Official Register of the United States 1900

the seventh international palynological congress was held in brisbane australia from 29th august to 3rd september 1988 both the congress and the papers compiled here show palynology to be a discipline striking in its breadth characterised by a diversity of content methodology and application the breadth spans important applications in medicine in evolutionary biology and taxonomy in ecology in stratigraphy and sedimentology in oil exploration and recovery in paleoclimatology and even in the highly practical forensic science within the fields themselves there is clearly an increasing depth of

understanding as well as breadth of compass

Maine Register Or State Year-book and Legislative Manual from April 1 ... to April 1 ... 1931
