Critical Perspectives on Equity and Social Mobility in Study Abroad 2021-07-22

whether understood in a narrow sense as the popular works of a small number of white male authors or as a larger more diffuse movement twenty first century scholars journalists and activists from all sides in the atheism versus theism debate have noted the emergence of a particular form of atheism frequently dubbed new atheism the present collection has been brought together to provide a scholarly yet accessible consideration of the place and impact of new atheism in the contemporary world combining traditional and innovative approaches chapters draw on the insights of philosophers religious studies scholars sociologists anthropologists and literary critics to provide never before seen insights into the relationship between new atheism science gender sexuality space philosophy fiction and much more with contributions from australia germany and the united kingdom the volume also presents diversity in regard to religious irreligious commitment with contributions from atheists theists and more agnostic orientations new atheism critical perspectives and contemporary debates features an up to date overview of current research on new atheism a foreword from stephen bullivant co editor of the oxford handbook of atheism and eleven new chapters with extensive bibliographies that will be important to both a general audience and to those conducting research in this area it provides a much needed fresh look at a contentious phenomenon and will hopefully encourage the cooperation and dialogue which has predominantly been lacking in relevant contemporary debates

New Atheism: Critical Perspectives and Contemporary Debates 2017-06-07

in a critical analysis of conventional understanding leading authors claire davis and marisa silvestri present bold new conceptualisations of police leadership drawing on empirical research in criminology sociology and leadership studies they present a thoughtful critique of the nature and practice of leadership in contemporary policing the book critically explores the identities of leaders and their positions within wider organisational structures and processes provides a critique of contemporary reform to police professionalisation training and education equalities and diversity by situating these developments within wider historical social and political context draws on critical theory to offer an alternative challenging and novel interpretation of police leaders as not simply the result of individual experiences and

attitudes but of the social institutional and historical processes of policing and the cultures that exist within it points towards future directions and a reimagining of leadership in the police accessible and stimulating this is an essential text for policing students and valuable reading for current leaders and those interested in policing criminology and leadership

Critical Perspectives on Police Leadership 2020-03-11

first published in 1989 routledge is an imprint of taylor francis an informa company

Critical Perspectives On Educational Leadership 2005-08-12

this volume explores which relations produce or maintain masculinities and certain gendered systems of power and the consequences of these gender constructions that further gender research to understand the meanings of masculinity masculinities and relationalities as critical concepts in gender studies it takes a wide theoretical grip that spans over several research fields from a feminist perspective it critically investigates masculinities as relationally constructed by scrutinizing which relations construct masculinity within a certain gendered system of power such as the nation the family or the workplace and explores how this is done in relation to what is hence in spite of its almost vulgar rhetorical simplicity an important question in investigating and problematizing gender

Critical Perspectives on Masculinities and Relationalities 2016-05-30

the studies in this volume investigate how multilingual education involves a critical engagement with questions of identity and culture and a movement towards new ways of being and belonging it addresses previously under explored issues in particular the integration of theories like thirdness and practices of language education and maintenance with relevance to the asia pacific region the analyses reveal the delicate balance of interests of all stakeholders and offer detailed insights into the reality of multilingual education with specific examples of chinese english japanese and tamil in a globalised world effective language education has become increasingly important and the studies presented here have the potential to inform and advance evidence based multilingual education through adding important dimensions of theoretical exploration and refreshing empirical resources

Critical Perspectives on Language Education 2014-07-24

Critical Perspectives on Globalization 2006-01-15

Julian Barnes 2011-09-01

decades of investigations into diversity in the workplace have created mixed answers about what kinds of effects it has on employees and teams and whether or not it can be managed effectively to generate positive outcomes for organizations in contrast to mainstream work from management and psychology critical views on workplace diversity have emerged that seek to grasp more fully the messy social and political realities of workplace diversity as they operate in context critical perspectives on diversity in organizations therefore seeks to review integrate and build upon emerging critical perspectives on workplace diversity to help give a fuller understanding of how employee differences affect workplace interactions relationships employment inequality culture and society critical perspectives help to fill in and openly recognize many of the more far reaching issues that pure management and psychology approaches can leave out issues of power inequality politics history culture and lived experiences if organizations do not try to take these issues into account and critically reflect on them then diversity management is likely to remain a relatively blunt instrument or worse a hollow piece of rhetoric this book will be of interest to international graduate students and researchers working on topics associated with equality diversity and inclusion in organizations as well as various organizational practitioners and activists engaged with these issues

Critical Perspectives on Diversity in Organizations 2020-12-29
