in his highly acclaimed debut the lies of locke lamora scott lynch took us on an adrenaline fueled adventure with a band of daring thieves led by con artist extraordinaire locke lamora now lynch brings back his outrageous hero for a caper so death defying nothing short of a miracle will pull it off after a brutal battle with the underworld that nearly destroyed him locke and his trusted sidekick jean fled the island city of their birth and landed on the exotic shores of tal verrar to nurse their wounds but even at this westernmost edge of civilization they can't rest for long and are soon back to what they do best stealing from the undeserving rich and pocketing the proceeds for themselves this time however they have targeted the grandest prize of all the sinspire the most exclusive and heavily guarded gambling house in the world its nine floors attract the wealthiest clientele and to rise to the top one must impress with good credit amusing behavior and excruciatingly impeccable play for there is one cardinal rule enforced by requin the house's cold blooded master it is death to cheat at any game at the sinspire brazenly undeterred locke and jean have orchestrated an elaborate plan to lie trick and swindle their way up the nine floors straight to requin's teeming vault under the cloak of false identities they meticulously make their climb until they are closer to the spoils than ever but someone in tal verrar has uncovered the duo's secret someone from their past who has every intention of making the impudent criminals pay for their sins now it will take every ounce of cunning to save their mercenary souls and even that may not be enough praise for red seas under red skies lynch hasn't merely imagined a far off world he's created it put it all down on paper the smells the sounds the people the feel of the place the novel is a virtuoso performance and sf fantasy fans will gobble it up booklist starred review red seas under red skies firmly proves that scott lynch isn't a one hit wonder it'll only be a matter of time before scott lynch is mentioned in the same breath as george r r martin and steven erikson fantasy book critic grand grandiose grandiloquent no critic is likely to fault lynch in his overflowing qualities of inventiveness audacious draftsmanship and sympathetic characterization

Il libro è una guida pratica per scrivere romanzi e racconti. È diviso in tre parti: la prima parte spiega come costruire una trama avvincente, la seconda parte spiega come creare personaggi memorabili e la terza parte spiega come scrivere dialoghi efficaci. Il libro è molto utile per chi vuole imparare a scrivere e per chi vuole migliorare le proprie abilità di scrittura.
