hilarious accessible cartoon style inside you ll find entertaining and educational content for beginners and experts basic skills to advanced techniques like descending stairs and jumping important information on skate maintenance safety and more riotous cartoons that make learning fun whether you re an armchair skater or a guerrilla blader this is the book you ve been waiting for this condensed anthology reproduces close to a dozen plays from xiaomei chen s well received original collection the columbia anthology of modern chinese drama along with her critical introduction to the historical cultural and aesthetic evolution of twentieth century chinese spoken drama comprising representative works from the republican era to postsocialist china the book encapsulates the revolutionary rethinking of chinese theater and performance that began in the late qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism socialism political conflict and war chosen works from 1919 to 1990 also highlight the formation of national and gender identities during a period of tremendous social cultural and political change in china and the genesis of contemporary attitudes toward the west prc theater tracks the rise of communism juxtaposing ideals of chinese socialism against the sacrifices made for a new society post mao drama addresses the nation s socialist legacy its attempt to reexamine its cultural roots and postsocialist reflections on critical issues such as nation class gender and collective memories an essential portable guide for easy reference and classroom use this abridgment provides a concise yet well rounded survey of china s theatricality and representation of political life the original work not only established a canon of modern chinese drama in the west but also made it available for the first time in english in a single volume this book is about the family lives of some 10 000 children and adults who live in an all negro public housing project in st louis the pruitt igoe project is only one of the many environments in which urban negro americans lived in the 1960s but the character of the family life there shares much with the family life of lower class negroes as it has been described by other investigators in other cities and at other times in harlem chicago new orleans or washington d c this book is primarily concerned with private life as it is lived from day to day in a federally built and supported slum the questions which are treated here have to do with the kinds of interpersonal relationships that develop in nuclear families the socialization processes that operate in families as children grow up in a slum environment the informal relationships of children and adolescents and adults with each other and finally the world views the existential framework arising from the life experiences of the pruitt igoeans and the ways they make use of this framework to order their experiences and make sense out of them the lives of these persons are examined in terms of life cycles each child there is born into a constricted world the world of lower class negro existence and as he grows he is shaped and directed by that existence through the day to day experiences and relationships available to him the crucial transition from child of a family to progenitor of a new family begins in adolescence and for this reason the book pays particular attention to how each new generation of parents expresses the cultural and social structural forces that formed it and continue to constrain its behavior this book in short is about intimate personal life in a particular ghetto setting it does not analyze the larger institutional social structural and ideological forces that provide the social economic and political context in which lower class negro life is lived these larger macro sociological forces are treated in another volume based on research in the pruitt igoe community however this book does draw on the large body of literature on the structural position of negroes in american society as background for its analysis of pruitt igoe private life this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we re happy to make these classics available again for future generations to enjoy investigates alleged teamsters locals 239 and 107 management improprieties related to organized crime this carefully crafted ebook western classics boxed set 12 novels in one volume is formatted for your ereader with a functional and detailed table of contents table of contents the two gun man the coming of the law the trail to yesterday the boss of the lazy y the range boss firebrand trevison the ranchman the trail horde beau rand drag harlan square deal sanderson west charles alden seltzer 1875 1942 was a prolific american author of western novels he wrote his westerns from the experience of living on his uncle s ranch in new mexico seltzer s best works include the two gun man the boss of the lazy y drag harlan and west many of his novels were turned into hollywood movies the khaki boys at camp sterling by josephine chase is an engaging novel set during world war i that follows the adventures of a group of young men who join the war effort this story is part of a series that highlights the experiences and heroism of the khaki boys set in the backdrop of the war the narrative unfolds as the khaki boys a close knit group of friends arrive at camp sterling for their military training each character brings their unique background and personality to the story and readers are given insight into their individual journeys as they transition from civilians to soldiers throughout the novel the khaki boys face various challenges and trials as they prepare for their roles in the war they undergo rigorous training form strong bonds of friendship and find themselves tested both physically and emotionally the story also explores the impact of the war on their families and loved ones back home as the khaki boys venture into the battlefield they encounter the harsh realities of war including danger loss and the enduring spirit of camaraderie the novel portrays the sacrifices made by soldiers and their unwavering dedication to their country the khaki boys at camp sterling is not only an exciting war story but also a tribute to the bravery and resilience of those who served during world war i it offers readers a glimpse into the lives of young men who faced the challenges of war with courage and patriotism making it a compelling read for those interested in historical fiction and wartime narratives dividin peter blautner s edgar award winning first novel a new york probation officer locks horns with a deadly young drug dealer dividin dividin a probation officer in a city plagued by drugs murders and corruption steven baum supervises marginal criminals not dangerous enough for prison but too damaged to go totally free he watches them keeps them in line and once in a long while helps one improve his life the job is a vicious grind but steven is good at it and he is about to be rewarded with a transfer to active duty but first he has to deal with darryl king dividin dividin a small time dealer with big aspirations darryl is the kind of thug who makes probation officers want to quit although the boy terrifies him steven

holds out hope for helping him turn his life around what he doesn't know is that darryl is a cop killer and his troubles have only just begun
