## Reflections From Both Sides of the Glass Ceiling

2023-03-15

for stephanie battaglino her lifelong journey of self discovery closely paralleled her daily grind of trudging up the corporate ladder her ongoing struggle to come to terms with her authentic self was intertwined with her drive to have a successful career while she longed to be recognized for her work she hid from her true self for decades lost in a maze of shame guilt and denial amidst the successes and failures of working as a male in the corporate world stephanie finally realized that the only path to career fulfillment was to embrace her true self once and for all that it resulted in her becoming the first officer in the history of new york life to come out on the job as transgender is not surprising what was surprising was her abrupt introduction to that generations old nemesis of working women everywhere the glass ceiling what she quickly realized was that her embrace of her authentic self came with a price the loss of male privilege reflections from both sides of the glass ceiling finding my authentic self in corporate america is part memoir part cautionary tale of what it is like to experience a career on both sides of the gender divide stephanie's frank honest and vulnerable storytelling paints a vivid picture of what the intersection of gender and gender identity looks like from a decidedly unique point of view in reflections from both sides of the glass ceiling finding my authentic self in corporate america stephanie shares rare insight and perspective on what she learned from her experience transcending the glass ceiling to find personal and professional fulfillment stephanie's unique and very personal experience provides a powerful trailblazing story of inspiration self discovery and triumph for all women

## Reflections of Life

## ***Global Failure and World Literature***

2018-07-24

while the contemporary era has witnessed a series of spectacular failures with severe and widespread global consequences failure is still broadly understood on an individual level while its broader causes and consequences receive little attention this book reconceptualises failure as a method for characterising and critiquing systems and institutions on both a global and a local level it defines global failure as comprising global inequality economic crisis and ecological disaster and as a condition which informs and is informed by localised failure it examines the negotiation between global and local failure in narratives of failed quests by four contemporary authors cormac mccarthy julia kristeva michael ondatje and basma abdel aziz as a genre the quest narrative is associated with the idea of hard won success the failed quest narrative or the narrative of the failed quest is therefore the ideal vehicle through which to examine the socio political and institutional conditions of failure primarily a contribution to the field of world literature this book is also relevant to those with an interest in the contemporary novel failure studies and the quest narrative
