Georgie 2016-10-20

the joyful arrival of a longed for baby is followed by overwhelming losses but a loyal dog makes happiness possible again this moving and profound graphic novel by r o blechman treats its solemn subject with humor simplicity and warm humanity maurice sendak characterized the tale as fierce passionate little pictures that pack a punch only blechman seems capable of delivering and jules feiffer observed that long time fans are well aware of blechman s elegant cartoon poetry but in georgie his quiet measured pace moves the reader onto darker terrain presented in a sweet and tragic man and dog story that calls for a second reading and perhaps more in praise of r o blechman the jewel like mind and eye of this rare artist persuade me that all is not lost in bookland maurice sendak a great graphic novelist very avant la lettre art spiegelman in a class by himself the new york times boldly original edward sorel a trailblazer jules feiffer

On the Graphic Novel 2015-06-10

a noted comics artist himself santiago garcía follows the history of the graphic novel from early nineteenth century european sequential art through the development of newspaper strips in the united states to the development of the twentieth century comic book and its subsequent crisis he considers the aesthetic and entrepreneurial innovations that established the conditions for the rise of the graphic novel all over the world garcía not only treats the formal components of the art but also examines the cultural position of comics in various formats as a popular medium typically associated with children often viewed as unedifying and even at times as a threat to moral character comics art has come a long way with such examples from around the world as spain france germany and japan garcía illustrates how the graphic novel with its increasingly global and aesthetically sophisticated profile represents a new model for graphic narrative production that empowers authors and challenges longstanding social prejudices against comics and what they can achieve
