The Strangers in Our Midst 2021-05-25

evangelical christians in the united states today are known for their hard line restrictive approach to immigration and refugees this book shows that this has not always been the case and is in fact a relatively new position the history of evangelical involvement with refugees and immigrants has been overlooked in the current debate since the early 1960s evangelical christians have been integral players in us immigration and refugee policy motivated by biblical teachings to welcome the stranger they have helped tens of thousands of newcomers by acting as refugee sponsors or providing legalization assistance to undocumented immigrants until the 1990s many evangelicals did not distinguish between documented and undocumented newcomers all were to be loved and welcomed in the last decade of the twentieth century however a growing anti immigrant consensus in american society grew alongside evangelicals political alignment with the republican party leading to a rethinking of their theology following the gop s lead evangelicals increasingly emphasized the need to obey american law which many argued undocumented immigrants failed to do today the evangelical movement is more divided than ever about immigration policy while conservative evangelicals are often immigration hard liners many progressive and latinx evangelicals hope to convince their fellow evangelicals to take a more welcoming approach the strangers in our midst argues that the key to understanding evangelicals divided approaches to immigration is to look at both their theology and their politics both of which have shaped howand especially to whomthey extend their biblical values of hospitality

A Stranger in Spain 1965

a pioneering look at the implications of christian faith for foreign language education it has become clear in recent years that reflection on foreign language education involves more than questioning which methods work best this new volume carries current discussions of the value laden nature of foreign language teaching into new territory by exploring its spiritual and moral dimensions david smith and barbara carvill show how the christian faith sheds light on the history aims content and methods of foreign language education they also propose a new approach to the field based on the christian understanding of hospitality

The Gift of the Stranger 2000

we live in a world of oppositional relationships and increasing in group out group divisions christian sociologist matthew vos explains how the problem of the stranger lies at the root of many problems humanity faces such as racism sexism and nationalism he applies classic sociological theory on the stranger to matters of faith and social justice showing that an identity in christ frees us to love strangers as neighbors and friends the book also includes two guest chapters one on intersex persons and the church and one on stranger making in the correctional system

My Mother, that Stranger 2019

while paul and anna are on a visit to their father they have an unforgettable encounter with a stranger in the snowy garden but this is not any stranger

A Stranger in Spain 1955

reprint of the original first published in 1866

Leigh's New Picture of London; Or ... a Luminous Guide to the Stranger 1830

silke muylaert explores the struggles of the netherlandish migrant churches in england in engaging with the reformation and the revolt in their fatherland

The ambulator; or, The stranger's companion in a tour round London, collected by a gentleman [J. Bew?]. 1794

the strangers book explores how various nineteenth century african american writers radically reframed the terms of humanism by redefining what it meant to be a stranger rejecting the idea that humans have easy access to a common reserve of experiences and emotions they countered the notion that a person can use a supposed knowledge of human nature to claim full understanding of any other person's life instead they posited that being a stranger unknown and unknowable was an essential part of the human condition affirming the unknown and unknowable differences between people as individuals and in groups laid the groundwork for an ethical and democratic society in which all persons could find a place if everyone is a stranger then no individual or class can lay claim to the characteristics that define who gets to be a human in political and public arenas lloyd pratt focuses on nineteenth century african american writing and publishing venues and practices such as the colored national convention movement and literary societies in nantucket and new orleans examining the writing of frederick douglass in tandem with that of the francophone free men of color who published the first anthology of african american poetry in 1845 he contends these authors were never interested in petitioning whites for sympathy or for recognition of their humanity instead they presented a moral imperative to develop practices of stranger humanism in order to forge personal and political connections based on mutually acknowledged and always evolving differences

The Stranger's Assistant and School-boy's Instructor. Containing Many Useful and Valuable Rules in Arithmetic ... By a Citizen 1795

Strangers and Scapegoats 2022-08-16

hezel has written an authoritative and engaging narrative of a succession of colonial regimes drawing upon a broad range of published and archival sources as well as his own considerable knowledge of the region this is a conventional history and a very good one focused mostly on political and economic developments hezel demonstrates a fine understanding of the complicated relations between administrators missionaries traders chiefs and commoners in a wide range of social and historical settings pacific affairs the tale of strangers in their own land is one of interplay between four sequential colonial regimes spain germany japan and the united states and the diverse island cultures they governed it is also a tale of relationships among islands whose inhabitants did not always see eye to eye and among individuals who fought private and public battles in those islands hezel conveys both the unity of purpose exerted by a colonial government and the subversion of that purpose by administrators teachers islands and visitors the history is thoroughly supported by archival materials first person testimonies and secondary sources hezel acknowledges the power of the visual when he ends his book by describing the distinctive flags that now replace spanish german japanese and american symbols of rule the scene epitomizes a theme of the book global political and economic forces whether colonial or post colonial cannot erode the distinctiveness each island claims american historical review

Stranger in the Snow/ 2010-02

with more than 2.5 million copies in print, Spanish Made Simple is the bestselling title in the Made Simple series for years. This trusted guide has led students, tourists, and business travelers step by step through the basic vocabulary and grammar of this most studied foreign language. Thoroughly revised and updated for our increasingly bilingual world, this new edition features verb conjugation and pronunciation charts, modern vocabulary including new idioms, review chapters, reading exercises, a complete answer section, and English-Spanish and Spanish-English dictionaries. Tools that make mastering the language fun. With Spanish Made Simple, learning a language is as easy as uno, dos, tres.

