Lonely Planet Japan 1997 arguably one of the most iconic mega cities in asia tokyo the capital of japan plays an important economic and cultural role it has been featured in various media as a liveable city with a well developed public transport system yet what international media coverage often misses out are its unique neighbourhoods and districts known as kaiwai they are scattered in a mosaic from downtown tokyo to its suburbs exemplifying a type of urbanism wholly unique to asia and foreshadowing a future vision which suggests regional autonomy in a post covid 19 world in this book the authors thoroughly investigate the city s multi layered spatial and sociocultural aspects introducing a side of tokyo little known to the world at large readers who are only familiar with tokyo s depiction as an ultra modern city will appreciate the book s insights into the kaiwai phenomenon the pre modern urban structure of edo city and contemporary tokyo s asian urbanism including traditional community activities such as local festivals the formation of new communities by old and new residents and intimate community life using a network of alleys combining urban planning sociological anthropological and architectural perspectives the book s interdisciplinary approach looks at tokyo from the peripherical to the kaiwai level

DIDDIDDIDDID 525 2018-10-30 high schooler hajime tsukiyoda went to shibuya that day hoping only to find inspiration for his next film he never expected to find himself smack dab in the middle of a real life horror movie without warning schools of massive goldfish descend upon the crowded streets and the mystified onlookers confusion quickly turns to terror as the fish begin to feed from their tentative shelter hajime and a handful of survivors await a rescue that seems more and more unlikely as the days and hours tick by meanwhile all around them the bloody feeding frenzy rages

100 Places to Visit Around Tokyo 2012-03-14 violent cannibalistic supernatural many are the rumors that have circulated about the shibuya sable but sixteen year old aki touji is about to come face to face with the legend himself aki and her brother have been living in terror since the sudden appearance of giant bloodthirsty goldfish in the streets of shibuya but the homeless man known as the sable seems unfazed by the swarming schools tackling the fish head on the sable is not afraid to fight for the city he calls home in the sable aki wonders if she has found her protector and savior in the midst of chaos or if the sable s own chaotic mind and motives are themselves things to be feared

Transmission Line Matrix (TLM) in Computational Mechanics 2019-08-01 the field of performing transcatheter interventions to treat vascular lesions has exploded over the past 20 years not only has the technology changed especially in the arena of balloon stent devices but the techniques of approaching complex lesions has evolved over the past decade lesions that no one would have imagined treating back in the 1990 s are now being done routinely in the catheterization suite this book provides an update on the current techniques and devices used to treat a wide variety of lesions though at first the outward appearance of the topics appears to be varied they are all related by the common thread of treating vascular lesions we hope by publishing this book to accomplish two things first to offer insight from experts in their field to treat both medically and procedurally complex vascular lesions that we frequently encounter secondly we hope to promote increased communication between areas of medicine that frequently don t communicate between adult interventional cardiologists pediatric interventional cardiologists interventional radiologists and neurosurgeons much can be learned from our respective colleagues in these areas which can further our own world of interventions **Shibuya Goldfish, Vol. 1** 1996-12 lonely planet the world's leading travel guide publisher lonely planet best of japan is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you see traditional geisha in kyoto hike up mt fuji or shop around the clock in tokyo all with your trusted travel companion discover the best of japan and begin your journey now inside lonely planet best of japan full colour maps and images throughout highlights and itineraries help you tailor your trip to your personal needs and interests insider tips to save time and money and get around like a local avoiding crowds and trouble spots essential info at your fingertips hours of operation phone numbers websites transit tips prices honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most quidebooks miss cultural insights give you a richer more rewarding travel experience history art architecture politics landscapes wildlife cuisine onsen ryokan customs etiquettecovers tokyo kyoto nara japan alps fuji five lakes mt fuji hiroshima osaka naoshima hokkaido kagoshima okinawa kii peninsula and more the perfect choice lonely planet best of japan our easy to use guide filled with inspiring and colorful photos focuses on
