressing the central themes and global experience especially since world war ii he finds that no grand strategy has replaced the cold war framework and that a number of approaches are contending for dominance annotation copyrighted by book news inc portland or

FCC Record 1896 much has been written about the usa patriot act and the controversy that surrounds this far reaching legislation has also generated a great deal of confusion and uncertainty about its impact and importance in the war on terrorism as professor kam c wong notes in this important contribution to the literature there is little scholarly research on the legislation implementation and impact of the act undoubtedly few americans are actually aware of most of the details in the act or its implications in a free society the events of september 11 2001 in attacks on the world trade centre and the pentagon prompted a unique response by congress in passing a series of wide reaching laws expanding the powers of law enforcement and the judiciary of particular concern to many are the requirements of public and private organisations to provide information in connection with homeland security that is considered intrusive and in violation of privacy rights ultimately it will be many years before the actual impact of the patriot act can be assessed in this new and important book professor wong provides a critical analysis of the legislation and its capacity for abuse
