General Motors A-cars Owners Workshop Manual 1987 the mclaren mp4 4 is the iconic honda v6 turbo powered f1 car built by mclaren for the 1988 grand prix season driven by ayrton senna and alain prost remarkably the car won all but one race during 1988 and took mclaren s then new recruit senna to his first drivers world championship after a season long battle with team mate prost mclaren achieved an astonishing 10 one two finishes with the car and suffered only two car related retirements during the season the mp4 4 is still statistically the most dominant f1 car ever built ironically the fact that mclaren was already an enormously successful and well resourced team prior to 1988 has led to the assumption that producing another winning car in the form of the mp4 4 was simply business as usual the truth is rather different with many challenges along the way mistakes to resolve and as ever in motor racing an element of luck all playing a part in the mp4 4 s extraordinary success a wealth of
