Women in India 1992 description women in india gives the reader an overflow of the indian women from ancient times to the present day the first part deals with the historical status of the women to the middle of the nineteenth century when india became a colony of the british crown the second part deals with the native indian organizations which emerged in the first half of the nineteenth century to meet the challenge of the british missionaries then the focus is shifted to the five year plans in the post independence period with special reference to programmes for women the third part of the book deals with a history of women organizations in india from the early nineteenth century to the present day with a special coverage of the all india women conference or aiwc the conclusions reveal the personal observations of the author who was raised in india and migrated to the u s a in 1960 at the age of twenty one her cross cultural background has enabled her to provide a unique perspective about the present position of indian women

Religion in India 2007-01-24 religion in india is an ideal first introduction to india s fascinating and varied religious history fred clothey surveys the religions of india from prehistory and indo european migration through to the modern period exploring the interactions between different religious movements over time and engaging with some of the liveliest debates in religious studies he examines the rituals mythologies arts ethics and social and cultural contexts of religion as lived in the past and present on the subcontinent key topics discussed include hinduism its origins and development over time minority religions such as christianity judaism islam sikhism zoroastrianism jainism and buddhism the influences of colonialism on indian religion the spread of indian religions in the rest of the world the practice of religion in everyday life including case studies of pilgrimages festivals temples and rituals and the role of women written by an experienced teacher this student friendly textbook is full of clear lively discussion and vivid examples complete with maps and illustrations and useful pedagogical features including timelines a comprehensive glossary and recommended further reading specific to each chapter this is an invaluable resource for students beginning their studies of indian religions

The Land and Labour of India 1867 in india the caste system is a natural organizing principle wherein differences are embraced rather than ignored dani□u explores this seldom heard side of the caste debate and argues effectively in its favor this rare collection of the late author s writings contains previously unpublished articles and examines the structure of indian society before and after western colonialism

India: A Civilization of Differences 2005-07-05 born in india in 1937 michael foss s childhood was spent between the cold grey austerity of britain under threat and the brightly lit and teeming vitality of wartime india here beautifully evoked is a childhood spent amongst grudging and unloving english relations a sufferance of cruelly harsh schooling a bleak dank landscape and a sense of permanent cold and a savage hunger even for dreadful food all of this was suddenly changed for the sub continent s jumble of conflicting sights and sounds and smells the vital stinking hot noisy crowded streets the calm quiet grace of moghul architecture the ancient hindu kingdoms reduced to stones amid the roots of trees the monumental victorian buildings that echoed british power the attitudes of the raj the self conscious majesty and pomp

Out of India 2012-01-06 with special reference to kerala

Problems of Higher Education in India 2016-11 study conducted in the north east india

Once Upon a Time in India 2011 the fast consolidating identities along religious and ethnic lines in recent years have considerably minoritised muslims in india the wide ranging essays in this volume focus on the intensified exclusionary practices against indian muslims highlighting how amidst a politics of violence confusing policy frameworks on caste and class lines and institutionalised riot systems the community has also suffered from the lack of leadership from within at the same time indian muslims have emerged as a mass around which the politics of vote bank appeasement foreigners pakistanis within the country and so on are innovated and played upon making them further apprehensive about asserting their legitimate right to development the important issues of the double marginalisation of muslim women and attempts to reform the muslim personal law by some civil society groups is also discussed contributed by academics activists and journalists the articles discuss issues of integration exclusion and violence and attempt to understand categories such as identity minority multiculturalism and nationalism with regard to and in the context of indian muslims this second edition with a new introduction will be of great interest to scholars and researchers in sociology politics history cultural studies minority studies islamic studies policy

studies and development studies as well as policymakers civil society activists and those in media and journalism

