this manual presents the video game version of the nfl s 2014 season offers a new breed of defense to challenge the best offenses in the league an intuitive tackling system franchise mode and ultimate team mode

Men of Sunday 2012

for those who have or haven t bought my guide in the past here is what comes in this year s version of my nfl draft guide in depth player profiles of 300 prospects most i ve ever done best positional and schematic fits for each player strengths and weaknesses of every player where i personally would feel comfortable drafting each player scouting glossary of terms used new this year i can t promise you that i ll be right on all these players but i can promise you that every single player in this guide i came to my own opinion about after watching the tape i had no pre conceived ideas about any of these players with that being said i m more excited than ever about this draft class there is so much depth at so many positions it is hard to find a weak spot in this draft i cannot wait to talk and see where all these qbs go it s crazy to think that this might be the strongest qb class we ve seen in years come on and dig in with me on these players
