~~design construction and alteration of many types of buildings~~  
and sites in the private and public sectors attorney general  
merrick b garland today signed a final rule under title ii of  
the americans with disabilities act ada to ensure the  
accessibility of web content and mobile applications apps for  
people with disabilities as advocates for diversity and  
inclusivity we know that every individual deserves equal  
access to public spaces regardless of their physical or  
cognitive abilities so let s dive into the world of inclusive  
design and learn how to make public spaces accessible for  
everyone monday july 17 2023 11 30 a m 1 00 p m est nsf and  
aaas co hosted a webinar how can public access advance equity  
and learning designed to solicit input and ideas on equity  
considerations associated with federal agencies public access  
plans the requirements which are identical for title ii and  
title iii entities apply to tickets sold for single events  
and those sold for a series of events e g subscriptions or  
season tickets the requirements address prevention of fraud  
in purchase of tickets for accessible seating in the past  
some public and private venues ticket sellers 6 1 general  
medical care facilities included in this section are those in  
which people receive physical or medical treatment or care  
and where persons may need assistance in responding to an  
emergency and where the period of stay may exceed twenty four  
hours accessible public spaces represent inclusivity the  
rules of access to public space are thus mediated by  
organisations with more power and then tested questioned and  
contested by those with less such exchanges can reveal the  
democratic nature of public spaces as well as their capacity  
for forming and representing inclusive public concerns  
thursday may 23 2024 this video narrated by an architect with  
the justice department s civil rights division describes  
accessibility features that should be considered to ensure  
that public schools are accessible to students with  
disabilities as required by the americans with disabilities  
act free access to over 2 3 million science research  
citations with access to over 179 000 electronic documents  
primarily from 1943 forward made publicly available by the u  
s department of energy doe the guidelines in some instances for  
modify the ansi specifications and in other instances by nosek  
substitute specifications the illustrations in the title ii  
provide an overview of many of the key requirements and leader
