Reading the Cozy Mystery

2021-02-23

with their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment the cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study this anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints the authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story s complexity in surprising ways essays analyze cozy mysteries to argue that agatha christie is actually not a cozy writer that columbo fits the mold of the cozy detective and that the stories portrayals of settings like the quaint english village reveal a more complicated society than meets the eye

Dud Cheque

2005-02-19

debbly is too critical of the italian way of life to make do with her husband s sexual problems paul an anglo italian reporter with a magazine in rome does his best to please her he is well meaning and intelligent but a man also needs willpower and emotional stability and he has got neither he is a loser

and indeed when the discovery of a dead man in the boot of a car leads him to unearth the cover up of a murder he finds himself unable to win back his wife as well as file the outcome of his investigation for fear of endangering the life of his half sister lelia who was somewhat involved in the crime suspecting that debby has an affair with a bosnian he has a go with another woman but the weight of his past is too heavy and they give up he confides in lelia only to realize they have much to share a palmist dubbed him a powerful car on the road at night without headlights reminding himself of that metaphor paul takes the via del mare driving against the traffic at high speed

The Tyranny of Experts

2014-03-04

in this bracingly iconoclastic book new york times book review a renowned economics scholar breaks down the fight to end global poverty and the rights that poor individuals have had taken away for generations in the tyranny of experts renowned economist william easterly examines our failing efforts to fight global poverty and argues that the expert approved top down approach to development has not only made little lasting progress but has proven a convenient rationale for decades of human rights violations perpetrated by colonialists postcolonial dictators and us and uk foreign policymakers seeking autocratic allies demonstrating how our traditional antipoverity tactics have both trampled the freedom of the world s poor and suppressed a

vital debate about alternative approaches to solving poverty easterly presents a devastating critique of the blighted record of authoritarian development in this masterful work easterly reveals the fundamental errors inherent in our traditional approach and offers new principles for western agencies and developing countries alike principles that because they are predicated on respect for the rights of poor people have the power to end global poverty once and for all

Whistlestop

2016-08-02

from face the nation moderator and contributing editor for the atlantic john dickerson come the stories behind the stories of the most memorable moments in american presidential campaign history the stakes are high the characters full of striving and ego presidential campaigns are a contest for control of power in the most powerful country on earth the battle of ideas has a clear end with winners and losers and along the way there are sharp turning points primaries debates conventions and scandals that squeeze candidates into emergency action frantic grasping and heroic gambles as mike murphy the political strategist put it campaigns are like war without bullets whistlestop tells the human story of nervous gambits hatched in first floor hotel rooms failures of will before the microphone and the cross country crack ups of long planned stratagems at the bar at the end of a campaign day these are the stories reporters rehash for themselves and embellish for

newcomers in addition to the familiar tales whistlestop also remembers the forgotten stories about the bruising and reckless campaigns of the nineteenth century when the combatants believed the consequences included the fate of the republic itself some of the most modern feeling elements of the american presidential campaign were born before the roads were paved and electric lights lit the convention halls or there were convention halls at all whistlestop is a ride through the american campaign history with one of its most enthusiastic conductors guiding you through the landmarks along the way

Necessary Trouble

2014-01-01

necessary trouble is the definitive book on the movements that are poised to permanently remake american politics we are witnessing a moment of unprecedented political turmoil and social activism over the last few years we ve seen the growth of the tea party a twenty first century black freedom struggle with blacklivesmatter occupy wall street and the grassroots networks supporting presidential candidates in defiance of the traditional party elites sarah jaffe leads readers into the heart of these movements explaining

what has made ordinary americans become activists as jaffe argues the financial crisis in 2008 was the spark the moment that crystallized that something was wrong for years jaffe crisscrossed the country asking people what they were angry about and what they were doing to take power back she attended a people s assembly in a church gymnasium in ferguson missouri walked a picket line at an atlanta burger king rode a bus from new york to ohio with student organizers and went door to door in queens days after hurricane sandy from the successful fight for a 15 minimum wage in seattle and new york to the halting of shell s arctic drilling program americans are discovering the effectiveness of making good necessary trouble regardless of political alignment they are boldly challenging who wields power in this country

