2013-07-01

writing about the past helps to explain why i am discontent and continuously angry i am reminded that america is a society dominated by religious fundamentalism and racism after a time i rejected the white american world and went to asia seeking another basis for my identity my identity is still in question i cannot become an asian and although i was born in this country i am not accepted as an american citizen as my birth certificate clearly states i am not of an accepted racial color

## **Administration of Health and Physical Education Programs, Including Athletics**

1971

baseball is the only major team sport that doesn't feature a clock and there's a familiar saying among fans that as long as outs remain the game can theoretically go on forever every now and again it nearly does as author phil lowry demonstrates the product of more than four decades of research this book catalogs baseball games from

around the world and throughout history that lasted 20 or more innings stretched five or more hours or ended after 1 00 am lowry also examines probability models to predict how often games of unusual length will occur

## **Netter's Sports Medicine E-Book**

2013-11-25

the commercial model of college sports entangles presidents boards and their institutions in a complex web of dysfunctional commitments the unrivaled amount of cash poured into the college athletic system has made sports programs breeding grounds for corruption while diverting crucial resources from the academic mission of universities like money in washington politics the influence bought by a complex set of self interested actors seriously undermines movement toward reform while trapping universities in a cycle of escalating competition longtime sport sociologist howard l nixon ii approaches the issue from the perspective of college presidents how they are seduced by prestige or pressured by economics into building programs that move schools toward a commercial model of athletics nixon situates his analysis in the context of what he calls the intercollegiate golden triangle a powerful social network of athletic media and private corporate commercial interests this network lures presidents and other university leaders into an athletic arms race with promises of institutional enhancements increased enrollments better student morale improved alumni loyalty more financial contributions and higher prestige these promises can cloud the judgment of college presidents and governing boards entangling them in an athletic trap that restricts their influence unable to control spending inequalities and deviance within commercialized athletic programs universities are ensnared in financial political and social obligations that are difficult to sustain or escape nixon clarifies the structure of this trap describes how higher education institutions fall into it and explores what it means for institutions and presidents caught in it this timely analysis also has relevance to the debates about the role of the ncaa and ongoing reform efforts in college sports the athletic trap will be of interest to university presidents board members and administrators sport sociologists concerned with the balance of power between academics and athletics and anyone else with a serious interest in college sports and its future
