The Christian Writer's Manual of Style 2016-08-30

the standard style guide of the christian publishing industry the christian writer s manual of style 4th edition compiled by veteran zondervan editor robert hudson contains clear guidance on style questions related to religious writing including many topics not addressed in other references or online nearly half of this fourth revision is made up of new material including information about turning blogs into books the effects of digital media on writing adverbial doubles vanishing accents word choice strategies endorser guidelines and much more it also contains an all new word list which makes up more than a third of the book the most needful information remains entries on capitalization abbreviation citations fictional dialogue and more but it has all been updated to keep pace with changes in english language usage this fourth edition also corresponds with the chicago manual of style 16th edition 2010 though it isn t afraid to chart new territory where that reference is unhelpful on issues of religious writing comprehensive yet easy to use the christian writer s manual of style 4th edition is a go to resource for christian authors pastors teachers copy writers editors proofreaders publishing and ministry professionals executive assistants and students anyone who writes or edits as a part of their work or study and for grammar aficionados everywhere

The Professional Sign Language Interpreter's Handbook 2018
