General Register 1960 in 1959 shortly before his death and while reflecting over his roller coaster career as a hollywood film director preston sturges who i write about more fully later in this book remarked the only amazing thing about my career is that i ever had one at all 1 the same might be said about my career as a physician and historian of medicine as a young boy some of my best companions were the characters i met on the pages of novels stories theatrical scripts and screenplays fascinated by human stories contradictions both moral and physical and worlds so vastly different from my middle class suburban detroit upbringing i was inspired to i try my hand at writing some of my own tales in my teens i was an active participant in my high school s theatre program thankfully in an era when taxpayers still supported the arts as a critical part of the public school curriculum and wrote a series of incredibly bad plays soon enough i was confronted by the decidedly difficult time i had in coming up with believable plots a serious handicap for any budding fabulist

Military Construction Authorization Fiscal Year 1969 1968 cornell university is fortunate to have as its historian a man of morris bishop s talents and devotion as an accurate record and a work of art possessing form and personality his book at once conveys the unique character of the early university reflected in its vigorous founder its first scholarly president a brilliant and eccentric faculty the hardy student body and sometimes unfortunately its early architecture and establishes cornell s wider significance as a case history in the development of higher education cornell began in rebellion against the obscurantism of college education a century ago its record claims the author makes a social and cultural history of modern america this story will undoubtedly entrance cornellians it will also charm a wider public dr allan nevens historian wrote i anticipated that this book would meet the sternest tests of scholarship insight and literary finish i find that it not only does this but that it has other high merits it shows grasp of ideas and forces it is graphic in its presentation of character and idiosyncrasy it lights up its story by a delightful play of humor felicitously expressed its emphasis on fundamentals without pomposity or platitude is refreshing perhaps most important of all it achieves one goal that in the history of a living university is both extremely difficult and extremely valuable it recreates the changing atmosphere of time and place it is written very

plainly by a man who has known and loved cornell and ithaca for a long time who has steeped himself in the traditions and spirit of the institution and who possesses the enthusiasm and skill to convey his understanding of these intangibles to the reader the distinct personalities of ezra cornell and first president andrew dickson white dominate the early chapters for a vignette of the founder see bishop s description of his first buildings cascadilla morrill mcgraw white sibley at best he writes they embody the character of ezra cornell grim gray sturdy and economical to the english historian james anthony froude mr cornell was the most surprising and venerable object i have seen in america the first faculty chosen by president white reflected his character his idealism his faith in social emancipation by education his dislike of dogmatism confinement and inherited orthodoxy while the romantic upstate gothic architecture of such buildings as the president s house now andrew d white center for the humanities sage chapel and franklin hall may be said to portray the taste and soul of andrew dickson white other memorable characters are louis fuertes the beloved naturalist his student hugh troy who once borrowed fuertes rhinoceros foot wastebasket for illicit if hilarious purposes the more noteworthy and the more eccentric among the faculty of succeeding presidential eras and of course napoleon the campus dog whose talent for hailing streetcars brought him home safely and alone from the penn game the humor in a history of cornell is at times kindly at times caustic and always illuminating

Threshold Concepts on the Edge 2019-12-30 step by step guidance for shaping better writers while keeping faculty workloads manageable effective communication is a critical skill for many academic disciplines and careers and so colleges and universities and their faculty members are rightfully committed to improving student writing across the curriculum guiding and assessing student writing in classrooms general education and departments takes knowledge planning and persistence but it can be done effectively and efficiently written in the concise accessible style barbara walvoord is known for assessing and improving student writing in college a guide for institutions general education departments and classrooms offers administrators program chairs general education leaders and classroom instructors the guidance they need the book provides concrete suggestions for how to articulate goals for student writing measure student writing improve student writing document that improvement the book begins by addressing four basic concepts what we mean by writing what we mean by good writing how students learn to write and the purposes of assessment next walvoord explains the various approaches and methods for assessing writing urging a combination of them adapted to the institution s purposes and political context after this introduction successive chapters offer realistic practical advice to institution wide and general education leaders department members and classroom instructors walvoord addresses issues such as how to engage faculty how to use rubrics how to aggregate assessment information at the department and institutional levels and how to report assessment information to accreditors the chapter for classroom instructors offers practical suggestions how to add more writing to a course without substantially increasing the grading load how to construct writing assignments how to make grading and responding more effective and time efficient how to address grammar and punctuation and how to support students whose native language is not english the book also includes four helpful appendices a taxonomy of writing across the curriculum wac and writing in the disciplines wid programs sample outlines for faculty development workshops a student survey on teaching methods instructors can use to inform their choices in the classroom and a student self check cover sheet designed to help students take ownership of their own learning and responsibility for turning in complete correct assignments practical step by step guidance for each point in the assessment and improvement process creates a cohesive institution wide system that keeps students faculty and administrators on the same page

From Phenomenology to Thought, Errancy, and Desire 2013-04-17 this book shows that gaelic adult learners occupy a central but undervalued role within the scottish gaelic speech community in general it presents a full and up to date description of the infrastructure for learning gaelic in the context of reversing language shift efforts