Marginalization of Gorkhas in India 2018-01-10 this volume decentres the view of urbanisation in india from large agglomerations towards smaller urban settlements it presents the outcomes of original research conducted over three years on subaltern processes of urbanization the volume is organised in four sections a first one deals with urbanisation dynamics and systems of cities with chapters on the new census towns demographic and economic trajectories of cities and employment transformation the interrelations of land transformation social and cultural changes form the topic of the land society belonging section based on ethnographic work in various parts of india karnataka himachal pradesh arunachal pradesh and tamil nadu a third section focuses on public policies governance and urban services with a set of macro analysis based papers and specific case studies understanding the nature of production and innovation in non metropolitan contexts closes this volume finally though focused on india this research raises larger questions with regard to the study of urbanisation and development worldwide

Lives of Muslims in India 2017-03-01 india has been experiencing a significant transition as the new generation born after the economic reforms in 1991 has emerged as a main player in the indian society now in their 20s and 30s this generation has different attitudes and preferences toward religion politics and consumption from their parents as a result the country is also witnessing rapid changes this book seeks to explore great transition in india through interdisciplinary and multidisciplinary perspectives related to digital india foreign policy and social identity including caste it attempts to lay foundation for understanding india and will be of great interest to students researchers and for anyone is interested in india

Subaltern Urbanisation in India 2023-03-14 excerpt from lighted to lighten the hope of india a study of conditions among women in india the central committee sends out this book on indian girlhood to meet the young women of america with their high privilege of education that often unrealized and unacknowledged gift of christ miss van doren has given emphasis in the book to the privileged young woman of india she shows the possibilities and yet you will see in it something of the black shadow cast by that religion which holds no place for the redemption of woman if you could see it in its hideousness which the author can only hint at you would say as two american college girls said after a tour through india we cannot endure it don t take us to another temple we never dreamed that anything under the guise of religion could be so vile and somehow there has seemed to them since a note of insincerity in poetic phrasings of hindu writers who pass over entirely gross forms of idolatrous faith to indulge in noble sentiments which suggest plagiarism a distinguished author said recently i can never read tagore again after seeing the women of india from sacred temple slums of south india to shambles of kalighat it is revolting sickening shameful about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Great Transition In India: Issues And Debates 2015-07-11 a free open access ebook is available upon publication learn more at luminosa.org today the majority of the world s population lives in a country with falling marriage rates a phenomenon with profound impacts on women gender and sexuality in this exceptionally crafted ethnography sarah lamb probes the gendered trend of single women living in india examining what makes living outside marriage for women increasingly possible and yet incredibly challenging featuring the stories of never married women as young as 35 and as old as 92 the book offers a remarkable portrait of a way of life experienced by women across class and caste divides from urban professionals and rural day laborers to those who identify as heterosexual and lesbian to others who evaded marriage both by choice and by circumstance for women in india complex social cultural and political economic contexts are foundational to their lives and decisions and evading marriage is often an unintended consequence of other pressing life priorities arguing that never married women are able to illuminate their society s broader social cultural values lamb offers a new and startling look at prevailing systems of gender sexuality kinship freedom and social belonging in india today

Lighted to Lighten 2022-06-14 excerpt from labour in india a study of the conditions of indian women in modern industry india is passing through a time of strain and it is inevitable that attention should centre on the more obvious causes of unrest while this is so changes that will have great influence on her future are going on almost unnoticed mining areas are being enlarged and new mills are being built the congestion of thousands of workers

in limited areas is increasing many who are alive to the urgency of agricultural and village problems have not realized that in certain localities the industrial development is one side and not an unimportant side of the village problem as that exists to day since the meetings of the washington labour conference in 1919 indian labour has been definitely linked up with inter national labour not only within the boundaries of hindustan but throughout the world its influence will be felt through the gates of modern industry pioneer groups of outcastes finding their way to emancipation take their first steps on the path to self respect and independence and their eventual influence on the future of india will be coloured by their experiences on the journey about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Being Single in India 2017-05-21 have neoliberal policies truly yielded beneficial effects for india two decades of market reform in india presents a collection of essays that challenge the conventional wisdom of indian market reforms examining the effects of neoliberal policies enacted by the indian government and exploding the myths that surround them in particular the volume questions the perceived benefits of india s reform policies in the areas of growth agriculture industry and poverty alleviation and examines how the government s focus on preventing a fiscal deficit caused a large scale decline in development expenditures which in turn has had a negative impact on the well being of the poor with its rich and insightful analysis two decades of market reform in india bravely shines a light on the true implications of india s neoliberal governmental policies and provides a revealing indication of how policy reform since 1991 has at times detrimentally affected the general populace of india

