The Brook Kerith; a Syrian Story. By: George Moore **2016-12-03**

it is the late 1960s rebellion and doing your own thing is in but while the majority of australians flock to the beaches one young man heads inland to find his patch of dirt and follow his dream on the banks of moonan brook surrounded by inhospitable and barely accessible bushland a local on his horse stumbles across this twenty three year old with his inappropriate vehicle a dog named doggo and a girlfriend sitting under a tree reading a book he listens as the pale young city slicker with a mannered accent tells him he wants to go bush what drives him over the next fifty years to build and maintain a bush hut in challenging terrain will captivate the imagination as the dreamt of patch materialises a hut is built and grows and the forest tamed henry lawson or henry thoreau along the way we catch glimpses of his fellow travellers who come and go over the years each contributing in their own way to the fulfilment of one man s unwavering vision romances form and fade friendships will span generations and continents and through it all threads the forest its plants its creatures its quiet power until finally time dictates a letting go
