From Rainbow Bridge to Catnip Fields 2007-07-01

in the late 1970s richard convinced his wife sandra they should leave their promising professional careers and comfortable suburban lifestyle to start an azalea nursery in the foothills of the blue ridge mountains with no horticultural training or business experience few mechanical skills and absolutely no idea what they were getting themselves into numerous adventures followed in the third book in the planned four book series richard continues the couples colorful story a story of triumph and despair of high expectations and harsh reality and of the people who touched their lives along the way in the tradition of laura ingalls wilders little house series mountain of my dreams shares the true story of one familys memorable often remarkable 30 year journey much more than just another back to the land chronicle this is a heartwarming tale of a man a woman and their belief in each other if youve ever wondered why the less traveled road is less traveled you need to read their story

Mountain of My Dreams 2007-07-25

for a happy relationship with your cat go beyond the looks and make your pick based on demonstrated breed behavior this is the advice of the harts two experts in animal communication and behavior whose new book takes the process of selecting a cat to the next level by offering data based behavioral profiles of a wide range of cat breeds developed over a lifetime of research and through extensive interviews with eighty veterinary experts the profiles are presented in easy to use graphical form a history of the development of different breeds is presented and then breed specific differences across a range of variables are discussed these include twelve behavioral traits in areas such as affection sociality activity level and litter box use after giving guidance about choosing a cat the authors present some strategies for avoiding problem behaviors and resolving those that

emerge they also share fascinating theories about the origins of various common cat behaviors including purring yawning eating grass flipping out on catnip and staking out territory while the focus is on purebred cats there is also lots of good information for owners of blends the book ends with helpful guidance on further reading based on the latest science this is a great book for anyone interested in the fundamental building blocks of feline behavior and an invaluable handbook for cat owners

Your Ideal Cat 2013

i probably watch too much news read too many newspapers magazines and blogs and have too many conversations with people about politics often in my mind i consider myself better than politicians i may be better than some but not all of them what i notice is that i make similar mistakes to those in charge because of this i m willing to say i m not perfect and i have the experiences to prove it join me in a journey to tell people why i should not run for public office nor should i receive any write in votes in the next election if you do opt for writing my name in on your ballot and are uncertain how ask for assistance from the helpful people at your voting location and write in my full name james e collins you may not change an election but maybe it will change your outlook knowing that you can vote for whom you want to not someone you are being told to vote for as an afterthought please don t tell me about ending a sentence with a preposition i tend to do that

My Name Is Planky, the Real-Life Story of a True Underdog 2011

the time at which this story begins was a time of many beginnings and many endings the eighteenth century had expired the better part of a score of years before and everything was in confusion youth tumultuous hearty reckless showy slangy insolent kindly savage was the genius of the hour the iron duke had thrashed the corsican ogre england was the queen of nations and englishmen thought so much of themselves and of one another that society for all its caste became well nigh republican gentlemen were bruisers and bruisers were gentlemen at ranelagh and vauxhall fine ladies rubbed shoulders with actresses magistrates foregathered with jockeys and sharpers and the guardians of public order had more to fear from young bloods and sprigs of nobility than from professional thieves and blacklegs costumes were grotesque and irrational but were worn with a dash and effrontery that made them becoming there were cocked hats and steeple crowned hats yards of neck cloth and mountains of coat collar green coats and blue coats claret coats and white coats four or five great coats one on top of another small clothes and tight breeches corduroys hessians and pumps

Horror Stories 2014

volume 2

African American Herbalism 2022-10-04

what is melville beyond the whale long celebrated for his stories of the sea melville was also fascinated by the interrelations between living species and planetary systems a perspective informing his work in ways we now term ecological by reading melville in the context of nineteenth century science tom nurmi contends that he may best be understood as a proto ecologist

who innovatively engages with the entanglement of human and nonhuman realms melville lived during a period in which the process of scientific specialization was well underway while the integration of science and art was concurrently being addressed by american writers steeped in the work of lyell darwin and other scientific pioneers he composed stories and verse that made the complexity of geological botanical and zoological networks visible to a broad spectrum of readers ironically in the most unscientific forms of fiction and poetry set against the backdrop of melville s literary philosophical and scientific influences magnificent decay focuses on four of his most neglected works mardi 1849 pierre 1852 the piazza tales 1856 and john marr 1888 to demonstrate that together literature and science offer collective insights into the past present and future turbulence of the anthropocene tracing the convergences of ecological and literary creativity melville s lesser read texts explore the complex interplay between inanimate matter life and human society across multiple scales and in so doing illustrate the value of literary art for representing ecological relationships

The Greatest Bed-Time Stories 2023-11-15

designed to aid adults parents teachers librarians in selecting from the best of recent children s literature this guide provides 1 400 reviews of books published between 1979 and 1984 this volume carries on the tradition established by zena sutherland s two earlier collections covering the periods from 1966 to 1972 and 1973 to 1978 her 1973 edition of the best in children s books was cited by the american school board journal as one of the outstanding books of the year in education

The Wonderful Land of Bed-Time Stories 2023-11-16

New Scientist and Science Journal *1987*

in the road to astroworld a haunting narrative unfolds through a series of letters sent by promise goodday a woman confined to a mental institution for a tragic act addressed to her childhood friend lakeisha ann these letters unveil a harrowing twenty year

journey within the confines of rust hills a place marred by drugs questionable therapies and unspeakable abuse including the torment from an individual she cryptically refers to as big fingers these poignant missives serve as a searing yet occasionally darkly humorous chronicle of promise s life at rust hills as readers delve into her correspondence they must ponder whether escape and redemption are attainable in the end and nestled within the recesses of promise s heart lies the enigmatic astroworld is it a tangible escape or a whimsical dreamland guiding her on the road to astroworld excerpt dear lakeisha ann i think big fingers is a woman or at least has had woman hands transplanted at the ends of his bull shouldered arms i mean his fingers know my snatch better than my own fingers they don t fumble my charlie the pussy doctor fumbled and was very clinical with me but this man gets to the heart of the matter as he strokes me and in my moaning i forget about the purple wounds on my ass that he has inflicted love promise dear lakeisha ann lord lord if i were a beast i would rip big fingers s heart out and eat it you would think this man was on a period the way he swells and bellows toward the end of the month he sent another girl to the infirmary he beat collette because she forgot how to spell her name she wrote let on her medicine sign out sheet she didn t really forget how to spell her name but you know how it is to be seventeen you wake up one morning and decide that you want a new name big fingers told her to write collette smith on the form she insisted on let his blistering coaxial cable did not make her change her mind if she dies i hope death does not rob her of her spirit i will buy her a tombstone and have let chiseled into its granite face love promise ps what s new with you dear lakeisha ann we had a bad storm here yesterday the rain battered the windows like a shower of fists mens fists i screamed at the men girl i screamed at them and cursed their mamas they started up the bus to drown out my screams but baby i out screamed their buses finally they sent in big mama to point her finger at me i came close to biting her finger off at the root and sucking her until all that was left of her was bitter and dry but i didn t bite big mama the rain i woke up in shackles i think big fingers shackles us girls just so he can get a chance to touch our pussies when you come out here i m going to introduce you to big fingers in case you re in the market for a husband kiss them grandbabies love promise
