Millard Fillmore

2010-01-26

from the time he left office in 1853 president millard fillmore has become increasingly shrouded in mystery and stereotyped by anecdotes with slender connections to facts the real fillmore was not the weak and boring figurehead many americans believe he was this account of fillmore s life is drawn largely from his family s personal papers many of which have previously been suppressed or were unavailable or believed lost it presents fillmore as his own letters do and as his friends family members and contemporaries saw him as a distinguished and honorable man who was also a strong and effective president this comprehensive work includes photographs a genealogy of the fillmore family a chronology a bibliography and an index

Millard Fillmore: Biography Of A President

2015-11-06

professor robert j rayback s history of millard fillmore is still the best biography of the 13th president of the united states in one of the many unexplained unfortunate quirks of history most of the official papers of fillmore s administration were destroyed by his son scholars have consequently been denied the source material which is so essential to examining and gaining insight into the underlying truth of a presidency regarding fillmore the few records that do survive can only be compiled piecemeal a laborious task which few have had the stamina to undertake thus is the historical importance of robert j rayback s authoritative biography which gives documented substance to fillmore and his three years in office thoughtful and objective rayback s balanced portrayal lauds fillmore s astuteness as in sending matthew perry to open japan to trade and assays his faults such as agreeing to run on the know nothing ticket in 1856 we see as john lord o brian former regent of the university of the state of new york noted a devoted patriot who in all activities sought guidance from his own conscience during the critical events of the mid nineteenth century julius pratt of the university of buffalo concludes from the book that without fillmore there could have been no lincoln print ed

Biography of Millard Fillmore

1856

millard fillmore began his presidency on july 10 1850 immediately passing the fugitive slave act and forever damaging his political career abolitionists and antislavery politicians were appalled and in 1852 fillmore was denied nomination for a second term four years later he campaigned again for the presidency to no avail as the decade came to an end millard fillmore was no more than an obscure name in history today historians are finding new interest in fillmore and his politics on slavery many believed he tolerated injustice for what he perceived was the greater good in this comprehensive bibliography students will find citations and sources for information on millard fillmore s childhood and personal life presidency and post presidential career students can easily access specific information through the table of contents and author and subject indexes

BIOGRAPHY OF MILLARD FILLMORE

2018

the oddly named president whose shortsightedness and stubbornness fractured the nation and sowed the seeds of civil war in the summer of 1850 america was at a terrible crossroads congress was in an uproar over slavery and it was not clear if a compromise could be found in the midst of the debate president zachary taylor suddenly took ill and died the presidency and the crisis now fell to the little known vice president from upstate new york in this eye opening biography the legal scholar and historian paul finkelman reveals how millard fillmore s response to the crisis he inherited set the country on a dangerous path that led to the

civil war he shows how fillmore stubbornly catered to the south alienating his fellow northerners and creating a fatal rift in the whig party which would soon disappear from american politics as would fillmore himself after failing to regain the white house under the banner of the anti immigrant and anti catholic know nothing party though fillmore did have an eye toward the future dispatching commodore matthew perry on the famous voyage that opened japan to the west and on the central issues of the age immigration religious toleration and most of all slavery his myopic vision led to the destruction of his presidency his party and ultimately the union itself

Millard Fillmore

2002-06-30

Life of Mr. Fillmore

1858

a biography of the thirteenth president of the united states discussing his personal life education and political career

Yo, Millard Fillmore! (2021 edition)

2021-03-23

millard fillmore has been mocked maligned or most cruelly of all ignored by generations of historians but no more this unbelievable new biography finally rescues the unlucky thirteenth u s president from the dustbin of history and shows why a man known as a blundering arrogant shallow miserable failure was really our greatest leader in the first fully researched portrait of fillmore ever written the reader can finally come face to face with a misunderstood genius by meticulously extrapolating outrageous conclusions from the most banal and inconclusive of facts the remarkable millard fillmore reveals the adventures of an unjustly forgotten president he fought at the battle of the alamo he shepherded slaves to freedom on the underground railroad he discovered gold in california he wrestled with the emperor of japan it is a list of achievements that puts those of washington and lincoln completely in the shade refusing to be held back by established history or recorded fact here george pendle paints an extraordinary portrait of an ordinary man and restores the sparkle to an unfairly tarnished reputation

Millard Fillmore

2011-10-01

arguably our most obscure president and generally judged mediocre at best millard fillmore came to the presidency in july 1850 when his predecessor zachary taylor unexpectedly died despite his relative anonymity fillmore was thrust into the nations greatest historical argument the great debate concerning the future of slavery in the republic with considerable political aplomb he helped guide the passage of the measures collectively known as the compromise of 1850 including the sensitive and controversial fugitive slave act rather than resolve the agitation these measures gave way to a decade of rancorous conflict which brought about the civil war this interpretative study seeks to understand why this president remained anchored to a past that was no longer effective in his own time

The Life and Public Services of Millard Fillmore

2010

excerpt from the life and public services of millard fillmore in presenting to the public the life of so distinguished a man as the subject of this memoir the publishers deem it unnecessary to offer any apology for its appearance either politically or generally as it is not the object of this publication to inculcate the peculiar principles or views of any party the subject matter has been carefully and thoroughly prepared by the author after having had free access to every aid necessary to render the work authentic and reliable american citizens have always evinced much interest in the history of those men whose public course has reflected credit on the times in which they have lived and especially when such men have risen from the humble walks of life to the highest and most honorable position in the gift of an intelligent and enterprising people about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Millard Fillmore papers. Volume 1

1907-01-01

the 1852 state of the union address was given by the 13th president of the united states millard fillmore it was spoken to the 32nd united states congress by a clerk not the president excerpt besides affording to our own citizens a degree of prosperity of which on so large a scale i know of no other instance our country is annually affording a refuge and a home to multitudes altogether without example from the old world we owe these blessings under heaven to the happy constitution and government which were bequeathed to us by our fathers and which it is our sacred duty to transmit in all their integrity to our children

Millard Fillmore

2003

when actions of the past clash with the values of today millard fillmore caldwell 1897 1984 was once considered one of the greatest floridians of his generation yet today he is known for his inability to adjust to the racial progress of the modern world in this biography leading florida historian gary mormino tackles the difficult question of how to remember yesterday's heroes who are now known to have had serious flaws the last florida governor born in the nineteenth century and the first to govern in the atomic age caldwell was beloved in his time for leading the state through the hard years of world war ii he was wildly successful

in a political career that may never be matched serving as governor congressman state legislator and chief justice of the florida supreme court he passed important educational reform legislation but his attitudes toward race and citizenship strike americans today as embarrassing and shocking he refused to address black leaders by their titles he argued for segregated bomb shelters and he accepted lynching as part of the southern way of life mormino measures the contributions of caldwell alongside his glaring faults discussing his complicated role in shaping modern florida in the current debates surrounding public memorials and historical memory in the united states millard fillmore caldwell is a timely example of one man s contested legacy a volume in the series florida in focus edited by andrew k frank