Dating Like Airplanes

2017-06-23

Canadians and War Volume 2

2013-02-18

often touted as the moment that made canada a nation the battle of vimy ridge has attained almost legendary status in the canon of our history this collection of essays explores and analyses the specific battle itself as well as some of the historical meaning surrounding the events karen hann in e a dominion comes of age the battle of vimy ridge e presents a basic look at the battle itself hann introduces the main players discusses troop movements and explains some of the historical and political significances of the various elements of the battle in the second essay e e how did the canadian corps achieve the magnificent victory at vimy ridge when other allied armies failed e returning lammi publishing author bill leavey offers a deeper analysis of the battle plans and movements leavey brings his military background to fore as he teaches us why and how canada achieved such a remarkable victory when so many others had failed our final essay e vimy ridge sons and brothers e written by newcomer keith elliot provides us with a more personal look at this seminal battle and what it means elliot weaves the narrative of his own journey to the memorial with the story of a great great uncle he never knew

who fought at the infamous ridge together these works should allow newcomers to gain a good picture of that which we celebrate this april as well as offer new insights to experienced scholars looking to further their knowledge of the battle of vimy ridge

Ego

2022-05-31

dieses buch erzählt davon wie nach dem ende des kalten kriegs ein neuer kalter krieg im herzen unserer gesellschaft eröffnet wird es ist die geschichte einer manipulation vor sechzig jahren wurde von militärs und Ökonomen das theoretische model eines menschen entwickelt ein egoistisches wesen das nur auf das erreichen seiner ziele auf seinen vorteil und das austricksen der anderen bedacht war ein moderner homo oeconomicus nach seiner karriere im kalten krieg wurde er nicht ausgemustert sondern eroberte den alltag des 21 jahrhunderts aktienmärkte werden heute durch ihn gesteuert menschen ebenso er will in die köpfe der menschen eindringen um waren und politik zu verkaufen das modell ist zur selbsterfüllenden prophezeiung geworden der mensch ist als träger seiner entscheidungen abgelöst das große spiel des lebens läuft ohne uns frank schirmmacher zeichnet in seinem bahnbrechenden neuen buch die spur eines monströsen doppelgängers nach und macht klar dass die konsequenzen seines spiels das ende der demokratie sein könnte wie wir sie heute kennen

Representations of Poverty in Videogames

2020-09-25

this book argues that videogames address contemporary middle class anxieties about poverty in the united states the early chapters consider gaming as a modern form of slumming and explore the ways in which titles like the elder scrolls v skyrim and world of warcraft thematize poverty the argument turns to the field of literary studies to identify analytical frameworks for addressing and understanding these themes throughout the book considers how the academic area of inquiry known as game studies has developed over time and makes use of such scholarship to present frame and value its major claims and findings in its conclusion the book models how poverty themes might be identified and associated for the purpose of gaining greater insights into how games can shape and also be shaped by the player s economic expectations

Reframing Punishment: Reflections of Culture, Literature and Morals

2024-05-16

this interdisciplinary volume offers an attempt to question perplex and ultimately reframe our collective understanding of punishment

God and the Little Grey Cells

2014-07-17

dan w clanton jr examines the presence and use of religion and bible in agatha christie s hercule poirot novels and stories and their later interpretations clanton begins by situating christie in her literary historical and religious contexts by discussing golden age crime fiction and christianity in england in the late 19th early 20th centuries he then explores the ways in which bible is used in christie s poirot novels as well as how christie constructs a religious identity for her little belgian sleuth clanton concludes by asking how non majority religious cultures are treated in the poirot canon including a heterodox christian movement spiritualism judaism and islam throughout clanton acknowledges that many people do not encounter poirot in his original literary contexts that is far more people have been exposed to poirot via mediated renderings and interpretations of the stories and novels in various other genres including radio films and tv as such the book engages the reception of the stories in these various genres since the process of adapting the original narrative plots involves at times meaningful changes capitalizing on the immense and enduring popularity of poirot across multiple genres and the absence of research on the role of religion and bible in those stories this book is a necessary contribution to the field of christie studies and will be welcomed by her fans as well as scholars of religion popular culture literature and media

Economics of the Undead

2021-12-20

whether preparing us for economic recovery after the zombie apocalypse analyzing vampire investment strategies or illuminating the market forces that affect vampire human romances economics of the undead zombies vampires and the dismal science gives both seasoned economists and layman readers something to sink their teeth into undead characters have terrified popular audiences for centuries but when analyzed closely their behaviors and stories however farfetched mirror our own in surprising ways the essays collected in this book are as humorous as they are thoughtful as culturally relevant as they are economically sound and provide an accessible link between a popular culture phenomenon and the key concepts necessary to building one's understanding of economic systems big and small it is the first book to apply and combine economics and our society's fascination with the undead and is an invaluable resource for those looking to learn economic fundamentals in a fun and innovative way contributions by kyle william bishop eleanor brown ian chadd darwynn deyo steven horwitz daniel farhat jean baptiste fleury enrique guerra pujol brian hollar sebastien lecou joseph mandarino alain marciano fabien medvecky david t mitchell michael o hara m christine phillips a lynn phillips g michael phillips lorna piatti farnell robert prga hollis robbins sarah skwire ilya somin david tufte mary jo tufte and charlotte weil

