The Organic Lawn Care Manual

2007-01-31

win more cases and help more clients ralph adam fine pulls no punches in the sixth edition of his highly acclaimed how to win trial manual shows why the traditional ways to try a case in court are suicidal and gives extensive examples of such suicidal advocacy by famous high profile well paid trial lawyers in each of his examples ralph adam fine shows how the lawyers could have done a better job this will help you hone your winning skills ralph adam fine also demonstrates why many of irving younger s famous ten commandments of cross examination are not only wrong but why following them significantly reduces your chances of winning since it was first published by juris in 1998 ralph adam fine s the how to win trial manual has been giving lawyers that special edge so they can win even the toughest cases now in this newly revised sixth edition the how to win trial manual takes the unique extra step of showing how and why famed trial lawyers vincent bugliosi and gerry spence both superb advocates could have been even more effective in their ground breaking face off when bugliosi prosecuted and spence defended lee harvey oswald in connection with the assassination of president john f kennedy the trial memorialized in a superb two disc dvd set on trial lee harvey oswald was before a sitting texas federal district court judge and a jury of dallas citizens taken from the dallas jury rolls although the trial was more than two decades removed from the assassination bugliosi and spence managed to get as witnesses many of the people who were at the assassination and its aftermath none of the witnesses testifying in the trial were actors the trial was in london in a replica of a texas federal courtroom and both bugliosi and spence gave it their all preparing as they would have for a real trial and arguing their respective positions with the gusto for which each is justifiably famous ralph adam fine has taken the transcript of the two disc dvd set and shown with his interleaved comments as he has done with the o j simpson martha stewart and enron jeffrey skilling and ken lay trials as well as a federal court antitrust trial how bugliosi and spence could have been better the oswald chapter new for the sixth edition will help all trial lawyers nail the winning techniques to be successful in the courtroom the sixth edition also gives us ralph adam fine s special insights into the strategies and trial techniques of the prosecution and defense in the murder trial of michael peterson memorialized in the six hour dvd set death on the staircase peterson was charged with killing his wife he claimed at trial that she accidentally fell down the stairs in their durham north carolina mansion this chapter too is new for the sixth edition how to win trial manual and it shows what works and what does not work and why it will help

lawyers avoid the common traps that sink even the best plans well laid the how to win trial manual shows how to win by using your most powerful tool the jury s belief that you the lawyer know the truth of the case ralph adam fine also shows how to ask questions on both direct examination and cross examination so the jury will know the answers before the witnesses whether lay or expert respond simply put if you phrase your questions so that the jury answers them the way you want before your witnesses answer and irrespective of what your adversary s witnesses may say on cross examination you will win for a further explanation of ralph adam fine s and winning techniques as well as what other lawyers have said about the how to win trial manual visit his website win your trial com ralph adam fine shows you how to do all of this and more you and your clients deserve no less
