celebration of creativity and storytelling the cat kid
comic club series

Dog Man 1-3 2017-10-31 hundmannen är dav pilkeys nya
superhjälte efter tolv spännande och skruvade äventyr
med kaptan kalsong är det dags för denna sammansatta
karaktär att göra entré vad får man om man syr ihop en
trasig polishund med en trasig polisman hundmannen en
stark mänsklig kropp ihopsydd med en smart hundhjärna
blir ett vinnande koncept polischefen är till en början
skeptisk till detta håriga tillskott i polisstyrkan men
snart inser även han att lagens långa arm kan ha nytta
av en polis som både kan sniffa upp skurkaktigheter och
samtidigt pinka in stadens revir frågan är bara om
hundmannen klarar av att ständigt välja plikten framför
allt med tanke på det vilda inom honom dav pilkey låter
huvudpersonerna från kaptan kalsong george och harold
berätta även denna historia de gör det som vanligt på
sitt ytterst infallsrika och humoristiska sätt
resultatet blir stor läsglädje för både lässvaga och
läsvana och särskilt för serieälskare för nu blir det
100 serie och 100 färg

Dog Man: the First Seven Books 2020-10 yes i believe
what the dog says draws on its predecessor my years
with a dogman this book is a collection of provocative
inspirational and at times humorous quotes taken from
letters and conversations between mike the dogman
mcconnery and his german mentor guenther before
arriving in canada after wii guenther had been
responsible for the breeding keeping and training of
elite war dogs and was the only dogman granted access
to hitler s personal dogs and to hitler himself during
their time together guenther shared with mike ancient
wisdom about life man and the german sherpherd s dog
which continues to resonate powerfully today guenther
believed that the dog not only mirrors the soul of his
handler but is an excellent judge of the character of
others in his words i have learned to trust my dogs
opinion of my fellow man more than my own opinion they
look past the trappings of life deep into the inner
being they see those things which a smile or pretty
face might hide they see those things which tattered
clothes may conceal yes i believe what the dog says