American Quaker Romances

2015-06-01

quaker characters have peopled many an american literary work most notably uncle tom s cabin as quakerism has been historically associated with progressive attitudes and the advancement of social justice with the rise in recent years of the christian romance market dominated by american evangelical companies there has been a renewed interest in fictional quakers in the historical quaker romances analyzed in this book quaker heroines often devote time to spiritual considerations advocate the sanctity of marriage and promote traditional family values however their concern with social justice also leads them to engage in subversive behavior and to question the status quo as illustrated by heroines who are active on the underground railroad or are seen organizing the seneca falls convention though relatively liberal in terms of gender quaker romances are considerably less progressive when it comes to race relations thus they reflect america s conflicted relationship with its history of race and gender abuse and the country s tendency to both resist and advocate social change ultimately quaker romances reinforce the myth of america as a white and christian nation here embodied by the quaker heroine the all powerful savior who rescues native americans african americans and jews while conquering the hero s heart

A Guest at the Shooters' Banquet

2011-06-23

in prose as beautiful as it is powerful rita gabis follows the trail of her grandfather s collaboration with the nazis a trail riddled with secrets slaughter mystery and discovery rita gabis comes from a family of eastern european jews and lithuanian catholics she was close to her catholic grandfather as a child and knew one version of his past prior to immigration he had fought the russians whose brutal occupation of lithuania destroyed thousands of lives before hitler s army swept in five years ago gabis discovered an unthinkable dimension to her family story from 1941 to 1943 her

grandfather had been chief of security police under the gestapo in the lithuanian town of svencionys near the killing field of poligon where 8 000 jews were murdered over three days in the fall of 1941 in 1942 the local polish population was also hunted down gabis felt compelled to find out the complicated truth of who her grandfather was and what he had done built around dramatic interviews in four countries filled with original scholarship and mesmerizing in its lyricism a guest at the shooters banquet is a history and family memoir like no other documenting the holocaust by bullets in a remarkable quest as gabis returns again and again to the country of her grandfather s birth to learn all she can about the man she thought she knew

Il limbo di Giano

Preserving the Spell

2017-11-27

fairy tales are supposed to be magical surprising and exhilarating an enchanting counterpoint to everyday life that nonetheless helps us understand and deal with the anxieties of that life today however fairy tales are far from marvelous in the hands of hollywood they have been stripped of their power offering little but formulaic narratives and tame surprises if we want to rediscover the power of fairy tales as armando maggi thinks we should we need to discover a new mythic lens a new way of approaching and understanding and thus re creating the transformative potential of these stories in preserving the spell maggi argues that the first step is to understand the history of the various traditions of oral and written narrative that together created the fairy tales we know today he begins his exploration with the ur text of european fairy tales giambattista basile s the tale of tales then traces its path through later italian french english and german traditions

with particular emphasis on the grimm brothers adaptations of the tales which are included in the first ever english translation in an appendix carrying his story into the twentieth century maggi mounts a powerful argument for freeing fairy tales from their bland contemporary forms and reinvigorating our belief that we still can find new powerfully transformative ways of telling these stories

Democracy Promotion as Foreign Policy

2014-07-15

this book looks at democracy promotion as a form of foreign policy eliott asks why democracy was seen to be the answer to the 7 7 bombings in london and why it should be promoted not in britain but in pakistan the book provides a detailed answer to these questions examining the logic and the modes of thinking that made such a response possible through analysis of the stories we tell about ourselves stories about time history development civilisation and the ineluctable spread of democracy eliott argues that these narratives have become a key tool in enabling practices that differentiate selves from others friends from enemies the domestic from the foreign civilisation from the barbarian they operate with a particular conception of time and constitute a british democratic national identity by positing an other that is barbaric alien despotic violent and backward such understandings are useful in wake of disaster because they leave us with something to do danger can be managed by bringing certain people and places

up to date however this book shows that there are other stories to be told and that it is possible to read stories about history against the grain and author alternative less oppressive versions providing a genealogy drawing on material from colonial and postcolonial britain and pakistan including legislation political discourse popular culture and government projects this book will be of interest to scholars and students focusing on democracy promotion genealogy critical border studies poststructural ir postcolonial politics discourse analysis identity subjectivity and the war on terror

