The Imperial Order 1967 this work first published in 1897 is neither more nor less than the history of china as it has been written during successive ages by the authorized historians of the empire the documents on which the work is based together with the writings of confucius and mencius are the only truly authentic sources from which the story of the long lived nation can be obtained commencing with the mythical and legendary periods the work moves on through successive dynasties until that of the tsing concluding its account in the early years of the twentieth century

The Imperial History of China 2018-10-10 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Imperial History of China 2015-10-19 in 1940 japan was into its third year of war with china and relations with the united states were deteriorating but it was a heady time for the japanese nonetheless that year the japanese commemorated the 2 600th anniversary of the founding of the empire of japan according to the imperial myth history emperor jimmu descended from the sun goddess amaterasu established the unbroken imperial line in 660 bce in carefully choreographed ceremonies throughout the empire through new public monuments with visual culture and through heritage tourism the japanese celebrated the extension of imperial rule under the 124th emperor hirohito these celebrations the climactic moment for the ideology that was central to modern japan s identity until the imperial cult s legitimacy was bruised by defeat in 1945 are little known outside japan imperial japan at its zenith the first book in english about the 2 600th anniversary examines the themes of the celebration and what

they tell us about japan at mid century kenneth j ruoff emphasizes that wartime japan did not reject modernity in favor of nativist traditionalism instead like nazi germany and fascist italy it embraced reactionary modernism ruoff also highlights the role played by the japanese people in endorsing and promoting imperial ideology and expansion documenting the significant grassroots support for the cult of the emperor and for militarism ruoff uses the anniversary celebrations to examine japan s invention of a national history the complex relationship between the homeland and the colonies the significance of imperial japan s challenge to euro american claims of racial and cultural superiority the role of heritage tourism in inspiring national pride japan s wartime fascist modernity and with a chapter about overseas japanese the boundaries of the japanese nation packed with intriguing anecdotes incisive analysis and revelatory illustrations imperial japan at its zenith is a major contribution to our understanding of wartime japan

Imperial Japan at Its Zenith 2014-09-18 this is the text of a lecture given by sir ramsay at the sheldonian theatre oxford university in 1913 this was one of the ramones lectures a tradition still going to this day where the vice chancellor invites an eminent speaker from the world of the arts sciences or literature to speak on a topic of his or her choice politics and religion are excluded sir ramsay gets around this particular problem by talking about an ideal scenario that he believes will never exist that of peace in europe

The Imperial Peace 2021-04-11 maps from virtually every culture and period convey our tendency to see our communities as the centre of the world if not the universe and by implication as superior to anything beyond our boundaries this study examines how cartography has been used to prop up a variety of imperialist enterprises

The Imperial Map 2009-03 the imperial quest and modern memory explores relationships between narrative and imperium in the context of western modernism by examining the quest as a vexed trope in heart of darkness passage to india the sheltering sky and the quiet american the book takes stock of twentieth century theory regarding the quest as archetype trope and construct considers the dominant expression and the imperial organization of this trope in western culture and iconography from the dark ages to the age of empire explores the ways in which this trope both lingers and changes in the context of western modernism and finally gauges its permutations in modern discourse the imperial quest and modern memory s central claim is that the modern novel simultaneously reinscribes and subverts western and imperial manifestations of the quest heart of darkness passage to india the sheltering sky and the quiet american are remarkably modern and subversive narratives they participate in the revolutionary projects of early and high modernism and are often in marked opposition to imperial praxis yet they are also profoundly influenced by the deep ideological and metaphoric structures of western culture thus the quest trope specifically in its western and imperial manifestations lingers in modern memory and certainly in the modern novel this expansive study emphasizes intriguing intersections between past and present culture and archetype norm and narrative memory and contemporaneity

