Building Literacy in Social Studies

2007-04-15

preparing students to be active informed literate citizens is one of the primary functions of public schools but how can students become engaged citizens if they can't read let alone understand their social studies texts what can educators and social studies teachers in particular do to help students develop the knowledge skills and motivation to become engaged in civic life building literacy in social studies addresses this question by presenting both the underlying concepts and the research based techniques that teachers can use to engage students and build the skills they need to become successful readers critical thinkers and active citizens the authors provide targeted strategies including teaching models graphic organizers and step by step instructions for activities such as building vocabulary developing textbook literacy skills interpreting primary and secondary sources applying critical thinking skills to newspapers and magazines and evaluating internet sources readers will also learn how to organize classrooms into models of democracy by creating learning communities that support literacy instruction distribute authority encourage cooperation and increase accountability among students realistic scenarios depict a typical social studies teacher's experience before and after implementing the strategies in the classroom showing their potential to make a significant difference in how students respond to instruction by making literacy strategies a vital part of content area instruction teachers not only help students better understand their schoolwork but also open students eyes to the power that informed and engaged people have to change the world

Teaching History with Film

2010-02-25

visit any school in the united states and chances are that you will find at least one of the social studies teachers showing a film about history along with the textbook movies are one of the most prominent teaching aids in the history classroom yet when middle and high school history teachers look for models of the effective use of motion pictures in history classrooms the cupboard is surprisingly bare teaching history with film provides a fresh engaging and clear overview of teaching with film to effectively enhance social studies instruction using cases of experienced teachers to illustrate accomplished history teaching through the use of movies this text provides pre and in service teachers with ideas for implementing film based lessons in their own classrooms and offers a deeper understanding of the thorny issues involved in using film to teach history each section of the book focuses on how teachers can effectively support the development of students historical film literacy through topics such as using film to develop historical empathy to develop interpretive skills and to explore controversial issues by developing the skills students need to think critically about the past or what they think they know about history the lessons in this book illustrate how to harness the pedagogical power of film to provide the tools necessary for rigorous inquiry and democratic citizenship special features include reflection on the case following each chapter analyzing and discussing the strengths and limitations of the teacher s approach as well as providing strategies for using and choosing films specific to the educational outcome sample unit outlines descriptions of class texts and films worksheets essay questions viewer guides and exercises for the classroom throughout discussion of the practical considerations facing classroom teachers including juggling time restraints issues of parental permission and meeting standards

educate students in mind and body and optimize their success there is no issue today that gets more attention and incites more debate than children s use of technology technology offers exciting new opportunities and challenges to you and your students meanwhile movement is essential to learning it increases mental energy and helps brain cells develop but screen time often comes at the expense of physical activity how do you choose you don t this blended instructional approach combines kinesthetic teaching methodologies with technological resources to meet content standards increase achievement and test scores and enrich the learning process here you ll find a neuroscientific overview of the powerful brain body connection step by step instructions for balancing movement and the use of technology in the classroom practical tools templates and vignettes to ensure successful implementation classroom management tactics and useful remedies for common problems educating the whole child means promoting social physical mental emotional and cognitive growth by joining two powerful teaching

tools you ll prepare students for a bright future in school and in life while growing your instructional expertise as well

One Love

2003-12

it was the last few weeks of high school and in those few short weeks a dramatic change came about in the life of senior paul abbaszadeh it can only be described as magical and fairytale like after four years of futile attempts at dating he never expected to find anyone who would truly appreciate him for who he was that all changed in an instance when he finally met that one special person she came into his life and from then on everything changed how beautiful life was it had taken nearly four years and when he least expected it love crept up on him she was everything he could ever want in a girl smart charming funny charismatic and of course beautiful everything was perfect then the summer came and it played out like a classic hollywood film no other two people could have been so in love the summer ended and they were separated in distance as they parted for college not even the distance could mar their love for one another as their love endured and their bond grew stronger with each passing day one love is a true love story a written account taken from the memoirs of paul abbaszadeh you will discover the beauty and innocence of young love from high school to the carefree days of summer and beyond written in the most sincere form

Merci Suárez Plays It Cool

2022-09-13

in a satisfying finale to her trilogy newbery medalist meg medina follows merci suárez into an eighth grade year full of changes evolving friendships new responsibilities and heartbreaking loss for merci suárez eighth grade means a new haircut nighttime football games and an out of town overnight field trip at home it means more chores and keeping an eye on lolo as his health worsens it s a year filled with more responsibility and independence but also with opportunities to reinvent herself merci has always been fine with not being one of the popular kids like avery sanders who will probably be the soccer captain and is always traveling to fun places and buying new clothes but then avery starts talking to merci more and not just as a teammate does this mean they re friends merci wants to play it cool but with edna always in her business it s only a matter of time before merci has to decide where her loyalty stands whether merci is facing school drama or changing family dynamics readers will empathize as she discovers who she can count on and what can change in an instant in meg medina s heartfelt conclusion to the trilogy that began with the newbery medal winning novel

That's Not What I Heard

2019-02-26

from the author of the date to save and it s not me it s you comes a new novel about what happens when a rumor about a breakup is more interesting than the truth for fans of mean girls and other high school comedies kirkus reviews plenty of hyperbole provides copious amounts of laughter give this to readers who crave something light and humorous booklistwhat did you hear kimberly landis lilley and teddy lin are over yes the kim and teddy broke up at least that s what phil spooner thinks he overheard and then told jess howard kim s best friend something about teddy not liking kim s instas or was it that teddy is moving to italy and didn t want to do long distance or that kim slid into someone else s dms jess told her boyfriend elvis that he needs to be on kim s side especially if he wants to keep her as his girlfriend but elvis is also teddy s best friend now kim s run out of school for the day jess is furious elvis is confused and half the lunch period won t talk to teddy even the teachers have taken sides william henry harrison high will never be the same again

The Season

2008

although written primarily with the coach in mind the season will also be of interest to those who enjoy the game of hockey and want to know more about what goes on behind the scenes during a hockey season in addition to enhancing the understanding of the game it will hopefully provide a useful planning blueprint for coaches at any level the book starts with a focus on preparation the mental and physical preparation of the athlete as well as the seasonal preparation and planning requirements of the coach it then goes on to examine the evaluation and selection of a team ideas for establishing an effective process and important considerations for assembling a well balanced team are examined as the journey through the season continues practice planning and game strategies are discussed thoroughly many diagrams of practice drills and illustrations of team systems are provided the final chapter focuses on the playoffs ideas for sharpening the focus of the team as it prepares for this important time of year are provided the book concludes with a look into the future for players and coaches and then provides some suggestions about finishing off the season on a positive note readers will find that the season provides them with some great coaching resources written in a clear and easy to understand style the author relates many personal stories ideas and opinions that will be useful and thought provoking