Labour in India 1870 nativo dello yorkshire e giunto in india a diciassette anni william dalrymple descrive con straordinario talento un percorso attraverso il subcontinente indiano che fa percepire tutti i sapori di un territorio immenso e variegato con in india lo scrittore anglosassone narra quattro anni trascorsi a pellegrinare per uno stato che assomiglia a un universo parallelo dalle fortezze dei signori della droga sulla frontiera nord occidentale alle giungle delle tigri tamil dai cocktail party di bombay al kerala del tempio dedicato alla dea para sakti colei che siede sul trono di cinque cadaveri È il ritratto di un india contraddittoria sospesa tra tradizioni ataviche modello occidentale e minaccia del caos I india dell età di kali quella che precede la distruzione del mondo per mezzo del fuoco di mille soli un racconto affascinante che ha conquistato il mondo

Debt Management in India 2021-10-14 annotation volume 9 florence nightingale on health in india is the first of two volumes reporting nightingale s forty years of work to improve public health in india it begins with her work to establish the royal commission on the sanitary state of the army in india for which she drafted questionnaires analyzed returns and did much of the final writing going on to promote the implementation of its recommendations in this volume a gradual shift of attention can be seen from the health of the army to that of the civilian population famine and epidemics were frequent and closely interrelated occurrences to combat them nightingale recommended a comprehensive set of sanitary measures and educational and legal reforms to be overseen by a public health agency skilful in implementing the expertise influence and power of others she worked with her impressive network of well placed collaborators having them send her information and meet with her back in london the volume includes nightingale s work on the royal commission itself related correspondence numerous published pamphlets articles and letters to the editor and correspondence with her growing network of viceroys governors of presidencies and public health experts working with british collaborators she began this work over time nightingale increased her contact with indian nationals and promoted their work and associations

The Practice of History in India 2018-11-11 derrick j widmer a swiss attorney at law was a senior executive with a large swiss international cement group his installation as the first president of the swiss indian chamber of commerce in 1985 was a key propeller for his deliberate interest in the affairs of india this position granted him the privilege and honor to come in close proximity and touch with some of the most distinguished men and women of india from diverse streams of life they lit his desire and penchant to know more and more about india s geopolitical economic cultural and social figuration his personal friendship with ratan tata that remained staunch stemming from his days at the harvard business school has been yet another contribution factor behind his inspiration to write this book ever since he set foot on this country an inexplicable fondness took birth within him this book is dedicated to all those steadfast friends particularly in india and switzerland it targets anyone who is curious to know or see how an uninhibited foreigner unveils india from 1965 2020 he has seen india gradually turning from an insanely regulated to a reasonably liberal market driven economy and presently a leading global player

The Western Educated Man in India a Study of His Social Roles and Influence 2011 the social sciences have been heavily influenced by modernization theory focusing on issues of economic growth political development and social change in order to develop a predictive model of linear progress for developing countries following a western prototype under this hegemonic paradigm of development the world tends to get divided into simplistic binary oppositions between the west and the rest us and them and self and other proposing to shift the discussion on what constitutes the other as opposed to the self from philosophy and cultural studies to the social sciences this book explores how the structural asymmetries existing between western discourses and the realities of the non western world manifest themselves in the ideas institutions and socio political practices of india and china and in how far they shape the social scientist s understanding of their discipline in general it provides a counter narrative by revealing the relativity of geographies and by showing that the conventional presentation of core elements of the asian socio political set up as aberrations from the western models fails to acknowledge their inherent strategic character of adapting western concepts to meet local requirements drawing on multiple disciplines concepts and contexts in india and china the book makes a valuable contribution to the theory and practice of politics as well as to international and asian studies