The Imperial Quest and Modern Memory from Conrad to Greene 2013-11-05 the publication of richard frank s long awaited downfall is an event of great importance not only to historians but to the general public no aspect of world war ii is more controversial today than the use of atomic bombs against japan in 1945 some have argued that this act was cruel and unnecessary since japan was on the verge of surrender but by means of exhaustive research and the employment of previously neglected and recently declassified sources frank proves in this definitive book that neither the emperor nor the japanese armed forces were anywhere close to surrendering in august 1945 in a stunning tour de force frank re creates the end of the war not as it seemed to people writing much later but as it appeared to american and japanese decision makers at the time though the bomb was often seen as the worst possible means of ending the pacific war frank establishes that its use was superior to all existing alternatives and saved not only allied lives but japanese lives as well masterly in conception brilliantly reasoned superbly researched downfall is all but impossible to put down anyone concerned with the

moral military and political issues surrounding the end of the pacific war must read this book william l o neill author of a democracy at war downfall opens with a vivid portrayal of the catastrophic fire raid on tokyo in march 1945 which was to be followed by the utter destruction of almost every major japanese city and ends with the anguished vigil of american and japanese leaders waiting to learn if japan s armed forces would obey the emperor s order to surrender america s use of the atom bomb has generated more heated controversy than any other event of the whole war did nuclear weapons save the lives of hundreds of thousands of americans poised to invade japan did u s leaders know that japan was urgently seeking peace and needed only assurance about the emperor s safety to end the war swiftly was the bomb really used to intimidate the russians why wasn t the devastating power of the weapon demonstrated first before being unleashed on a city richard b frank has brought to life these critical times working from primary documents reports diaries and newly declassified records these pages present the untold story of how american leaders learned in the summer of 1945 that their compromise strategy to end the war by blockade and bombardment followed by invasion had been shattered radio intelligence had unmasked a massive japanese buildup on kyushu designed to turn the initial invasion into a bloody shambles meanwhile the text and analysis of diplomatic intercepts depicted sterile prospects for negotiation before a final clash of arms here also for the first time is a full and balanced account of how japan s leaders risked annihilation by gambling on a military strategy aimed at securing political bargaining leverage to preserve the old order in japan downfall replaces the myths that now surround the end of the war and the use of the bomb with the stark realities of this great historical controversy

Downfall 1999 the imperial mantle the united states decolonization and the third world david d newsom a probing analysis of relations between the united states and the third world in the post world war ii era to understand why some people in the third world like to throw rocks at us read this book richard b parker many americans are bewildered by the hostilities and even hatred toward the united states on the part of newly independent third world nations experienced diplomat and scholar david d newsom seeks to understand these animosities in this thoughtful review of u s relations with the third world since world war ii the imperial mantle traces the upheavals in the postwar era as the peoples of british dutch belgian and portuguese empires demanded and gained independence as the most powerful leader of the free world despite its anti colonial heritage the united states tended to inherit the imperial mantle in this period becoming the focus of both expectations and demands from the new nations how the united states lived up to these expectations and how it responded to the challenge of leadership and the burdens of being the dominant world power are the central issues in this book it is must reading for anyone who wants to understand the foreign policy challenges that america will face in the 21st century david d newsom a former under secretary and assistant secretary of state served as u s ambassador to libya indonesia and the philippines after retiring from the foreign service he became director of the institute for the study of diplomacy and professor and dean at the georgetown university school of foreign service and professor in the department of government and foreign affairs at the university of virginia where he is a senior fellow at the miller center he is author of the soviet brigade in cuba diplomacy and the american democracy and the public dimension of foreign policy march 2001 256 pages 4 maps 6 1 8 x 9 1 4 bibl index append cloth 0 253 33844 4 29 95 s 22 95

The Imperial Mantle 2001-02-22 excerpt from the imperial orgy an account of the tsars from the first to the last timur and attila dwarf ivan but not very much in the fury with which attila pounced on civilisation there is the impersonality of a cyclone timur was a homicidal maniac with unlimited power and a limitless area in which to be homicidal where he passed he left pyramids of human heads and towers made of prisoners mixed with mortar where attila passed he left nothing ivan turned cities into shambles and provinces into cemeteries a cholera corpses mounted about him but death was the least of his gifts he discovered siberia that was for later comers for his immediate subjects he discovered something acuter to them he was not cholera he was providence about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an

