Alex Rider is now an IMDb TV Amazon Original series. The world's greatest teen spy is back in action in a thrilling new mission: destroy once and for all the terrorist organization Scorpio. Americans may have purchased more than 6 million copies of Alex's adventures, but now more than ever we all need his heroics. Following the events of Scorpio Rising, Alex relocates to San Francisco as he slowly recovers from the tragic death of his best friend and caregiver Jack Starbright at the hands of terrorists working for Scorpio. With Jack gone, Alex feels lost and alone, but then out of the blue he receives a cryptic email just three words long but enough to make Alex believe that Jack may be alive. Armed with this shred of hope, Alex boards a flight bound for Egypt and embarks on a dubious quest to track Jack down. Yet Scorpio knows Alex's weakness, and the question of whether Jack is alive soon takes a backseat to a chilling new terrorist plot, one that will play with Alex's mind as he grasps the magnitude of what is at stake. From Egypt to France to Wales, from luxury yachts to abandoned coal mines, Alex traverses a minefield of dangers and cryptic clues as he fights to discover the truth. The #1 New York Times bestselling series, perfect for fans of James Bond and Jason Bourne, is back with a vengeance. Praise for *Never Say Die* once again: amid races, chases, hails of bullets, and increasingly spectacular explosions, the teenage James Bond pulls off one awesome feat of derring-do after another. This fresh caper roars along to a naturally explosive climax. Booklist, in his usual breakneck fashion, Horowitz whisks Alex from one improbable situation to another. This installment is sure to please Alex's legions of fans. Kirkus Reviews.

Never Say Die! 2014

From the acclaimed author of *Moxie* comes a gripping gender-flipped reimagining of the *Outsiders* that explores the deep bonds of female friendship and what it takes to be a bad girl. 1964 Houston, Texas: Evie Barnes is a bad girl, so are all her friends. They're the sort who wear bold makeup, laugh too loud, and run around with boys. Most of all, they protect their own against the world. So when Evie is saved from a sinister encounter by a good girl from the right side of the tracks, every rule she's always lived by is called into question. Now she must redefine what it means to be a bad girl and rethink everything she knew about loyalty. In this riveting story of murder, secrets, and tragedy, Jennifer Mathieu puts a female twist on S.E. Hinton's *The Outsiders*. *Bad Girls Never Say Die* has all the drama and heartache of that teen classic, but with a feminist take just right for our times.

Never Say Die 2018-10-09

Described as the most sensational security, diplomatic, and judicial quagmire in post-independence Kenya, this is the first-hand testament of a political prisoner's struggle to survive. The prominent and internationally respected Kenyan attracted wide local and international support with many organizations and individuals supporting his efforts to be freed. His arrest took place in 1986 and for over three years he was in the hands of the security system. He suffered inhuman torture, the authorities being suspicious of his political activities. Here he recounts the story step by step, both of his own treatment and the legal and humanitarian work to get him released.
