2007-12-18

a memoir in bite size chunks from the author of the viral modern love column you may want to marry my husband rosenthal shines her generous light of humanity on the seemingly humdrum moments of life and shows how delightfully precious they actually are the chicago sun times how do you conjure a life give the truest account of what you saw felt learned loved strived for for amy krouse rosenthal the surprising answer came in the form of an encyclopedia in encyclopedia of an ordinary life she has ingeniously adapted this centuries old format for conveying knowledge into a poignant wise often funny fully realized memoir using mostly short entries organized from a to z many of which are cross referenced rosenthal captures in wonderful and episodic detail the moments observations and emotions that comprise a contemporary life start anywhere preferably at the beginning and see how one young woman s alphabetized existence can open up and define the world in new and unexpected ways an ordinary life perhaps but an extraordinary book

## **An Ordinary Life?**

2021-06-03

this book is a simple life story of an ordinary fella just making a point of some important experiences during his life peter hussain is a new author his story is quite ordinary and boring really he is not very experienced in the literary world he s not even much of a reader in fact he hardly ever reads anything himself especially without pictures apparently he thinks he has an interesting life story to tell it involves amongst many things cycling his church guitars music cars art technical drawing his three children his painful marriage break up his new wife rachel more cycling holidays workplace design office design plus a little thing he calls his walk of faith pete has an asian british german heritage he s one of the fussiest most particular fellas around although he s not a perfectionist any more he does still like things to be just so that s probably why he likes straight lines symmetry and check shirts apparently this characteristic is now under control he always aims for the best in life and he always tries his best in everything he does if that doesn t get a perfect result he s ok with that now he can deal with it one of the most refreshing things pete has done in his book is to be open and honest about himself we often see a culture especially of blokes closed and even secretive about what they are thinking and going through recently mental health has been recognised as a crucial part of overall health and well being although it is more healthy it s sometimes really difficult to get a fella to open up and tell you what s really going on inside their head if you can identify with any of this this may be the book for you if you know someone else who may identify with this it may be the book for them if you can t identify with any of these headings maybe you should buy the book anyway or better yet buy it for someone you don't like very much and see if they like you more or less after they ve read it
