1898

a resident of one of la s toughest neighborhoods uses his blistering intellect to solve the crimes the lapd ignores east long beach the lapd is barely keeping up with the neighborhood s high crime rate murders go unsolved lost children unrecovered but someone from the neighborhood has taken it upon himself to help solve the cases the police can t or won t touch they call him iq he s a loner and a high school dropout his unassuming nature disguising a relentless determination and a fierce intelligence he charges his clients whatever they can afford which might be a set of tires or a homemade casserole to get by he s forced to take on clients that can pay this time it s a rap mogul whose life is in danger as isaiah investigates he encounters a vengeful ex wife a crew of notorious cutthroats a monstrous attack dog and a hit man who even other hit men say is a lunatic the deeper isaiah digs the more far reaching and dangerous the case becomes

Outing and the Wheelman

2004-11

turning 50 years old and facing some of life's biggest questions are daunting challenges. A crisis of faith and crisis of health lead towards significant changes in one's life. For Bruce Matson, a family man with a successful law practice, the struggles of health and doubt led to action. Combining to Podcasts from notable Christian leaders Ravi Zacharias, Alastair Begg, and Tim Keller, careful research and preparation, and encouragement from family and friends, Bruce ran his race for physical and spiritual health. *The Race Before Us* by Bruce Matson is a wonderful memoir detailing the path of doubt to faith and spiritual malaise to running with God. Come alongside Bruce as he navigates the windy roads of faith and health in his pursuit of physical and spiritual well-being.

in what promises to become an omnivore's dilemma for dog lovers breed devotees and adoption advocates alike the dog merchants is the first book to explain the complex and often surprisingly similar business practices that extend from the american kennel club to local shelters from westminster champions to dog

auctions without judging dog lovers of any stripe the dog merchants makes it clear that money spent among these dog merchants has real world effects on people and canines kavin reveals how dog merchants create markets for dogs often in defiance of the usual rules of supply and demand she takes an investigative approach and meets breeders and rescuers at all levels shedding much needed light on an industry that most people don't even realize is an industry kavin's goal is to advance the conversation about how all dogs are treated from puppy mills to high kill shelters she shows that a great deal can be improved by understanding the business practices behind selling dogs of all kinds instead of pitting rescue and purebred people against each other the dog merchants shows how all dog lovers can come together with one voice as consumers on behalf of all our beloved companions

The Dog MEGAPACK®

2011-01-06

we gratefully acknowledge the financial support of cost european cooperation in science and technology funded by the horizon 2020 framework programme of the european union current grammatical knowledge about particular sign languages is fragmentary and of varying reliability and it appears scattered in scientific publications where the description is often intertwined with the analysis in general comprehensive grammars are a rarity the signgram blueprint is an innovative tool for the grammar writer a full fledged guide to describing all components of the grammars of sign languages in a thorough and systematic way and with the highest scientific standards the work builds on the existing knowledge in descriptive linguistics but also on the insights from theoretical linguistics it consists of two main parts running in parallel the checklist with all the grammatical features and phenomena the grammar writer can address and the accompanying manual with the relevant background information definitions methodological caveats representative examples tests pointers to elicitation materials and bibliographical references the areas covered are phonology morphology lexicon syntax and meaning the manual is endowed with hyperlinks that connect information across the work and with a pop up glossary the signgram blueprint will be a landmark for the description of sign language grammars in terms of quality and quantity