The Imperial Orgy 2019-02-20 the division of the late roman empire into two theoretically cooperating parts by the brothers valentinian and valens in 364 deeply influenced many aspects of government in each of the divisions although the imperial policies during this well documented and formative period are generally understood to have been driven by the religious and ideological aims of the emperors r malcolm errington argues that the emperors were actually much more pragmatic in their decision making than has previously been assumed the division of responsibilities between the emperors inevitably encouraged separate developments and allowed locally varying and often changing imperial attitudes toward different forms of religious belief errington demonstrates that the main stimulus for action in this period nearly always came from below the level of the imperial government and not from an imperial initiative extending the theory of fergus millar into the later empire errington argues that the emperors were fundamentally reactive to regionally supplied information as millar has asserted was the case for the high empire thus despite significant structural changes the empire remained broadly traditional in its operations

Roman Imperial Policy from Julian to Theodosius 2020-05 a report on the state of japan at the turn of the 20th century written by the imperial japanese commission for the louisiana purchase exposition the report covers a range of topics including the history of japan its government education industry and culture it provides insight into japan s rapid modernization during this period this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Japan in the Beginning of the 20th Century 2023-07-18 the british empire radically altered the modern world at its height it governed over a quarter of the human race and encompassed more than a fifth of the globe as well as providing the british people with profits and a sense of international purpose the empire afforded them the opportunity to create new lives for themselves through emigration and settlement for those it dominated and controlled the empire often represented arbitrary power gunboat diplomacy the disruption of local customs and government by a distant administration this study analyzes the british imperial experience from the american revolution to the present day it examines the ways in which empire affected both rulers and ruled and the roles of significant personalities from queen

victoria to nelson mandela cecil rhodes to mahatma gandhi

Diplomatic and Consular Reports. Miscellaneous Series 1888 this book is about the imperial hotel built by frank lloyd wright in tokyo during the meiji era it has been quite famous after the kanto big earthquake in 1923 because it was not collapsed by the earthquake

Empire 1997 j t headley was born at the very end of the convulsive period of the french revolution and napoleonic wars that followed and wrote a number of volumes on the french army and its leadership of the period this volume is a short and pithy none the less entertaining account of the structure growth and battles of the famed garde impériale of napoleon starting with the formation of the guard from the early days in its form as the consular guard and their baptism of fire at marengo in the words of napoleon it was granite column words of the first consul in his report on the battle of marengo to the government 27 prairial year vii headley charts the growth of a corps of a few thousand men to an army within an army from 1812 onward until their final heroic stand at waterloo to their disbandment by the bourbon monarchy leaders such as bessières and drouot are picked out in detail and famous events are described with panache the volume leans heavily on emile marco st hilaire s histoire anecdotique politique et militaire de la garde impériale paris penaud 1845 47 but is none the worst for it a jaunty read author joel tyler headley 30 12 1813 30 12 1897

Frank Lloyd Wright's Imperial Hotel 1988 the role and economic power of corporations that dominate the world economy has generated considerable controversy the most heated debate and the most critical questions surrounding the role of multinational corporations relate to foreign direct investment fdi this key volume offers an entirely fresh perspective of the role of multinationals and the development impact of fdi contrary to prevailing opinion it examines whether imperialism is a much more useful concept for describing and explaining the dynamics of world development than globalization fdi is a mechanism for empire centred capital accumulation a powerful lever for political control and for re ordering the world economy this is a much needed analysis of global capitalism and its impact around the world resulting in an excellent resource for students academics and activists