The practical Spanish Teacher 2022-01-13

Scarred from Vietnam, Steve is invited to a wedding in Mexico where he meets Miracle, a young Mexican woman who is asked to be his guide. After a series of misunderstandings, they come to care deeply for each other. This spark evolves into the flame of love. The tragedies that have paralleled their lives have led them to a better understanding of each other. The compassion that they have shown for others in the jungles of Mexico kindled the flame of love for each other.

The Stranger's Grave 1845

A Spanish Gothic version of a Patricia Highsmith novel, Jon and Katharina spend the winter on the Cantabrian coast in Jon's large childhood home, trying to fix their relationship. One night, strange lights appear in the sky, leading to an influx of visitors camping out on the beach in hopes of extraterrestrial contact. At the same time, the couple's precarious routine is disturbed by the unexpected arrival of Markel, Jon's distant cousin who had moved to Chile as a child and is now traveling throughout Europe with the attractive and silent Virginia. The awkwardness of the situation is heightened by the fact that the cousins can't remember ever meeting, leading Jon to doubt that Markel is who he says he is. Meanwhile, Virginia's presence becomes more and more threatening, and little by little, these strangers begin to take over the house. A deliciously odd novella, *The Strangers* introduces English readers to a singular talent.

Shaping the Stranger Churches 2020-10-20

This book is an expanded, larger format and more highly illustrated version of a smaller book released by CEU Press in 2011. It presents and comments on an extensive set of religious and personal photographs and illustrations that depict people along with divine beings or absent loved ones. First, Christian examines the periodic appearances of Christ-like strangers in the Spanish countryside through the vision of a woman in La Mancha in 1931. Then he considers the long history of images with liquids on them, not only for early modern Spain but also in the United States, Italy, and France in the 1940s and 1950s. The third and most extensive chapter addresses the iconography of illustrated depictions of divine and spirit beings in conjunction with humans and how its conventions were incorporated into commercial postcards and personal photographs, culminating in photo montages of families and their absent soldiers in World War I. The fourth theme is new to this edition: it compares the electric moments in Spanish communities when people ritually come into physical contact with saints and with animals or transform themselves into saints or animals for ritual purposes. Over 50 of the color photographs by Spain's preeminent documentary photographer, Cristina García Roderó, are included.

The Stranger's Grave 1824

Reproduction of the original things seen in Spain by C. Gasquoine Hartley.

The Stranger's Guide to Hampton Court Palace and Gardens 1866

Anna is always imagining things, and her brother Paul teases her about it. But one day, a stranger turns their world upside down. Who or what is he? The parallel text will help you to find out in English and Spanish.

The Stranger's Guide to Hampton Court Palace and Gardens 1853

the mingling of aristocrats and commoners in a southern french city the jostling of foreigners in stock markets across northern and western europe the club gatherings in paris and london of genteel naturalists busily distilling plants or making air pumps the ritual fraternizing of brothers in privacy and even secrecy margaret jacob invokes all these examples in strangers nowhere in the world to provide glimpses of the cosmopolitan ethos that gradually emerged over the course of the seventeenth and eighteenth centuries jacob investigates what it was to be cosmopolitan in europe during the early modern period then as now being cosmopolitan meant the ability to experience people of different nations creeds and colors with pleasure curiosity and interest yet such a definition did not come about automatically nor could it always be practiced easily by those who embraced its principles cosmopolites had to strike a delicate balance between the transgressive and the subversive the radical and the dangerous the open minded and the libertine jacob traces the history of this precarious balancing act to illustrate how ideals about cosmopolitanism were eventually transformed into lived experiences and practices from the representatives of the inquisition who found the mixing of catholics and protestants and other types of border crossing disruptive to their authority to the struggles within urbane masonic lodges to open membership to jews jacob also charts the moments when the cosmopolitan impulse faltered jacob pays particular attention to the impact of science and merchant life on the emergence of the cosmopolitan ideal in the decades after 1650 modern scientific practices coalesced and science became an open enterprise experiments were witnessed in social settings of natural inquiry congenial for the inculcation of cosmopolitan mores similarly the public venues of the stock exchanges brought strangers and foreigners together in ways encouraging them to be cosmopolites the amount of international and global commerce increased greatly after 1700 and luxury tastes developed that valorized foreign patterns and designs drawing upon sources as various as inquisition records and spy reports minutes of scientific societies and the writings of political revolutionaries strangers nowhere in the world reveals a moment in european history when an ideal of cultural openness came to seem strong enough to counter centuries of chauvinism and xenophobia perhaps at no time since jacob cautions has that cosmopolitan ideal seemed more fragile and elusive than it is today
