years this comprehensive and accessible textbook introduces students to the basics of modern signal processing techniques the television personality and member of the duck commander family shares the list of principles that lead her to personal and spiritual growth and help her live the way god says to live although traditionally accepted by the church down through the centuries the longer ending of mark s gospel 16 9 20 has been relegated by modern scholarship to the status of a later appendage the arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of mark and upon matters of language and style this work shows that these primary grounds of argumentation are inadequate it is demonstrated that the church fathers knew the markan ending from the very earliest days well over two centuries before the earliest extant manuscripts the quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed markan passages strong indications of markan authorship are found in the presence of specific linguistic constructions a range of literary devices and the continuation of various themes prominent within the body of the gospel furthermore the writings of luke show that the gospel of mark known to this author contained the ending rather than being a later addition the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission probably in egypt during the second century fresh from a near death experience in the hospitals of washington dc dr kasonso explains the essence of life in our world today including timeless principles inspirational stories and a personal witness of what holds life together human existence is a quest to find significance we all want our lives our activities our situations and the people around us to make sense but in our broken world life is always juxtaposed by endless predicaments as such we all live through for and what is completely beyond us what we can live with and what we can live without relive the principles that make life worth living and discover a way to find meaning in a broken world in the original templates dr kasonso beautifully captures the essence of what it means to live a life that is fully surrendered to jesus it is inspiring it is encouraging it is challenging read it slowly and let it shape your heart and mind in the way of jesus insoo kim coauthor of both and living the christ centered life in an either or world and church planter of life church vancouver bc canada the original templates is a must read book for everyone who is seeking his life to be reignited with passion for the lord and his mission its not just like any other book filled with words but something that is calling us back to original christianity and be the answer to this broken world dr kasonso is an ordinary christian with an extraordinary faith in lord and a great inspiration to my personal walk with the lord rev damas kamfwa national director association of vineyard churches zambia dr kasonso has written a book that is refreshing to the eyes which are also the windows to the soul kasonso takes his audience on a beautiful journey of ingenuity and along the journey it is clear that his book lives up to its title get this book it is a must read michael badriaki author of when helping works alleviating fear and pain in global missions contains papers that appeal to a broad and global readership in all fields of economics in the mid 3rd century bc king ptolemy ii philadelphus of egypt ordered a translation of the ancient hebrew scriptures for the library of alexandria which resulted in the creation of the septuagint the original version published circa 250 bc only included the torah or in greek terms the pentateuch the torah is the five books traditionally credited to mores circa 1500 bc cosmic genesis exodus leviticus numbers and deuteronomy the first edition was followed by the second around 225 bc which added the books of joshua judges and ruth which was later known as the octateuch this version of the septuagint was later carried south into the kingdom of kush by the jews fleeing egypt in 200 bc when judea was in revolt and the ptolemy's attempted to exterminate the jews in egypt the octateuch later became the torah of the beta israel community in sudan and ethiopia known as the orit a number of stories exist to explain the origin of the beta israel community the ethiopian jews indigenous to ethiopia eritrea and sudan the recorded story of the origin of the ethiopian jews was reported by eldad ha dani in the late 800s ad eldad ha dani was a dark skinned jew from a country south of kush modern northern sudan who was captured by pagan ethiopians and ultimately sold on the coast of what might be modern kenya or tanzania to a jew from the parthian empire who took him back to modern iran he later traveled through the middle east and the mediterranean sea he claimed that he was from a country of jews south of kush who were the descendants of the tribes of dan gad naphtali and asher who had left israel during the civil war that split the kingdom into judea and samaria modern secular scholars doubt there was a united kingdom of israel however if the civil war did happen it would have happened in 922 bc when jeroboam i and rehoabam split the kingdom of solomon if true this would make the ethiopian

jews neither jews nor samaritans but a third branch of the judeo samaritan religions and arguably older than the others the christian text kebra nagast claims that judaism entered into ethiopia slightly earlier when the ethiopian queen of sheba traveled to israel and was impregnated by king solomon her son menelik i led a group of jews to ethiopia when he stole the ark of the covenant other than the ethiopian orthodox christians few consider the kebra nagast historically valid some members of the beta israel community claim the ethiopian jews were originally members of the jewish tribes led by moses that chose not to enter into canaan with joshua and instead traveled south and settled in the land of moses ethiopian wife mentioned in numbers chapter 12 a third story of the origin of the ethiopian jews took place shortly after the greeks had taken control over egypt and judea when king ptolemy i resettled judeans in southern nubia this would have taken place between 305 and 282 bc and later the jews migrated south for various reasons however they ended up in ethiopia they have traditionally used a variation of the octateuch which they call the orit the octateuch is documented as being the version of the septuagint that was published around 225 bc like the ethiopian christian bible the orit appears to have had sections updated from hebrew and arabic sources over the past two thousand years octateuch the original orit is a 21st century translation aimed at restoring the original orit