Righteous Gentiles

2018-07-19

since 1953 the state of israel has named non jews who risked their lives to help save jews during the holocaust as righteous among the nations known as righteous gentiles these individuals summoned the strength to put aside their own safety to oppose the nazis this engrossing volume educates readers about some of the noteworthy righteous gentiles and groups who stood to lose everything as they aided hid and fought for the jews with words as well as weapons photographs and quotes from primary source documents pull the reader into the inimitable experiences of these heroes

increasingly fragile financial system economy and society

???? ??

2021-05-08

this book explores the narratives of girlhood in contemporary ya vampire fiction bringing into the spotlight the genre s radical ambivalent and contradictory visions of young femininity agnieszka stasiewicz bienkowska considers less explored popular vampire series for girls particularly those by p c and kristin cast and richelle mead tracing the ways in which they engage in larger cultural conversations on girlhood in the western world mapping the interactions between girl and vampire corporealities delving into the unconventional tales of vampire romance and girl sexual expressions examining the narratives of women and violence and venturing into the uncanny vampire classroom to unmask its critique of present day schooling the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl

Girls in Contemporary Vampire Fiction

2020-07-14

christians desire to grow in their relationship with god they want to flourish to experience victory in their christian lives they want to live in

the overcoming power that the cross provides but they are stuck they are like my friend john who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders he and his wife jenny love each other or at least they used to they now spend their time together carting their kids to activities after driving through taco bell for dinner every week john sits in the second row at church listening to the pastor and he and jenny volunteer in the children s church but he told me last week that he is exhausted on the surface he has a good life but deep down he is drowning he has no real victory how does someone like john stem the tide how does he start living the victorious lifestyle jesus came to offer many find the answer in promises of a magic pill something that provides a quick fix but such fixes don t exist the victory of god is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life true victory comes in heaven and not on earth and only the spirit of god living through the believer based on god s word can give true victory but there are basic principles that god has used throughout the centuries to encourage believers and give them victory in this book i ve pinpointed nine principles and priorities that will help a believer live a victorious christian life they are victory in preparing for eternity victory in experiencing god s love victory in god s grace victory in god s sovereignty victory in spending time with jesus victory in close relationships victory in the local church victory in rest victory in healthy living these nine priorities will help you understand and apply principles that are simple biblical and time tested to produce spiritual emotional and physical benefits my aim is to stimulate you to live these biblical truths while allowing the holy spirit to transform you

Living in Victory

2019-11-08

this book explores women s short supernatural fiction between the emergence of first wave feminism and the post suffrage period arguing that while literary ghosts enabled an interrogation of women s changing circumstances ghosts could have both subversive and conservative implications haunted house narratives by charlotte riddell and margaret oliphant become troubled by uncanny reminders of the origins of middle class wealth in domestic and foreign exploitation corpse like revenants are deployed in female gothic tales by mary elizabeth braddon and edith nesbit to interrogate masculine aestheticisation of female death in the culturally hybrid supernaturalism of alice perrin the marriage question migrates to colonial india and psychoanalytically informed stories by may sinclair eleanor scott and violet hunt explore just how far gender relations have really progressed in the post first world war period study of the woman s short story productively problematises literary histories about the golden age of the ghost story and about the transition from victorianism to modernism

British Women's Short Supernatural Fiction, 1860-1930

2016-08-31

bridging the fields of religion and latina o studies this book fills a gap by examining the spiritual rhetoric and practices of the chicano movement bringing new theoretical life to biblical studies and chicana o writings from the 1960s such as el plan espiritual de aztlán and el plan de santa barbara jacqueline m hidalgo boldly makes the case that peoples for whom historical memories of displacement loom large engage scriptures in order to make and contest homes movement literature drew upon and defied the scriptural legacies of revelation a christian scriptural text that also carries a displaced homing dream through the slipperiness of utopian imaginations these texts become places of belonging for those whose belonging has otherwise been questioned hidalgo s elegant comparative study articulates as never before how aztlán and the new jerusalem s imaginative power rest in their ambiguities their ambivalence and the significance that people ascribe to them

Revelation in Aztlán

2017-05-02

a new kind of history of the southwest mainly new mexico and arizona that foregrounds the stories of latino and indigenous peoples who made the southwest matter to the nation in the twentieth century provided by publisher