The Imperial Guard of Napoleon - from Marengo to Waterloo 2011-02-08 the byzantine world presents the latest insights of the leading scholars in the fields of byzantine studies history art and architectural history literature and theology those who know little of byzantine history culture and civilization between ad 700 and 1453 will find overviews and distillations while those who know much already will be afforded countless new vistas each chapter offers an innovative approach to a well known topic or a diversion from a well trodden path readers will be introduced to byzantine women and children men and eunuchs emperors patriarchs aristocrats and slaves they will explore churches and fortifications monasteries and palaces from constantinople to cyprus and syria in the east and to apulia and venice in the west secular and sacred art profane and spiritual literature will be revealed to the reader who will be encouraged to read see smell and touch the worlds of byzantine ceremonial and sanctity liturgy and letters orthodoxy and heresy will be explored by both leading and innovative international scholars ultimately readers will find insights into the emergence of modern byzantine studies and of popular byzantine history that are informative novel and unexpected and that provide a thorough understanding of both

Calendar 1894 dressed in distinctive green uniforms and classically inspired copper helmets the dragoons of the imperial guard were raised in 1806 by the same criteria as other guard units by selection of picked literate veterans from line regiments who had six to ten years of service and citations for bravery in at least two campaigns the following year they were named dragons de l'impératrice in a unique compliment to the empress josephine as a ceremonial regiment it enjoyed many privileges but it also saw combat on a number of occasions including the battles of essling and wagram 1809 the russian campaign 1812 when it suffered severe losses at bautzen wachau and leipzig 1813 in the 1814 campaign of france and at ligny and waterloo 1815

The Convention Manual for the Sixth New York State Constitutional Convention 1894 1894 britain and empire 1880 1945 traces the relationship between britain and its empire during a period when the two

spheres intersected with one another to an unprecedented degree the story starts with the imperial expansion of the late nineteenth century and ends with the second world war at the end of which Britain was on the brink of decolonisation the author shows how empire came to figure into almost every important development that marked Britain's response to the upheavals of the late nineteenth century and first half of the twentieth century he examines its influence on foreign policy party politics social reforms cultural practices and national identity at the same time he shows how domestic developments affected imperial policies written in an engaging and accessible manner this book integrates British and imperial history in a single narrative provides a useful synthesis of recent historical research in the area analyses topics ranging from ideology and culture to politics and foreign affairs contains a chronology glossary who's who and guide to further reading Britain and Empire 1880-1945 provides an up to date accessible survey ideal for students coming to the subject for the first time

Multinationals on Trial 2013-03-28 J. A. Hobson's imperialism a study first written in 1902 was undoubtedly his most prolific work yet Hobson wrote frequently about the topic of imperialism over the course of his career and a number of his articles are included in this collection first published in 1992 exploring areas such as the presence of capitalism in South Africa following his visits to the country in the lead up to the Boer War free trade and the ethical implications of empire these articles and extracts reflect how Hobson's ideas changed over the decades in which they were written this is a fascinating collection of material that provides an unparalleled depth of insight into the views of one of the most important economic thinkers of the early twentieth century

The Counter-case Presented by the Imperial Japanese Government to the Tribunal of Arbitration Constituted Under Section I of the Protocol Concluded at Tokio, August 28, 1902, Between Japan and Germany, France and Great Britain 1902

exploring how the historical memory of Charlemagne was used to shape the institutions of kingship and empire in the high middle ages *The Waterloo Campaign, 1815* 1895 dressed in distinctive green uniforms and classically inspired copper helmets the dragoons of the imperial guard were raised in 1806 by the same criteria as other guard units by selection of picked literate veterans from line regiments who had six to ten years of service and citations for bravery in at least two campaigns the following year they were named dragons de l'impératrice in a unique compliment to the empress Josephine as a ceremonial regiment it enjoyed many privileges but it also saw combat on a number of occasions including the battles of Essling and Wagram 1809 the Russian campaign 1812 when it suffered severe losses at Bautzen Wachau and Leipzig 1813 in the 1814 campaign of France and at Ligny and Waterloo 1815

The Byzantine World 2010-12-20 this book examines attitudes towards empire and the creation and perpetuation of a British world view during the years 1834-1924 besides focusing on the usual Victorian and Edwardian novelists and poets surveys of popular culture and anti-empire views are also included by adopting a longer chronological context the high level of continuity in beliefs and actions throughout the nineteenth and twentieth centuries is highlighted as a result the period is viewed as a dramatic episode in a much longer story
