A Survey of Vehicle Fire Causes 1989-11 robert philip hansen thought he was smarter than the system for decades the quirky but respected counterintelligence expert religious family man and father of six sold top secret information to agents of the soviet union and russia a self taught computer expert hansen often encrypted his stolen files on wafer thin disks the data some 6000 pages of highly classified documents revealed precious nuclear secrets outlined american espionage initiatives and named names of agents spies who covertly worked for both sides soviet government leaders and their successors in the russian federation used the stolen information to undermine u s policies and to eliminate spies in their own ranks moscow did not allow their moles the luxury of a defense at least two men named by hansen were executed a third languished for years in a siberian hard labor camp for more than twenty years bob hansen was the perfect spy he personally collected at least 600 000 from his russian handlers while another 800 000 was deposited in his name at a moscow bank along with the cash came rolex watches and cut diamonds the money financed both his children s education at schools run by the elite and ultra conservative catholic organization opus dei and an inexplicably strange fling with a former ohio stripper of the year but he didn t just do it for the money he did it for the thrill and for a mysterious third reason rooted in religious mysticism he lacked the people skills to play office politics and it seemed the aging fbi analyst faced a disappointing career mired in middle management instead he chose to become one of the most dangerous spies in america s history and no one suspected him until just weeks before his arrest robert philip hansen thought he was smarter than the system and until february 18 2001 he was right that s when federal agents surrounded him while he was attempting to complete an exchange with his handlers at a virginia park when the g men captured their mark they catapulted the once innocuous bureaucrat onto the front pages of every newspaper in america the most notorious spy since the rosenbergs had finally become a victim of his own undoing now drawing on more than 100 interviews with bob hansen s friends colleagues coworkers and family members and confidential sources best selling author adrian havill tells the entire story you haven t read as only he can the spy who stayed out in the cold tells not only how he did it but why

model cars No.300 2002-11-18 new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea
