presents a portrait of five extraordinary figures ernest shackleton abraham lincoln frederick douglass dietrich bonhoeffer and rachel carson to illuminate how great leaders are made in times of adversity and the diverse skills they summon in order to prevail

Forged in Crisis 2014

how do you lead frightened people forward to success despite overwhelming odds ernest shackleton should have gone down in history as a failed leader when his 1912 expedition to antarctica took a dangerous turn but despite a series of setbacks that left him and his men in life threatening circumstances he managed to keep his team moving forward so that they returned home safely his story is a lesson in staying motivated and reassessing your goals in the wake of failure in forged in crisis harvard business school professor and historian nancy koehn looks at the lives of five exceptional leaders and reveals how they made the tough choices that allowed them to persevere she examines the inspiring stories of ernest shackleton abraham lincoln environmentalist rachel carson former slave and abolitionist frederick douglass and german resistance activist dietrich bonhoeffer these extraordinary leaders displayed stunning abilities to exert lasting influence despite turbulence disruption and personalities that may have masked their abilities by examining their individual values strategies and trade offs she extracts powerful lessons in what it takes to lead and triumph in the face of a crisis

rudra chaudhuri s book examines a series of crises that led to far reaching changes in india s approach to the united states defining transmission rebuild

the contours of what is arguably the imperative relationship between america and the global south forged in crisis provides a fresh interpretation of india s advance in foreign affairs under the stewardship of prime ministers jawaharlal nehru indira gandhi atal bihari vajpayee and finally manmohan singh it reveals the complex and distinctive manner in which india sought to pursue at once material interests and ideas while meticulously challenging the shakier and largely untested reading of non alignment palpable in most works on indian foreign policy and international relations from the korean war in 1950 to the considered debate within india on sending troops to irag in 2003 and from the loss of territory to china and the subsequent talks on kashmir with pakistan in 1962 63 to the signing of a civil nuclear agreement with washington in 2008 chaudhuri maps indian negotiating styles and behaviour and how these shaped and informed decisions vital to its strategic interest in turn redefining its relationship with the united states

Angela Merkel 2013-06-12

shortlisted for international affairs book of the year in the paddy power political book awards 2014 angela merkel was already unique when she became german chancellor the first female leader of europe s biggest economy the first from former communist east germany and the first born after world war ii since 2010 the debt crisis that spread from greece to the euro region and a 2023-2948 economy has propalled her to center stage making transmission rebuild

merkel the dominant politician in the struggle to preserve europe s economic model and its single currency yet the protestant pastor s daughter is often viewed as enigmatic and hard to predict a misreading that took hold as she resisted global pressure for grand gestures to counter the crisis having turned the fall of the berlin wall to her advantage merkel is trying to get history on her side again after reaching the fundamental decision to save the euro the crowning achievement of post war european unity merkel has brought europe to a crossroads germany s economic might gives her unprecedented power to set the direction for the european union s 500 million people what s at stake is whether she will persuade them to follow the german lead angela merkel a chancellorship forged in crisis is the definitive new biography of the world s most powerful woman delving into merkel s past the authors explain the motives behind her drive to remake europe for the age of globalization her economic role models and the experiences under communism that color her decisions for the first time in english merkel is fully placed in her european context through exclusive interviews with leading policy makers and merkel confidants the book reveals the behind the scenes drama of the crisis that came to dominate her chancellorship her prickly relationship with the u s and admiration for eastern europe written by two long standing merkel watchers the book documents how her decisions and vision both works in progress are shaping a pivotal moment in european history

how these shaped and informed decisions vital to its strategic interest in turn redefining its relationship with the united states

Forged in Crisis 2014

a concise new history of the united states revealing that crises not unlike those of the present day have determined our nation s course from the start in a nation forged by crisis historian jay sexton contends that our national narrative is not one of halting yet inevitable progress but of repeated disruptions brought about by shifts in the international system sexton shows that the american revolution was a consequence of the increasing integration of the british and american economies that a necessary precondition for the civil war was the absence for the first time in decades of foreign threats and that we cannot understand the new deal without examining the role of european immigrants and their offspring in transforming the democratic party a necessary corrective to conventional narratives of american history a nation forged by crisis argues that we can only prepare for our unpredictable future by first acknowledging the contingencies of our collective past

this book focuses on leading through times of crisis as a true measure of authentic and credible leadership which is often tested during turbulent inconsistent and unpredictable times rather than through stable and steady phases the emphasis is on those leaders that learned valuable lessons from various crisis experiences and adapted accordingly rather than be swayed by external circumstances it is time to lead to become the rudder offering direction and opportunity rather than the sails being wavered by the winds the most appropriate question that leaders should ask upon the onset of a crisis is not when will all this end but rather how will all this end the how entails an opportunity to make something positive out of a seemingly negative situation this book offers a window of hope through which to look at an incoming crisis with eyes of faith as a learning experience and opportunity to thrive it builds on four pillars required to lead during crises resilience stamina agility and confrontation and offers a leadership model based on jesus christ's crisis handling methods which are essential for any leader seeking to succeed in a multi crisis era

the figure of dietrich bonhoeffer 1906 1945 has become a clay puppet in modern american politics secular radical liberal and evangelical interpreters variously shape and mold the martyr s legacy to suit their own pet agendas stephen haynes offers an incisive and clarifying perspective a recognized bonbeffer martial 2023-09-08 transmission rebuild

haynes examines populist readings of bonhoeffer including the acclaimed biography by eric metaxas bonhoeffer pastor martyr prophet spy in his analysis haynes treats among other things the november 2016 election of donald trump and the bonhoeffer moment announced by evangelicals in response to the us supreme court s 2015 decision to legalize same sex marriage the battle for bonhoeffer includes an open letter from haynes pointedly addressing christians who still support trump bonhoeffer s legacy matters haynes redeems the life and the man

this book presents a study of the international dimensions of the kashmir dispute between india and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from before riftsubishi outbreak in october 1947 until the tashkent summit in instance and pakistan from the pakishi outbreak in october 1947 until the tashkent summit in instance and pakistan from the pakis

1966 by focusing on kashmir s under researched transnational dimensions it represents a different approach to this intractable territorial conflict concentrating on the global context s in which the dispute unfolded it argues that the dispute s evolution was determined by international concerns that existed from before and went beyond the indian subcontinent based on new and diverse official and personal papers across four countries the book foregrounds the kashmir dispute in a twin setting of decolonisation and the cold war and investigates the international understanding around it within the imperatives of these two processes in doing so it traces kashmir s journey from being a residual irritant of the british indian empire to becoming a commonwealth embarrassment and its eventual metamorphosis into a security concern in the cold war climate s a princely state of exceptional geo strategic location complex religious composition and unique significance in the context of indian and pakistani notions of nation and statehood kashmir also complicated their relations with britain the united states soviet union china the commonwealth countries and the afro arab asian world this book is of interest to scholars in the field of asian history cold war history decolonisation and south asian studies