Writings on Human Rights, Law, and Society in India 2001 the indian economy has come a long way from her image as a poor and closed economy that was acquired probably during the british rule the largest economy of the world at the dawn on christian era india s gdp was higher than china western europe and fiv

Florence Nightingale on Health in India 2021-07 first published in 1970 the novel in india traces the birth and development of prose fiction in bengali marathi urdu hindi tamil and malayalam it is addressed not only to academic students of asian culture but to all who are interested in literary history india and pakistan have many great literatures but they are almost unknown beyond their own boundaries language is a formidable barrier and this book is

offered in the hope that it can bridge the cultural divide that language has created it has a fascinating story to tell of the endeavours experiments and achievements of writers who deserve to be better known outside their native land

Incredible India 1907 the sort of critical awareness necessary to actually enrich discussions of civil society rather than contribute to its elusiveness pervades through the book professor vedi r hadiz asia institute university of melbourne australia introduces readers to the dynamics shaping the complex relationship between csos and the state in today s india and bangladesh professor sarah ansari royal holloway university of london this volume should be a compulsory read for everyone who is interested in contemporary contests in the civil society space in south asia professor amit prakash centre for the study of law and governance jawaharlal nehru university new delhi this edited anthology is a timely and an important contribution to the scholarship on civil society and citizenship particularly in south asia associate professor mohammad salehin centre for peace studies the arctic university of norway norway civil society and citizenship in india and bangladesh presents new multidisciplinary research exploring the opportunities and challenges facing civil society in today s india and bangladesh it informs contemporary understanding of citizenship gender rights and social identities and is published at a time of increased global uncertainties related to changing civic space political tensions a downturn in the world economy and the rise of populism india and bangladesh are key contexts not the least because of rapid and uneven economic and social development but their contrasting experiences of democracy and discrimination and inequality faced by different groups and communities this new multidisciplinary title presents new research findings that also contribute to theory building on the form functioning and democratic role of civil society in the 21st century

"Unrest in India." 2016-02-22 this book collects fifteen essays and book sections written over thirty years about the jesuits in india the volume looks back into this long missionary history but asks as well how ought interreligious learning take place in the 21st century

Politics of the 'Other' in India and China 2019 john lockwood kipling art teacher illustrator museum curator and father of the famous writer rudyard kipling presents a collection of facts and fiction about the animals of india and their relations with the people the book contains chapters about birds and monkeys cows and horses elephants and camels cats and dogs in everyday life and their appearance in art and the supernatural illustrated with many pictures mostly drawn by the author himself reprint of the 1904 edition

Life in India 2005 shakuntala is a young indian woman who returns to post independence delhi from oxford university sketching a gallery of fascinating and distinctive characters against a rich background she draws the contrast between two very different families and their daily lives their squabbles their politics their love affairs their expectations she brings to life the nostalgic englishman esmond stillwood also the beautiful gulab and her son ravi the elderly uma and shakuntala s family and the neighbours ram nath and lakshmi a master of both the comic and the serious ruth praver jhabvala has constructed a richly ripe indian comedy of manners she strips bare that certain section of affluent indian society which is particularly vulnerable to the seductions of an imperial presence and brilliantly and wittily crystallizes some of the confusions that bedevilled india at the dawn of independence

Re-emerging India 2022-09-01 the two most interesting governments in the world are those of india and china together they control the lives and well being of 2 3 billion people bingmans book analyzes their similarities and critical differences both remain heavily linked to their farms and villages but in both the future is in the cities bingman analyzes their new economic policies the rise of new middle classes and their disturbing inability to provide adequate social services both are struggling with seriously flawed governments china remains a top down tyranny indias government is bottom up and wildly chaotic