A Land Apart

2016-03-29

science is beginning to understand that our thinking has a deep and complicated relationship with our eating our thoughts before during and after eating profoundly impact our food choices our digestive health our brain health and more yet most of us give very little thought to our food beyond taste and basic nutritional content in this revolutionary book dr caroline leaf packs an incredible amount of information that will change readers eating and thinking habits for the better rather than getting caught up in whether we should go raw or vegan gluten free or paleo leaf shows readers that every individual is unique has unique nutritional needs and has the power to impact their own health through the right thinking there s no one perfect solution rather she shows us how to change the way we think about food and put ourselves on the path towards health anyone who is tired of traditional diet plans that don t work who struggles with emotional eating or who simply isn t satisfied with their level of health will find in this book the key to discovering how they can begin developing a healthier body brain and spirit

Think and Eat Yourself Smart

2017-01-20

as american television continues to garner considerable esteem rivalling the seventh art in its cinematic aesthetics and the complexity of its narratives one aspect of its development has been relatively unexamined while film has long acknowledged its tendency to adapt an ability that contributed to its status as narrative art capable of translating canonical texts onto the screen television adaptations have seemingly been relegated to the miniseries or classic serial from remakes and reboots to transmedia storytelling loose adaptations or adaptations which last but a single episode the recycling of pre existing narrative is a practice that is just as common in television as in film and this text seeks to rectify that oversight examining series from m a s h to game of thrones pride and prejudice to castle

Television and Serial Adaptation

2023-12-28

an exploration of how espionage narratives give access to cultural conceptions of gender and sexuality before and following the second world war this book moves away from masculinist assumptions of the genre to offer an integrative survey of the sexualities on display from important characters across spy fiction topics covered include how authors mocked the traditional spy genre james bond as a symbol of pervasive british superiority still anxious about masculinity how older female spies act as queer figures that disturb the masculine mythology of the secret agent and how the clandestine lives of agents described ways to encode queer communities under threat from

fascism covering texts such as the bond novels john le carré s oeuvre and their notable adaptations and works by helen macinnes christopher isherwood and mick herron sexuality and gender in fictions of espionage takes stock of spy fiction written by women female protagonists written by men and probes the representations of masculinity generated by male authors offering a counterpoint to a genre traditionally viewed as male centric sexuality and gender in fictions of espionage proposes a revision of masculinity femininity queer identities and gendered concepts such as domesticity and relates them to notions of nationality and the defence work conducted at crucial moments in history

Sexuality and Gender in Fictions of Espionage

2014-12-11

music and coexistence a journey across the world in search of musicians making a difference is both study and travelogue as author osseily hanna explores the courageous work of musicians who compose and perform with their ostensible enemies or in extraordinary social situations he documents the political and economic constraints faced by musicians from the wall that encloses a refugee camp in jerusalem to the tensions among kfor and carabinieri peacekeepers who keep serbs and kosovar albanians apart to the cultural and linguistic suppression that afflicts minority communities in turkey a multilingual musician hanna examines the lives of the individuals and groups at the forefront of the effort to bridge ethnic cultural and

religious divisions featuring musicians from thirteen different countries and territories across five continents hanna s story includes a remarkable cadre of performers such as the musicians who comprise heartbeat a group of israeli and palestinian youth who compose record and perform music together the albino musicians of tanzania who regularly combat persecution by local shamans the multiracial and thriving samba musicians in sao paulo and a former child soldier from cambodia who seeks to revive traditional music following the genocide in the 1970s with photos taken by the author during his travels this work is a unique contribution for those interested in world music and peace studies this unique and remarkable work will open the eyes and the hearts of every musician and music lover who recognizes music as a universal language

Music and Coexistence

2023-11-06

in 1997 saul friedländer emphasized the need for an integrated history of the holocaust his suggestion to connect the policies of the perpetrators the attitudes of surrounding society and the world of the victims provides the inspiration for this volume following in these footsteps this innovative study approaches holocaust history through a combination of macro analysis with micro studies featuring a range of contemporary research from emerging scholars in the field this peer reviewed volume provides detailed engagement with a variety of historical sources such as documents artifacts photos or

text passages the contributors investigate particular aspects of sound materiality space and social perceptions to provide a deeper understanding of the holocaust which have often been overlooked or generalised in previous historical research yet as we approach an era of no first hand witnesses this multidisciplinary micro historical approach remains a fundamental aspect of holocaust research and can provide a theoretical framework for future studies

New Microhistorical Approaches to an Integrated History of the Holocaust
