final issue of each volume includes table of cases reported in the volume the code of federal regulations is the codification of the general and permanent rules published in the federal register by the executive departments and agencies of the federal government this issue brief presents a measure of teacher qualifications that includes additional detail on the educational backgrounds and certifications of out of field teachers the focal subject for the issue brief is history world civilization at the secondary level p 1 financial collapses whether of the junk bond market the internet bubble or the highly leveraged housing market are often explained as the inevitable result of market cycles what goes up must come down in liquidated karen ho punctures the aura of the abstract all powerful market to show how financial markets and particularly booms and busts are constructed through an in depth investigation into the everyday experiences and ideologies of wall street investment bankers ho describes how a financially dominant but highly unstable market system is understood justified and produced through the restructuring of corporations and the larger economy ho who worked at an investment bank herself argues that bankers approaches to financial markets and corporate america are inseparable from the structures and strategies of their workplaces her ethnographic analysis of those workplaces is filled with the voices of stressed first year associates overworked and alienated analysts undergraduates eager to be hired and seasoned managing directors recruited from elite universities as the best and the brightest investment bankers are socialized into a world of high risk and high reward they are paid handsomely with the understanding that they may be let go at any time their workplace culture and networks of privilege create the perception that job insecurity builds character and employee liquidity results in smart efficient business based on this culture of liquidity and compensation practices tied to profligate deal making wall street investment bankers reshape corporate america in their own image their mission is the creation of shareholder value but ho demonstrates that their practices and assumptions often produce crises instead by connecting the values and actions of investment bankers to the construction of markets and the restructuring of u s corporations liquidated reveals the particular culture of wall street often obscured by triumphalist readings of capitalist globalization the united states code is the official codification of the general and permanent laws of the united states of america the code was first published in 1926 and a new edition of the code has been published every six years since 1934 the 2012 edition of the code incorporates laws enacted through the one hundred twelfth congress second session the last of which was signed by the president on january 15 2013 it does not include laws of the one hundred thirteenth congress first session enacted between january 2 2013 the date it convened and january 15 2013 by statutory authority this edition may be cited u s c 2012 ed as adopted in 1926 the code established prima facie the general and permanent laws of the united states the underlying statutes reprinted in the code remained in effect and controlled over the code in case of any discrepancy in 1947 congress began enacting individual titles of the code into positive law when a title is enacted into positive law the underlying statutes are repealed and the title then becomes legal evidence of the law currently 26 of the 51 titles in the code have been so enacted these are identified in the table of titles near the beginning of each volume the law revision counsel of the house of representatives continues to prepare legislation pursuant to 2 u s c 285b to enact the remainder of the code on a title by title basis into positive law the 2012 edition of the code was prepared and
